Bursey,2024-10-11 Around the year 1749 a young Irishman named Peter Kerrivan deserted the British Navy by jumping ship in a small fishing village on the east coast of the Avalon Peninsula of New Founde Lande The Society of Masterless Men follows the true story of Kerrivan and a ragtag band of young Irish runaways as they are forced to live together in a remote unsettled area of the island known as the Butter Pot Running from harsh slave like conditions imposed upon them by cruel fishing masters and brutish naval officers this small group of deserters learn to survive the harsh and unforgiving environment of a yet untamed land As the men become a society unto themselves they survive by trading with the indigenous people and by raiding the homes and fishing rooms of local citizens This is first and foremost a love story It is the tale of Peter Kerrivan and his fierce love for his friends and his newfound home exceeded only by his undying love for freedom It is also a story of reckless romantic love as Peter finds himself charmed by the well bred English lady Abigail fianc e to the very man leading the hunt to try to capture his men Englishman Sir James Freeman As the Society s infamy and renown spreads rapidly across the Avalon Peninsula Kerrivan s secret affair with Abigail puts his life and the lives of his small community in great danger The Society of Masterless Men is an exciting tribute to the human will to survive to our need for community and belonging and to our innate desire to triumph over tyranny and oppression It is also a

tribute to Irish Canadians and immigrants from other cultures many of whom were forced to come to Newfoundland and Labrador It is a nod to their undying spirit that perhaps unknowingly has become the backbone of the greatest province in Canada
