Golden Rule Martha Fehr M.A.,Wes Fehr Ph.D.,2011-03-18 I believe that the Bible teaches assertiveness as the most mature biblical way of living In very simple terms assertiveness is when we say Come sit with me Let s talk about our relationship What is working for us and what needs to change When we are assertive we do not run and hide from relationship difficulties neither do we demand that things are done our way Instead we face the problems head on and in a calm but firm manner we address the issues that need to be resolved When I have been privileged to help people become assertive they have not only improved their interpersonal relationships they have developed a healthier self esteem and for people with a faith in God that relationship has also deepened Because I have seen such positive changes in the clients I have worked with I have become passionate about the importance of being assertive My own relationships have also improved when I have practiced assertiveness Before I worked as a counselor I taught school for several years Later as a counselor I wished that someone would design a course on assertiveness that could be used in the classroom If children would learn the value of assertive behavior early in life they would struggle less with relationships throughout their lives **Qualitative Research Methods**
