## ALTAI HIMALAYA

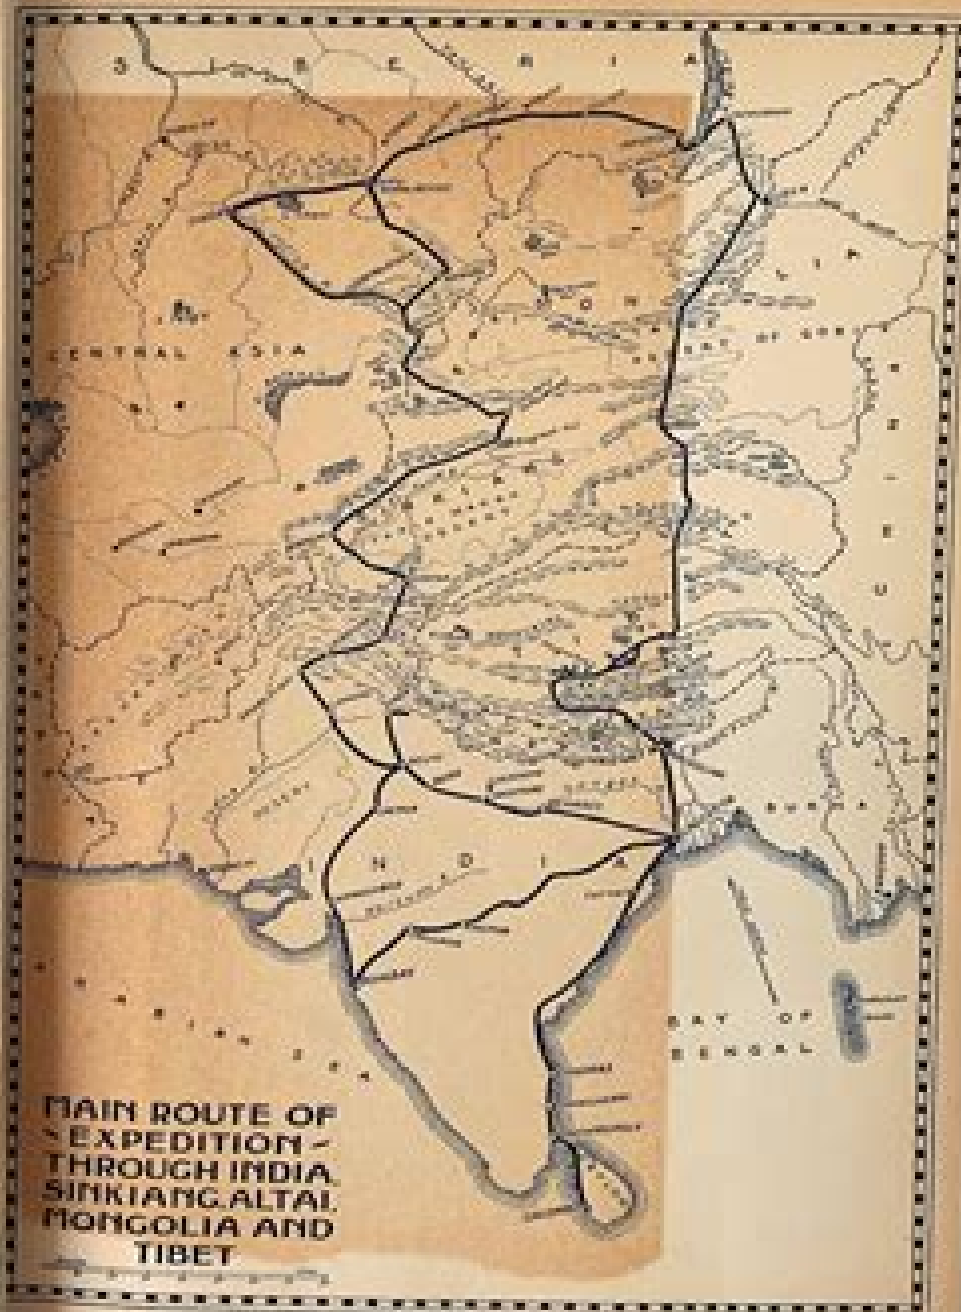

By NICHOLAS ROERICH

*Nicholas Roerich, world renowned Russian artist, painter, poet, author, and traveler, has written this book through the mystical lands of India, Tibet, China, Persia, and Siberia.*

Roerich has for thirty-five years been one of the greatest figures in continental art and culture. Nicholas Roerich came to America in 1910 at the invitation of the Chicago Art Institute, which arranged a tour of two hundred of the artist's paintings through twenty-eight cities of America. His influence in America is shown by the location of the Roerich Museum in New York City, a veritable shrine of this master's work, holding 75 of his paintings. In addition, more than two of his paintings are in the leading museums and art collections of the world.

In his diary he sets down each moment of the journey as he lives it. He writes down his thoughts and impressions much as an artist would take quick sketches. He notes all manner of men, rocks and trees, high and low. He travels in the Inner Palace of the Dalai Lama, visits ancient monasteries, discovers new pilgrims and monks and discovers signs of a new awakening and a testimony of ancient prophecies. He tells of old manuscripts and traditions, referring to the lives of Christ and Buddha, who find their same paths and preached in those same places of Gandhara and Buddha, and other great teachers and prophets of hardships, blood, suffering, pilgrimages, and death. He writes, "I am, I feel, I believe, that through it all symbols that there is a hope for a new unity of East and West."

Illustrations by Clarence Swenson. With many illustrations and an outline map.

**Altai--Himalaya** Nicholas Roerich,1929      Altai-Himalaya Nikolaj Konstantinovič Rerich,1996 Nicholas Roerich's classic 1929 mystic travel book is back in print. He kept a diary of his travels by yak and camel through a remote region still largely unknown today. An intellectual as well as an adventurer, he chronicles his expedition through Sinkiang, Altai, Mongolia, and Tibet from 1924 to 1928 in twelve exciting chapters detailing his encounters along the parched byways of Central Asia. With a special interest in geographical mysteries and arcane and mystical arts, he searches for the hidden cities of Shambhala and Agartha. Roerich's original drawings as well as reproductions of his inspiring paintings illustrate this unique travel book.

**Altai-Himalaya** Nicholas Roerich, 2017-11-20. Excerpt from *Altai Himalaya A Travel Diary*. Whether one believes this or not, it would be hard to imagine a better ambassador of good will from the West to the East for the reason that although he represents the summit of European accomplishment and culture, Roerich is deeply Oriental in his temperament, sympathies, and point of view.
