Almost Like Being In Love A Novel:

Almost Like Being in Love Beth K. Vogt, 2016-06-28 From the author of *Somebody Like You* a RITA finalist and one of Publishers Weekly's top ten books of 2014 comes the story of a woman who has everything for a perfect wedding except the groom. Winning an all expenses paid Colorado destination wedding might seem like a dream come true for some people but Caron Hollister and her boyfriend Alex Madison aren't even engaged. How is she supposed to tell him she's won their wedding and honeymoon when he hasn't asked her to marry him? Being perfect for one another seems like the absolute best reason to get married. But what if their supposedly faultless relationship is merely a safe place to protect his secrets and a way to keep their families happy? After quitting her job Caron accepts her best friend's offer to visit Colorado. She needs to catch her breath. Who knows maybe visiting the destination wedding site will make a future with Alex seem like a reality. Kade Webster just landed the biggest deal of his life with his company Webster Select Realty participating in the Colorado Springs Tour of Homes. He never imagined he would run into the woman who broke his heart Caron Hollister right when his career is taking off. Seeing her again Kade can't help but wonder why Caron walked away from him years ago leaving him with no explanation. When Kade learns his home stager won't be able to help with the Tour of Homes he vaults past all the reasons he should stay away from Caron and offers her a temporary job helping him on the project. This time their relationship is purely business. Spending time with Kade has Caron questioning everything. The man intrigues her at times infuriates her and reminds her of what she lost. Has she been settling for what everyone expects of her? Just because others believe she and Alex are an ideal couple does that mean they should get married? And how can Caron say I do to one man when she's wondering what if about another?

Almost Like Being in Love Steve Kluger, 2009-10-06 An engrossing often laugh out loud tale of two unlikely lovers told in an epistolary style to brilliant comic and dramatic effect. Publishers Weekly A high school jock and nerd fall in love senior year only to part after an amazing summer of discovery to attend their respective colleges. They keep in touch at first but then slowly drift apart. Flash forward twenty years Travis and Craig both have great lives careers and loves. But something is missing. Travis is the first to figure it out. He's still in love with Craig and come what may he's going after the boy who captured his heart even if it means forsaking his job making a fool of himself and entering the great unknown. Told in narrative letters checklists and more this is the must read novel for anyone who's wondered what ever happened to that first great love.

Play Among Books Miro Roman, Alice_ch3n81, 2021-12-06 How does coding change the way we think about architecture? This question opens up an important research perspective. In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information. They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books. Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science.

The Seduction of Pessimism in the Novel Tom Ribitzky, 2024-10-31 *The Seduction of Pessimism in the Novel* Eros Futility and the Quarrel with Philosophy explores the novel as a response to the Platonic myth that narrates the rift at the core of our being Eros is supposedly the consolation for this rift but the history of the novel documents its expression as one of frustrated desires neuroses anxieties and cosmic doom As if repeating the trauma from that original split in Plato a split that also divides philosophy from literature the novel treats eros as a site of loss and grief from the medieval romances to Goethe Emily Bront Proust Mann Woolf D H Lawrence and Nabokov The pessimism that emerges from this eros tells us something fundamental about who we are something that only the novel can say At a time when both education and leisure are increasingly ignoring the novel s imperative to sit with ambiguity complexity and contingency and as we are hurtling toward a bleak future of climate catastrophe and political instability the novel is one of the last bastions of humanity even as it is quickly being eroded

South Station Alice Barton, 2005 Set in World War II Lowell Massachusetts Alice Barton's engrossing first novel portrays time and place as integral to the coming of age of Honey Lee Murphy caught in the complexities of family relationships that are strained by her religious regional parental and class identifications But these identifications by no means overpower the truly magical individuality of Barton's characterizations Barton manages to compose her characters out of themes derived from a deeply lived experience of Catholicism the overwhelming emotional involvement of first love memories of a much loved father who is a casualty of war and the harsh but devoted ways of a grandmother The mounting suspense crests as Honey Lee works to resolve conflicts that are both inner and outer Barton's delicate handling of tension is both dramatic and insightful I was unable to put South Station down Rosamond Rosenmeier Lines Out Alice James Books I was struck by the importance the human complexity of the moment of history Barton chooses to focus on in her first novel South Station She has a surefooted fictional sense Carefully crafted scenes and memorable characters drive the plot to a powerful climax Fred Marchant Tipping Point and Full Moon Boat Greywolf Press Barton's South Station has a read me plot She creates characters complex in themselves and deftly handles their complicated relationships Barton's assured command of setting and the rare pureness of her prose make South Station a delight Jack Beatty Senior Editor Atlantic Monthly Regular Contributor On Point National Public Radio and author of The Rascal King The Life and Times of James Michael Curley

Gordon Merrick and the Great Gay American Novel Joseph M. Ortiz, 2022-05-23 Gordon Merrick and the Great Gay American Novel is the first biography of Gordon Merrick the most commercially successful writer of gay novels in the twentieth century This book shows how Merrick's novels were largely based on his own life and time as a Princeton theater star a Broadway actor a New York reporter an OSS spy and the friend of countless artists and celebrities as an expatriate in France Greece and Sri Lanka He lived much of his life as an openly gay man with his longtime partner Charles Hulse His 1970 novel The Lord Won't Mind broke new ground by showing that an affirming explicitly gay novel could be a bestseller His subsequent gay novels were both a cultural phenomenon and a lightning rod for literary critics This book also examines the complex often conflicting responses to Merrick's novels by gay readers and critics and it thus recovers the early post Stonewall debates over the definition of gay literature By reconstructing Merrick's life and critical fortunes this book expands our understanding of what it means to be a gay man in the twentieth century

The Last Woman—A Novel of Rebirth G. V. Loewen, 2020-10-30 The serpentine narrative of Kristen Seraphim continues unabated as the youthful heroes must not only confront themselves and their past in a novel manner but rebuild their team half of whom are at first in utter ignorance of any of their once shared accomplishments let alone the Earth as it is now at hand Prepare

yourself for a blistering ride that will send your imagination into orbit But around which world With both God and the Devil apparently merged and lost alike the stunning relief felt by the now veteran half of the heroic community at the appearance of their comrades successors is instantly turned to anxiety and shock as Mary discovers she is inexplicably pregnant By whom or by what And then again who or what kind of being is now developing before their very eyes The new Kristen struggles under the weight of the feats of her predecessor and doubts Mike s enduring love for her Likewise both Michelle and Kylie must come to terms with the tragic fates of their previous selves but this too holds a bizarre twist Yet their enemies have hardly given up A continuous assault by anachronistic figures the appearance of the Smythes interdimensional siblings and impossible events that seem to stop time itself all figure to unravel the gains made by the legendary team The most hoped for and yet dreaded moment prompts their new leader to make for herself an oddly existential sacrifice and thus set the stage for what may be the final showdown with the liminalist forces

The Screwed Up Life of Charlie The Second

Drew Ferguson, 2010-04-06 Sometimes it s just easier to think I m not the freak I m just in an alien world Being Charles James Stewart Jr AKA Charlie the Second means never fitting in Tall gangly and big eared he could be a poster boy for teenage geeks An embarrassment to his parents he s not too crazy about them either Charlie is a virtual untouchable at his high school where humiliation is practically an extracurricular activity Charlie has tried to fit in but all of his efforts fail on a glorious monumental scale He plays soccer mainly to escape his home life but isn t accepted by his teammates who basically ignore him on the field He still confuses the accelerator with the brake pedal and as a result has not only failed his driving exam six times but also almost killed himself and his driving instructor He can t work on his college essay without writing a searing tell all But what s freaking Charlie out the most is that while his hormones are raging and his peers are pairing off he remains alone with his fantasies But all of this is about to change when a new guy at school begins to liven things up on the soccer team and in Charlie s life For the first time in his seventeen years Charlie will learn how it feels to be a star well at least off the field But Charlie discovers that even cool guys have problems as he embarks on a deliciously sexy risk filled journey from which there is no turning back

The Screwed Up Life of Charlie the Second is a funny honest and engaging book told with attitude and style Drew Ferguson is a talented writer with great comic timing and an eye for the absurd Bart Yates author of The Brothers Bishop and The Distance Between Us Drew Ferguson s debut novel is equally funny and smart and will strike eerily familiar chords in anyone who remembers the edgy frustrating sex obsessed days and nights of high school You ll love his narrator Charlie and you ll also love this book Scott Heim author of Mysterious Skin and We Disappear Look out Napoleon Dynamite here comes Charlie the Second In this page turning laugh riot Drew Ferguson captures the voice of Today s Teen conquering the daily drudge that is Life in the Midwest Colorfully candid unapologetically explicit yet touchingly tender The Screwed Up Life of Charlie the Second serves as a reminder to those who ve escaped from Small Town USA as to the reasons why Frank Anthony Polito author of Band Fags A terrific debut novel Drew Ferguson is one of the most
