## **Altars Of The Heart:**

**The Altars of the Heart** Richard Leiber, 1957 Grace Eberly is a sensible middle aged American schoolmistress who collected pleasant meories as some people collect butterflies and tried to take a trip abroad every summer Her character is undermined by frustration by the longing for the love she has never known Deceived by an inhuman Italian doctor the tragedy rises to a climax of horror in the sultry heat of a Roman summer **MYSTERY OF ALTARS** ISAIAH MACWEALTH, As we will see in this book an altar is a technology for communicating and teleporting between two realms It is a mystery that is replete all over the scriptures from Genesis to Revelation Before the Law the revelation of altars existed and in the Law altars existed We also see altars in the New Testament and even in the Book of Revelation The revelation of altars is thus key to spiritual power and this is why the people of the occult world and the kingdom of Satan do not joke with it Unfortunately the church that should be the custodian of the revelation of altars has since lost its principles Churches now have stages instead of altars This is sad In the past kings and other great leaders revered the church It was the Queen of Scotland that said I fear the prayers of John Knox more than all the assembled armies of Europe Where is the Lord God of Elijah who fought the prophets of Baal after repairing the altar of God Where is the Lord God of Moses who brought Israel out of Egypt and parted the Red Sea Where is the God of Joshua who caused time to stand still As a church and as individuals if we would see the power of God as of old we must learn again the principle of altars We must set our hearts to understand sacrifice the blood of Jesus and the power of prayer We must understand how to set up an altar and learn how to shut and open portals in the realm of the spirit through the technology of altars We must also learn how to legalize and criminalize altars and how to furnish our altars with blood We must not be ignorant of the impact of family altars and the altars through which we are attacked as the Body of Christ We must align our heart altar with heaven s altar to bring heaven s power to the earth as only the power of God can do the work of God In this book I will share with you many deep secrets many of which will be new to you I advise you to take time to meditate and research for yourself The Lord has trusted me with so much revelation for our day and not only have I taught these I have seen the results and testimonies abound This is why in the appendix of this book I have shared testimonies from some of the people who have practiced the revelation published in this book because the results cannot lie I pray for you that as you read you will receive insights by the power of the Holy Ghost God bless you *Altars of the Heart* Thom Gardner, 2003 **The Last Mandeville.
