ALL STARS The Coach, Thomas Smythe,2025-08-26 The heartbreak of the state final loss in basketball lingers far too long but the life lessons learned in sport will far outweigh the heartbreak or at least that's what my parents keep telling me Still just once I'd like to be on the other side of that learning curve I have played on two excellent teams in my sophomore year and am looking forward to another season of success Baseball may be my third best sport but our baseball program under Coach Mack has been dominant in the CVL for years With our two dominant pitchers returning and a host of veterans the season holds great promise I play center field and would probably be our third starting pitcher I was a switch hitter and was right handed and had some power which hadn't shown itself yet from the left side Baseball feels different from both football and basketball It was somehow more relaxing and seemed at times to be almost a slow motion game But when the pitcher throws the ball the tension ramps up in a hurry We are the defending league champs and will have a bull's eye on our backs as we head into the season But this team has it all power at the plate excellent starting pitching and the best coach in Iowa I like the combination

All-Star Pride Sigmund Brouwer,2006-09-01 It's the All Star team made up of the WHL's young hockey players just one short step away from the NHL Their goal is to beat the Russian All Stars in a best of seven series to be shown as a television special Hog Burnell one of the biggest and toughest players in the league is happy to be part of it He could use the money that would come with a series win by the WHL All Stars At the very worst it's a free vacation to Russia It doesn't take Hog long to discover there's plenty more money to be made along the way if he's willing to pay the price for it This short novel is a high interest low reading level book for middle grade readers who are building reading skills want a

quick read or say they don't like to read *From Autism to All-Star* Rhonda Brunett, 2004-11 **Overcoming Adversity: The 2010 NBA All-Stars** Tex Greene, 2023-11-09 Why are these grown men getting paid millions of dollars to play a child's game Inevitably if you've been around the game of basketball long enough you've heard some cynical adult ask this question It seems fair getting paid millions to play basketball every night in front of adoring fans does sound like one of the easiest gigs in the world But there's a lot more to it than that No one has an easy journey to reap the rewards waiting for them at the highest level of basketball Only 3 percent of high school athletes earn scholarships to play in college and only 0.03 percent turn pro Of those 0.03 percent there are only so many who have successful careers make the millions players dream of and don't go broke almost immediately after retiring There's plenty of elite hoopsters but to make it to the highest level of basketball you have to be the best in the world One thing all the elite players have in common are insane work ethics and sometimes some luck in genetics Inside this book you'll find stories of the relentless work and hours that these stars have put in when all the lights are shut off no one's watching and it's just them and the basketball Because when basketball is someone's only ticket out of a rough life gang wars drugs and violence you won't believe how good at the game they'll become *Fans Called Him "Turkey," I Called Him Dad* Rosilyn Stearnes-Brown, 2023-02-13 Baseball Hall of Famer Norman Thomas Turkey Stearnes 1901-1979 batted more than 400 times led the Negro Leagues in home runs seven times and holds the all-time Negro Leagues record for career home runs Despite his legendary achievements on the field Stearnes worked off seasons in Detroit's auto plants including one owned by Walter Briggs who also owned the Detroit Tigers a team Stearnes couldn't play for because he was black Written by his eldest daughter this first biography of Turkey Stearnes intimately recounts his life and career and gives overdue recognition to one of the greatest all-around players in the history of baseball **Minor League All-Star Teams, 1922-1962** Jamie Selko, 2007-07-16 Long before strip malls television and huge retail chains homogenized American culture minor league baseball clubs represented individual local ideals Fans turned out in droves to see their hometown heroes and teams were sources of civic pride and popular recreation Gradually these teams and leagues were either driven under or swallowed up by baseball's vertical integration and by 1963 a significant piece of the American landscape had all but disappeared This heavily researched reference work covers every official minor league All-Star team from 1922 when the first such team was named to 1962 the last year of the AAA-D classification system Each entry includes the full roster of an All-Star team complete individual hitting and pitching statistics and detailed commentary on the selections Where sabermetrics indicate more deserving players were passed over the author presents the case for alternative candidates **All-Stars and Movie Stars** Ron Briley, Michael K. Schoenecke, Deborah A.
