Always My Love:

Forever and Always, My Love Renee Barton, 2022-09-14 With having the love of her life back how will Renee deal with all the new changes and challenges that have followed along with it Her world has been completely changed within the blink of an eye more than once and she has been finding out more about her own self as time goes by So many unanswered questions just keep piling up because how in the world did she become the beast that she is and why have the gods chosen her out of everyone in the world to be this special someone How will she explain her youthfulness to her mortal family while they grow older and she doesn't It's a struggle that she must deal with on a daily basis because the answers to all these questions and many more haven't been revealed just yet The saga continues and the only way to find out what happens next is to keep reading

Always My Love Carla Simpson, A promise made a love stronger than even death itself It began like a dream that slowly washes over the senses teasing promising with half formed images The cool shadows of Ombre Rose surrounded her and she felt herself drifting All about she heard the murmur of the leaves the sigh of the breeze through the overgrown vines and flowers Promise me The words came from somewhere she couldn't seem to remember where It was then she felt it or perhaps only imagined it the lightest touch against her cheek like the breath of the wind Forever Promise me An incredible warmth wrapped around her almost as if someone's arms embraced her She might have struggled except for the arms that held her She might have cried out except for the lips that caressed her lips her cheek then retraced each touch with a fiery heat that left her breathless Was it a moment an hour a day Was it even real

The Seeds of My Love Carolyn Majors, 2010-06-30 THE SEEDS OF MY LOVE is a book of prayers and insights of hope learning help and comfort They are given to the individual soul as prayerful thoughts to help bring peace and joy into many situations in life They also have a much broader influence for as we experience our own insights and comfort we can then bless others as well As we experience a new awakening of love we can then give love As we receive hope in our hearts there is hope for many and as we receive comfort we can then bring comfort to those in our lives Our world is caught up in evil in many ways indecency immorality greed violence hatred and disrespect for human life We need to bring new life to the earth by kindness love goodness holiness and respect We need to plant the seeds of God's love in our part of the world This is our task We need flowers again on the earth the spiritual flowers of brotherly love compassion human dignity and worth We need an Easter resurrection over all of the earth May each of us be a part of this resurrection
