Along The Path Studies In Kabbalistic Myth Symbolism And Hermeneutics:

Along the Path Elliot R. Wolfson, 1995-01-01 This book explores the fundamental issues in Jewish mysticism and provides a taxonomy of the deep structures of thought that emerge from the texts **New Paths in Jewish and Religious Studies** Glenn Dynner, Susannah Heschel, Shaul Magid, 2024-06-15 The work of Elliot R Wolfson has profoundly influenced the fields of Jewish studies as well as philosophy and religion more broadly His radically new approaches have created pioneering ways of analyzing texts and thinking about religion through the lens of gender sexuality and feminist theory The contributors to *New Paths in Jewish and Religious Studies* Essays in Honor of Professor Elliot R Wolfson many of whom are internationally renowned scholars hearken from diverse fields Each has learned from and collaborated with Wolfson as student or colleague and each has expanded the new scholarly directions initiated by Wolfson's groundbreaking work Wolfson's scholarship gives us innovative ways to think about Judaism and a fresh understanding of religion Not only a scholar Wolfson is one of the most important Jewish thinkers of our day Chapters are grouped according to the categories of religion Jewish thought and philosophy and a focused section on Kabbalah Wolfson's primary specialization The volume concludes with a bibliography of Wolfson's published work and a selection of his poetry **Rabbi Joseph Gikatilla's Hermeneutics** Elke Morlok, 2011 A revision of the author's thesis doctoral Hebrew University Jerusalem 2008 *The Art of Conversion* Harvey Hames, 2021-10-01 This book discusses Ramon Llull ca 1232 1316 the Christian missionary philosopher and mystic his relations with Jewish contemporaries and how he integrated Jewish mystical teachings Kabbalah into his thought system so as to persuade the Jews to convert Issues dealt with include Llull's attitude towards the Jews his knowledge of Kabbalah his theories regarding the Trinity and Incarnation the Art and the impact of his ideas on the Jewish community The book challenges conventional scholarly opinion regarding Christian knowledge of contemporary Jewish thought and questions the assumption that Christians did not know or use Kabbalah before the Renaissance Further it suggests that Llull was well aware of ongoing intellectual and religious controversies within the Jewish community as well as being the first Christian to acknowledge and appreciate Kabbalah as a tool for conversion **Alef, Mem, Tau** Elliot Wolfson, 2006-04-05 This highly original provocative and poetic work explores the nexus of time truth and death in the symbolic world of medieval kabbalah Demonstrating that the historical and theoretical relationship between kabbalah and western philosophy is far more intimate and extensive than any previous scholar has ever suggested Elliot R Wolfson draws an extraordinary range of thinkers such as Frederic Jameson Martin Heidegger Franz Rosenzweig William Blake Julia Kristeva Friedrich Schelling and a host of kabbalistic figures into deep conversation with one another *Alef Mem Tau* also discusses Islamic mysticism and Buddhist thought in relation to the Jewish esoteric tradition as it opens the possibility of a temporal triumph of temporality and the conquering of time through time The framework for Wolfson's examination is the rabbinic teaching that the word *emet* truth comprises the first middle and last letters of the Hebrew alphabet alef mem and tau which serve in turn as semiotic signposts

for the three tenses of time past present and future By heeding the letters of emet we discern the truth of time manifestly concealed in the time of truth the beginning that cannot begin if it is to be the beginning the middle that re marks the place of origin and destiny and the end that is the figuration of the impossible disclosing the impossibility of figuration the finitude of death that facilitates the possibility of rebirth The time of death does not mark the death of time but time immortal the moment of truth that bestows on the truth of the moment an endless beginning of a beginningless end the truth of death encountered incessantly in retracing steps of time yet to be taken between before beyond

Beguiling Guidance Adena Tanenbaum, 2025-09-22 The only Hebrew picaresque maq ma from Yemen Sefer hamusar captivates its readers with trickster tales of wandering and adventure while offering moral guidance and a spiritual ascent via kabbalistic study In Beguiling Guidance Adena Tanenbaum explores these tensions along with the literary social historical philosophical and kabbalistic aspects of Sefer hamusar and situates the work in its broader 16th century framework Applying a fresh reading she analyzes Al hir s maq ma as a rich repository of intellectual history treats his travel narratives as composites of fiction and fact and uncovers the cultural assumptions and self definitions underlying his representations of Muslims which she shows to be far more variegated and nuanced than previously acknowledged Beguiling Guidance should appeal to readers interested in transregional cultural exchange and the diffusion of texts pre modern fiction and travel writing and Muslim Jewish power relations in the late medieval early modern Middle East It also serves as an introduction to the vibrant culture of a Jewish community that traced its presence in South Arabia back to antiquity

The Kabbalistic Culture of Eighteenth-Century Prague Sharon Flatto, 2015-09-03 Sharon Flatto s comprehensive study offers the first systematic overview of the eighteenth century Jewish community of Prague and the first critical account

of the life and thought of its pre eminent rabbinic authority Ezekiel Landau Her detailed analysis firmly rooted in the historical and cultural context of the period challenges the conventional portrayal of Landau as a staunch opponent of esoteric practices and reveals the centrality of kabbalistic thought in this key central European city *The Generations of Adam* Isaiah Horowitz,1996 Here is a first time English translation of a seventeenth century classic of Jewish literature that deals with many of the most important issues addressed by Kabbalists since the late twelfth century Horowitz c 1570 1626 served as rabbi of several of the most important European Jewish communities before becoming Chief Ashkenazic Rabbi of Jerusalem in 1621 Publisher description **The Serpent Kills Or the Serpent Gives Life** Robert Sagerman,2011-01-07 Representing a careful contextual study of the writings of the influential Jewish mystic Abraham Abulafia 1240 c 1291 this book demonstrates that an inner dynamic of attraction and revulsion toward Christianity shaped Abulafia s mystical hermeneutic and meditative practice [The 32 Secret Paths of Solomon: A New Examination of the Qabbalah in Freemasonry](#) Timothy Hogan,2009-02-04 The 32 Secret Paths of Solomon is a new examination of the role of Qabbalah in Freemasonry This book explores how Freemasonry holds certain keys which reveal a completely new perspective to the Qabbalistic science Qabbalah is mentioned many times in the degrees of Freemasonry and this book explores why an understanding of Qabbalah is important in order to truly understand Masonic ritual This book also publishes for the first time gematria correspondences which are found within Masonic ritual and it demonstrates how Freemasonry holds the keys to understanding a different layout of the Qabbalistic Tree than has ever been published before This book will be of value to both the new and old student of the Qabbalistic science **Suckling at My Mother's Breasts** Ellen Davina Haskell,2012-11-06 One of Kabbalah s most distinctive images of the feminine divine is that of a motherly breastfeeding God Suckling at My Mother s Breasts traces this idea from its origins in ancient rabbinic literature through its flourishing in the medieval classic Sefer ha Zohar The Book of Splendor Taking the position that kabbalistic images provide specific detailed models for understanding the relationship between God and human beings Ellen Davina Haskell connects divine nursing theology to Jewish ideals regarding motherhood breastfeeding and family life from medieval France and Spain where Kabbalah originated Haskell s approach allows for a new evaluation of Kabbalah s feminine divine one centered on culture and context rather than gender philosophy or psychoanalysis As this work demonstrates the image of the nursing divine is intended to cultivate a direct emotional response to God rooted in nurture love and reliance rather than knowledge sexuality or authority ["And They Shall Be One Flesh": On The Language of Mystical Union in Judaism](#) Adam Afterman,2016-08-29 In And They Shall Be One Flesh On the Language of Mystical Union in Judaism Adam Afterman offers an extensive study of mystical union and embodiment in Judaism Afterman argues that Philo was the first to articulate the notion of unio mystica in Judaism and is the source of the hen sis mysticism in the later Neoplatonic tradition The study provides a detailed analysis of the Jewish medieval trends that developed different forms of mystical union and mystical embodiment through the divine

name and spirit The book argues that the development of unitive mysticism in Judaism is the fruit of the creative synthesis of rabbinic Judaism and Hellenistic and Arab philosophy and a natural outcome of the theological articulation of the idea of monotheism itself **Zohar**, 2002 The best selling author of The Essential Kabbalah now offers readers the best introduction to the Zohar The splendor and enigmatic appeal of the Zohar the major text of the Jewish mystical tradition has never intrigued readers of all faiths more than it does today But how can we truly understand it Daniel C Matt brings together in one place the most important teachings from the Zohar the cornerstone of Kabbalah described as a mixture of theology mystical psychology anthropology myth and poetry alongside facing page stories notes and historical background that illuminate and explain the text Ideal for the first time reader with no prior knowledge of Jewish mysticism Guides readers step by step through the texts that make up the Zohar midrash mystical fantasy commentary and Hebrew scripture and explains the inner meanings of this sacred text recognized by kabbalists as the most important work of mystical teaching in a way that is both spiritually enlightening and intellectually fascinating *Kabbalah in Italy, 1280-1510* Moshe Idel, 2011-01-01 This survey of the history of Kabbalah in Italy represents a major contribution from one of the world's foremost Kabbalah scholars Idel charts the ways that Kabbalistic thought and literature developed in Italy and how its unique geographical situation facilitated the arrival of both Spanish and Byzantine Kabbalah Hasidic Art and the Kabbalah Batsheva Goldman-Ida, 2017-10-10 Hasidic Art and the Kabbalah presents eight case studies of manuscripts ritual objects and folk art developed by Hasidic masters in the mid eighteenth to late nineteenth centuries whose form and decoration relate to sources in the Zohar German Pietism and Safed Kabbalah Examined at the delicate and difficult to define interface between seemingly simple folk art and complex ideological and conceptual outlooks which contain deep abstract symbols the study touches on aspects of object history intellectual history the decorative arts and the history of religion Based on original texts the focus of this volume is on the subjective experience of the user at the moment of ritual applying tenets of process philosophy and literary theory Wolfgang Iser Gaston Bachelard and Walter Benjamin to the analysis of objects *Supernal Serpent* Andrei A. Orlov, 2023 *Supernal Serpent* is a wide ranging study of Jewish and Christian traditions about Leviathan as the underworld's ruler the foundation of the world and the embodiment of evil It explores the Leviathan tradition in its full historical and interpretive complexity through a broad variety of texts ranging from ancient West Asian accounts to later rabbinic and Muslim sources paying special attention to the imagery found in the Book of Job the Book of Revelation and the Apocalypse of Abraham The book demonstrates that in some Jewish materials Leviathan is envisioned as a living embodiment of the most profound divine mysteries which are preserved by God from the beginning of creation to be revealed fully in the end of times **Messias Puer: Christian Knorr von Rosenroth's Lost Exegesis of Kabbalistic Christianity** Anna M. Vilenov, Robert J. Wilkinson, 2020-12-15 Previously considered irretrievably lost the discovery of the only manuscript of the *Messias Puer* composed by Knorr von Rosenroth the leading exponent of Christian Kabbalah in the seventeenth century gives

us an important insight into the evolution of his thought and specific vision of the relations between Jews and Christians Moreover the subtle intertwining of both Kabbalah and the emerging biblical criticism at work in this partial commentary on the New Testament Gospels sheds new light on the largely unexplored role of Esotericism during the Modern Era in the construction of the future study of religion This book includes a critical edition of the original manuscript and an annotated translation
