He plunges into New York City in 1952, carrying along bad memories. In a new world fresh with possibilities, he holds fast to his father's promise of the American Dream, a dream that takes him far beyond anything he could have ever imagined. But amidst the exciting rise to triumph and success, tragedy strikes again, and the demons of his past return in vivid color to haunt him. Lost and bereft of his emotional compass, the man who thought he had it all loses his spirit. Is there a spark left in him to rise again? I want to share my story. One that is meant to bring the reader through the journey of my youthful desperation into a life of hope and inspiration. From a rustic childhood in my Greek village to the glittering heyday of NYC supper clubs, I want to share it all.
