James Russell Lowell

Alone With The Alone:

The Alone to the Alone Gwyn Thomas, 2008-10-21 The Alone to the Alone unites Gwyn Thomas's lyrical and philosophical flights of narrative in a satire whose savagery is only relieved by irrepressible laughter. It is Gwyn Thomas' most shaped work. The underlying meaning of South Wales history is not so much documented as laid bare for universal dissection and dissemination. The novel with its distinctive plural narration is a choric commentary on human illusion and knowledge on power and its attendant deprivation on dreams and their destruction.

Old and Alone Jeremy Tunstall, 2024-05-10 What is it like to be an isolated old widow living alone on the bare old age pension? In the 1960s the question had become a standard refrain. Originally published in 1966, this was the first full-length study by a sociologist of isolation in old age. Although the majority of old people were in no sense a problem group at the time, a substantial minority of the elderly were alone in one or more ways. About 1.3 million people aged sixty-five and over in Britain lived alone; a large number admitted to feeling lonely at least sometime. About a million were actually socially isolated in terms of low level and frequency of social contact. Mr Tunstall also uses a fourth category of aloneness, namely anomie, as developed by Durkheim, Merton, and Srole. This report uses careful and statistical analysis of the four types of aloneness and of specially affected groups such as the single, the recently widowed, and the housebound. But it also includes details of interviews with ten highly individual old people from suburban Harrow, booming Northampton, industrial revolution Oldham, and rural South Norfolk. The book contains a discussion of the problem of personality in isolation and a commentary on the inadequacies of social theory about old age. Finally, the concluding chapter suggests a wide variety of policy measures which might help to alleviate social isolation in old age.

I Never Walked Alone Shirley Verrett, Christopher Brooks, 2008-05-02 An inspiring self-portrait of a world-renowned African American vocal artist. This is a fascinating account of a gifted woman's coming of age and rise to success at a time when black classical musicians faced barriers at every turn. Shirley Verrett possessed a talent and ambition so dazzling she could not be denied, and she became one of the most celebrated artists of her time. *I Never Walked Alone* draws the reader into the world of this graceful, fiery artist, dramatically telling the story of her childhood and her brilliant international career. The book is filled with behind-the-scenes tales of this diva's great performances, roles, and collaborations, offering insight into her stormy personal relationships as well as her private struggles and critical decisions. Featuring forewords and afterwords by such figures as Luciano Pavarotti, Plácido Domingo, Zubin Mehta, and Claudio Abbado, this richly detailed book paints a vivid picture of a magnificent survivor and an indelible artist known around the world as the Black Maria Callas. Shirley Verrett, Ann Arbor, MI, and New York, NY, is currently Professor of Voice at the University of Michigan School of Music. Christopher Brooks is a biographer and award-winning musicologist.

Alone in the World? Van Huyssteen, 2006-04-12 In *Alone in the World* first given as the 2004 Gifford Lectures at the University of Edinburgh J Wentzel van Huyssteen develops the interdisciplinary dialogue that he set out in *The Shaping of Rationality* 1999 applying this methodology to the uncharted waters between theological anthropology and paleoanthropology Among other things van Huyssteen argues that scientific notions of human uniqueness help us to ground theological notions of human distinctiveness in flesh and blood embodied experiences and protect us from overly complex theological abstractions regarding the image of God Focusing on the interdisciplinary problem of human origins and distinctiveness van Huyssteen accesses the origins of the embodied human mind through the spectacular prehistoric cave paintings of western Europe fifteen of which are reproduced in color in this volume Boldly connecting the widely separated fields of Christian theology and paleoanthropology through careful interdisciplinary reflection *Alone in the World* will encourage sustained investigation into the question of human uniqueness

Directions of a Pastoral Lifetime William Flewelling,2015-03-20 I had been asked to do a Bible study when I began my first church out of seminary I agreed so long as I could do it my way In the fourth year of my work at Hilltop Christian Church in Mantua Ohio I chose to do the Song of Solomon known in many circles as the Song of Songs I was guided in the development in part by the then recent anchor Bible commentary by Marvin Pope The study influenced me greatly In the next decade or so I indulged a variety of works on the Song of Songs largely but not exclusively in the Christian mystical tradition In 1997 I found a way to work on a devotional development from the Song of Songs resulting in a work I found satisfying From those two major efforts a few minor ones arose I have collected here the ways in which the Song of Songs has woven into my work as a pastor
