Alvin York Douglas V. Mastriano, 2014-02-20 Alvin C York 1887 1964 devout Christian conscientious objector and reluctant hero of World War I is one of America's most famous and celebrated soldiers Known to generations through Gary Cooper's Academy Award winning portrayal in the 1941 film *Sergeant York* York is credited with the capture of 132 German soldiers on October 8 1918 in the Meuse Argonne region of France a deed for which he was awarded the Congressional Medal of Honor At war's end the media glorified York's bravery but some members of the German military and a soldier from his own unit cast aspersions on his wartime heroics Historians continue to debate whether York has received more recognition than he deserves A fierce disagreement about the location of the battle in the Argonne forest has further complicated the soldier's legacy In *Alvin York* Douglas V Mastriano sorts fact from myth in the first full length biography of York in decades He meticulously examines York's youth in the hills of east Tennessee his service in the Great War and his return to a quiet civilian life dedicated to charity By reviewing artifacts recovered from the battlefield using military terrain analysis forensic study and research in both German and American archives Mastriano reconstructs the events of October 8 and corroborates the recorded accounts On the eve of the WWI centennial Alvin York promises to be a major contribution to twentieth century military history
