Alzheimer's Disease Wayne A. Caron, James J. Pattee, Orlo J. Otteson, 2001-05 The Emotional Journey of the Alzheimer's Family Robert B. Santulli, MD, Kesstan Blandin, PhD, 2015-03-22 Alzheimer's disease is a growing public health crisis According to the Alzheimer's Association there are 5.4 million victims of this disease by 2050 there will be close to 15 million people who suffer from this debilitating disorder of memory thinking personality and functioning The disease profoundly affects immediate family members close friends and neighbors These people the Alzheimer's family undergo tremendous psychological and emotional change as they witness the cruel and relentless progression of the disease in their loved one Incorporating over thirty years of experience with Alzheimer's patients and their families with current medical knowledge the authors chart the complex emotional journey of the Alzheimer's family from the onset of the disease through the death of the loved one They discuss the anger that rises in the face of discordant views of the disease the defenses that emerge when family members are unwilling to accept a dementia diagnosis and the common emotions of anxiety guilt anger and shame They focus especially on grief as the core response to losing a loved one to dementia and describe the difficult processes of adaptation and acceptance which lead to personal growth Final chapters emphasize the importance of establishing a care community and how to understand and cope with personal stress This volume will be useful to medical professionals and ordinary people close to or caring for a person with dementia Alzheimer's Disease and the Family Joy S. Martyniuk, 1990 Losing Everything S. P. Murray, 2017-12-12 *Losing Everything A Family's Journey with Alzheimer's Disease* is written about our long journey with Mom and her illness as well as how this disease has impacted our lives Alzheimer's is a thief that slowly robs families of loved ones long before their lives end This book is in memory of the mother we once knew and even though she is still alive she was stolen by this disease and is now forever lost to us Mom is sick and getting sicker each day Once Mom became ill I began keeping a journal with the idea that it might help Mom's memory Of course it did not Instead the journal is a series of anecdotes that touches on all the core emotions that we feel anger frustration laughter and most importantly love *Guide to Ministering to Alzheimer's Patients and Their Families* Pat Otwell, 2008-05-19 Learn how to develop an effective Alzheimer's ministry The Guide to Ministering to Alzheimer's Patients and Their Families examines the importance of spirituality in dealing with the everyday challenges of this mysterious disease Not a how to manual with step by step instructions or tried and true formulas this unique book instead examines the essential elements of ministering to dementia patients based on the first hand accounts of family members living through pain and uncertainty The book explores the stages of Alzheimer's grief and guilt available resources and implications of spiritual care for patients and families It is equally useful as a textbook for graduate and undergraduate work a reference for study groups and seminars and a primer for those with limited knowledge of the illness Ministers sometimes neglect Alzheimer's patients and their families because they feel they don't know what to say or do even though they want to be obedient and faithful

servants in this specialized ministry The Guide to Ministering to Alzheimer's Patients and Their Families communicates the thoughts feelings and needs of those affected by the disease to help ministers feel more comfortable confident and competent as they develop a theological understanding of God Alzheimer's patients and their role in ministry The book also provides models for ministry role play scenarios a sample text for a care facility worship service a care facility memorial service and a funeral service for a Christian and a non Christian as well as a sample clergy seminar program on Alzheimer's ministry The Guide to Ministering to Alzheimer's Patients and Their Families examines common characteristics of early mild moderate and severe Alzheimer's general information about Alzheimer's ethical decision making support group ministry respite care religious rites faith issues heredity hospitalization of Alzheimer's patients long distance caregiving working with other clergy The Guide to Ministering to Alzheimer's Patients and Their Families also includes a special appendix of selections from the Scriptures This book is a unique resource for all Christians who desire to minister to those affected by Alzheimer's especially pastors priests chaplains pastoral counselors church leaders healthcare professionals and seminary students *The Long Road Home: Helen's Journey with Alzheimer's*, *One Family's Journey Through Alzheimer's* Mary B. Walsh, 2000 Mary B Walsh and her husband made a promise to his grandmother that she would never be placed in a nursing home After the family moved to Pennsylvania she was diagnosed with Alzheimer's and the family held to its promise of care Told with humor love and compassion this is the story of how that decision affected the entire family It is a book that will encourage anyone in a similar situation and show that despite the illness the rest of life does not stop *A Families Journey with Alzheimer's Disease* Bob Sh'mal Ellenberg, 2019-03-08 The book is about the author and his father who had Alzheimer's disease Because of the author's experience with people with AD he knew he could care of his father There was family conflict since the author's mother did not want her husband to live too far from her The son showed complete compassion for both his parents finally agreeing on an assisted living facility The author discusses the many trips he took to visit his father and his mother who was still living in their condo The author's mother was a very conflicted woman who was adamant about all she believed but sadly was obviously at times confused There were many quarrels between the mother and son After twelve months in assisted living the author brought his father to his home The son wanted to do his best once his father was in his home but having three young children living with him and working full time in a hospital as a social worker none of it was easy The author concludes this trying emotional story with a trip to Denver Colorado Before the author leaves two women friends did a shamanic ritual with him telling him he has to visit Crestone Colorado This visit becomes an unexpected mystical retreat for the author that also proved to have a bonded connection with his father *Some Field Family Journeys* Warren James Field, 2011-06-14 There is no available information at this time *Early Psychosocial Interventions in Dementia* Jill Manthorpe, Esme Moniz-Cook, 2008-11-15 This comprehensive guide covers everything from the symptoms and diagnosis of dementia to community and residential care options support for carers ethical and legal considerations end of life decisions

and the latest research and treatment options It will demystify the condition and be an invaluable resource for relatives and professionals *The Emotional Journey of the Alzheimer's Family* Robert B.
