Rushby, 2025-09-23 A gothic feminist body horror in two timelines revolving around three Anatomical Venuses ultrarealistic wax figures of women that come to life at night to murder men who have wronged them Seoul present day Antiques dealer Alys's task is nearly complete She has at last secured Elizabeth the final anatomical Venus in a dangerously intertwined trio Crafted in eighteenth century London and modeled after real life sex workers to entice male medical students to study female anatomy these eerie wax figures known as slashed beauties carry unsavory lore Legend has it that the figures are bewitched and come to life at night to murder men who have wronged them Now Alys embarks for England where she knows what she must do sever her cursed connection to the Venuses once and for all London 1763 Abandoned and penniless in Covent Garden wide eyed Eleanor and another young woman Emily are taken under the wing of beautiful and beguiling Elizabeth one of the city's most highly desired courtesans But as Eleanor is seduced deeper into a web of money materialism and men it seems that Elizabeth may not be the savior she appears to be As past and present begin to intersect it becomes clear that the women's stories are linked in deeper darker ways than it initially seems And that the only method for Alys to end the witchcraft that binds her legacy is to gather all three models in one place and destroy them The problem is Elizabeth is not ready to burn Far from it Centuries on she is determined to rise again and she will obliterate anything standing in her path Including Alys herself **A Woman by Design** Frances Kennett, 1989-10 Reminiscent of *Scruples* and *A Woman of Substance* here is a fresh richly detailed novel about one of fashion's first female couturieres who rose from poverty to wealth fame and independence in the glittering society of London Paris and New York Reprint from Random House *The Beast Is an Animal* Peternelle van Arsdale, 2017-02-28 A girl with a secret talent must save her village from the encroaching darkness in this achingly poetic Kirkus Reviews and deeply satisfying tale Alys was seven the first time she saw the soul eaters These soul eaters are twin sisters who were abandoned by their father and slowly grew into something not quite human And they feed off of human souls When her village was attacked Alys was spared and sent to live in a neighboring village There the devout people created a strict world where fear of the soul eaters and of the Beast they believe guides them rule village life But the Beast is not what they think he is And neither is Alys Inside Alys feels connected to the soul eaters and maybe even to the Beast itself As she grows from a child to a teenager she longs for the freedom of the forest And she has a gift she can tell no one for fear they will call her a witch When disaster strikes Alys finds herself on a journey to heal herself and her world A journey that will take her through the darkest parts of the forest where danger threatens her from the outside and from within her own
