Common School Assistant ,1836 Silent Cry Dywane D. Birch,2014-09-30 Silent Cry is the story of K wan Taylor the now 14 year old son of Syreeta and Randall Taylor from Beneath the Bruises Strebor 2012 who withstood his father's tirades by wishing praying and hoping his father would disappear Feeling helpless and hopeless K wan spent most of his young life burdened with the pressure of believing he had to protect his mother from his father's abuse but not knowing how K wan makes his way to a residential treatment facility for adolescent males where he begins slowly to heal his wounds **The Cry** Kristen Maddox,2015-12-23 One in three women will have an abortion Forty five percent will have more than one I am one in three I am one in forty five percent I am not alone I was sixteen years old when the cry began It was a silent screaming within my soul that I felt sure everyone could hear I carried the cry for fifteen years before I was able to identify it It started the day I had my first abortion A simple outpatient procedure we will remove the mass of tissue You're young you have your whole lives ahead of you to have children You're making the right choice I believed them My choice led me down a dark path of self destructive behavior that lasted for ten long years I was desperate to be free God if you can hear me please help me make it stop I cried Jesus heard my cry and healed the aching in my heart What is post abortion syndrome Will God heal me after what I did How can I be free These were all questions that I had If you are struggling with a past abortion or if you have been carrying a cry you are not alone Whether you have had one abortion or multiple abortions only He can heal the damage that abortion causes Jesus sees your pain and longs to heal you You have a choice to make You can allow the Lord to heal you or you can continue to carry the cry Reconnecting with Your Estranged Adult Child Tina Gilbertson,2020-04-28 Parents whose adult children have cut off contact wonder How did this happen Where did I go wrong What happened to my loving child Over time holidays birthdays and even the birth of grandchildren may pass in silence Anguish may turn into anger While time in and of itself does not necessarily heal actions do and while every estrangement includes situation specific variables there are practical effective and universal techniques for understanding and healing these not uncommon breaches Psychotherapist Tina Gilbertson has developed these techniques and tools over years of face to face and online work with

parents who have found her strategies transformative and even life changing Gilbertson cuts through the blame shame and guilt on both sides of the broken relationship Parents will feel heard and understood but also challenged and guided to reclaim their role as stone setter and grow psychologically Exercises examples and sample scripts empower parents who have felt powerless Gilbertson shows that reconciliation is a step by step process but the effort is well worth it It is never too late to renew relations and experience better than ever bonds
