Am I Me Or Darwin's Monkey Man Evolution Marcus A. Greaves, 2005-09 This book is divided into three sections and every person on this planet will find a resemblance of self in one of these sections because it encompasses a large circle of earthly as well as heavenly principles of living and from whence he or she could begin to learn past mistakes and learn how to resolve them in totality In this book you will learn of the new science of Cosmology of the date and even the year of the birth of New Solar Planes the ineffable power of the adepts the elegance and beauty of the inhabitants of Solar Planes the exquisite beauty of wildlife especially the birds that are of every possible color their soft plumages their beautiful songs the suave perfume of every species of plant and the beautiful flowers shedding their fragrances in the air This book leads you from A to Z the circle of the ONE in which you will find your oneness in that Infinite Ineffable Force of Life and Love It will take you beyond the Mayan civilization in the Andes of South America beyond the Yucatan excavations in Central America to the mysteries of Egypt where the pyramids were built by the power of Thought and stones of immense size and weight were levitated by thought forms It will take you to the Stonehenge at Silbury Hill in Great Britain where thought process was also used to construct cathedrals and other great monuments You will need no more of such dead and earthly proofs of your identity Your true EYE dentity is forever with you like your shadow We can have proof of reincarnation by studying the eyes of newborn children The Prince of Heaven who is guardian of the throne of the Godhead the invincible Archangel Michael reveals this wonderful inestimableknowledge to us Some of the most conflicting arguments theories hypotheses and philosophies about the formation of the earth and the appearance of its inhabitants have soared high in heated discussions by scientists Bible students and philosophers but the most contradictory one is Darwin s writings on the evolution of man from Anthropoids and Denying Creation By A Supreme Being Man began his earthly life under ideal conditions with every opportunity to live as a Unit of the Infinite ONE in the Image of God his CREATOR Can you conceive God in the image of and shape of an anthropoid an ape What utter blasphemy and ignorance Everything was of intense beauty perfection and under ideal climatic conditions There was no fall of man in this early epoch In the first section you will learn of the evil intent of genetic engineering and cloning upon mankind and how genetic engineering began four million years ago since the fall of man You will also become aware of the schemes of some scientists to ensnare their genes in other animals and vice versa by mixing and combining man s genes with those of animals of all kinds And because of these combinations these scientists tell us that the swine contains 99.6 percent of the human genes or man has 99.6 percent of the genes of pigs therefore we evolved from vertebrates But regardless of what is written in any other book man was first in existence back to the creation of the third UNIVERSE It reveals how these plots have enslaved mankind for millions of years and have robbed him of good health and his God consciousness as well as the true knowledge of who he really is especially when Darwinism teaches that man evolved frommonkeys There is a complot at every level of man s existence against his spiritual progress and those who

are not aware of this can utterly follow the left handed path Our food as well as our bodies is being genetically engineered Our health is being threatened by so many dangerous chemicals that are used in pesticides and herbicides that poison our brain and to modify our genes From the level of the political and some religious organizations through the schools and science classes of Biology down to the bankers and corporations there is
