Alls Well That Ends Well

William Shakespeare

Alls Well That Ends Well:

Aspects of Shakespeare's 'Problem Plays' Kenneth Muir, Stanley Wells, 1982-02-18 These articles reprinted from various volumes of Shakespeare Survey concern three plays which have gradually become appreciated by critics and in the theatre Since the early years of this century they have been seen as an interrelated group with a peculiarly twentieth century appeal Measure for Measure concerned as it is with adolescents first encounters with sex love and death has a special appeal for young people Troilus and Cressida set in the Trojan War has been found deeply relevant to our own war troubled times and All s Well That Ends Well sharing these preoccupations is a necessary companion piece John Barton who has directed all three plays is interviewed in one of the articles which together illustrate the often heated controversy about the plays Reviews and photographs of post war productions at Stratford are also included The book as a whole is designed as a stimulating introduction to these plays and to conflicting interpretations of them *The Works of William Shakespeare: All's well that ends well. Twelfth night, or, What you will. 1857* William Shakespeare, 1857 **All's Well that Ends Well** William Shakespeare, 2003 The New Cambridge Shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations For the second edition of All s Well That Ends Well Alexander Leggatt has written a completely new introduction to Russell Fraser s text of one of Shakespeare s most puzzling ambiguous and demanding plays Leggatt s interest in performance is evident throughout the introduction particularly in his discussion of the instability of the main characters He also provides a full illustrated and thoughtful account of the play s critical and theatrical fortunes to the end of the twentieth century and explores our experience as an audience of seeing and hearing the play performed An updated reading list completes the volume **The Dramatic Works of William Shakespeare: All's well that ends well. Twelfth night. Winter's tale. Macbeth** William Shakespeare, 1817 *The Works of William Shakespeare: All's well that ends well. Julius Caesar. Measure for measure. Troilus and Cressida. permission to try and cure the king's illness. No one has been able to cure him but Helena succeeds and as a reward the king invites her to choose a husband from among his wards. She chooses Bertram. Bertram's ambitions for a wife go beyond her however and although he marries her on the king's orders he runs away with Parolles to fight in the wars in Italy. He writes a letter to Helena telling her that he will not recognise the marriage until she can demonstrate that she is wearing his heirloom ring and carrying his child.

All's Well That Ends Well (Annotated) William Shakespeare, 2020-12-23
All's Well That Ends Well is a play William Shakespeare originally classified as a comedy though now often counted as one of his problem plays so called because they cannot be easily classified as tragedy or comedy. It was probably written in the later middle part of Shakespeare's career between 1601 and 1608 and was first published in the First Folio in 1623. The name of the play comes from the proverb All's well that ends well which means that problems do not matter so long as the outcome is good.

Gender and Performance in Shakespeare's Problem Comedies David F. McCandless, 1997-12-22
This is exactly the kind of work with its synthesis of theory, close reading and deconstructive performance criticism that many of us in the profession have been looking for. Joel B. Altman, University of California Berkeley. McCandless's book represents an inventive and illuminating account that not only produces a theoretically activated text but also explores a range of options for staging it, turning the theoretical into theatrical meanings. Barbara Hodgdon, Drake University. The writing is clear, snappy, wonderfully informed with a vivid and experienced theatrical imagination, a book that taught me a good deal about the problem comedies especially from the vantage point of performance though the insights into performance are fully and incisively integrated with and they richly illuminate formal, thematic and psychological vantage points on the play. Richard P. Wheeler, University of Illinois. Composed at a critical moment in English history, All's Well That Ends Well, Measure for Measure and Troilus and Cressida, Shakespeare's problem plays dramatize a crisis in the sex/gender system. They register a male dread of emasculation and engulfment, a fear of female authority and sexuality. In these plays, males identify desire for a female as dangerous and unmanly; females contend and confound traditional femininity. David McCandless's book is a unique and invigorating example of performance criticism that illuminates these difficult, sometimes overlooked tragicomedies. It is an original and timely contribution to Shakespearean theater scholarship.
