## Amana Grass:

Amana Grass Jon Silkin, 1971-01-01      **Double Lyric** Merle E. Brown, 2025-07-01 Originally published posthumously in 1980 this book centres on 5 British poets Geoffrey Hill Philip Larkin Jon Silkin Thom Gunn and Charles Tomlinson and on the emergence in postwar British poetry of double lyrics poems which have according to the author become two persons two ways of expressing and attending critically in dramatic divisive conflict The nature and significance of the double lyric is first demonstrated by close readings of Silkin's Defence Tomlinson's Prometheus and Hill's In Piam Memoriam Further chapters focus on the impressive poems which have arisen out of the stress between ideological commitment and imaginative realization in Silkin's work the conflict between intuition and perception in the poetry of Tomlinson and the split between the texture of Gunn's language and the non verbal experience evoked in his poems Finally Merle Brown presents the last phase of F R Leavis collaborative literary and cultural criticism as strikingly close to the poetic achievements of Hill Silkin

Outposts, 1972      Beyond Marginality Efraim Sicher, 2012-02-01 In a unique study of Anglo Jewish writers in the post war period Dr Sicher traces through their works the story of the rise of the Jewish community from slum poverty to suburban affluence This period is one of crucial social change in Britain At the same time Dr Sicher raises serious questions about the modern writer's cultural and ethnic identity In this process Dr Sicher advances the thesis that under the impetus of the Holocaust the more traditional conflict between Jewish roots and assimilation has been succeeded by a reassessment of identity and morality Dr Sicher's perspective on this particular period of literature is a highly original one and it should provoke creative reconsideration of other contexts and times as well      *Honey, I Bought an Airplane* Bob

Hechlinski, 2012-07-25 No one else ever took a trip like this Nearly 600 trips actually But who cares I thought when first approached to edit the manuscript for this book about flying into every little airport in Indiana then moving on to those in surrounding states Pilots Perhaps Even so I'm a writer not a pilot And Bob Hechlinski is a pilot not a writer Except Bob has an insatiable curiosity about people places events you name it To him an airport is more than a name or a spot on a map He's a great listener He has ears and eyes for detail nuggets that many people either overlook or don't connect with other nuggets like dots on a page to create picture after picture after picture And Bob has a gift for gab Storytelling if you will So if you believe as I do that writing is talking when you can't be there give this book a listen Hear things you never knew about John Dillinger Al Capone a WWII pilot named O'Hare back road encounters on Mackinac Island and not flying under the bridge out maneuvering storm clouds the Oshkosh air show close knit neighborhoods with hangar garages airports in Ohio police in Gary Indiana the link between Northwestern University and a historic Lake Michigan passenger ferry tragedy how a teenagers Happy Birthday flight launched a career and more Much more Some people read books from page 1 the opening line hooks them Others check the ending first If I like how it ends I'll like getting there With Honey feel free to start in the
