The fictions of Arthur Cravan Dafydd Jones, 2019-02-18 The first comprehensive English language account and critical reading of the legendary poet and boxer Arthur Cravan a fleeting figure on the periphery of early twentieth century European avant gardism *The Poet and Boxer Arthur Cravan* Geoffrey Godbert, 2006-01-01 **Works of Arthur Cravan** A. G. O'meara, Arthur Cravan, 2014-11-20 The man sometimes known as Arthur Cravan made a reputation for himself partly through violent theatrics He shot a gun over the heads of his audience he threw a boxing match in order to gain funds to traverse the ocean to New York City and finally in an act of great negation he got lost on a sail boat in the gulf of Mexico and never returned A defiant proletarian Cravan writes in such a way that spits in the face of his contemporary artists for their haughtiness and their old age as well as for their lack of interest in danger and women It s no wonder that the surrealists and the Situationists gravitated toward him The Dada Painters and Poets Robert Motherwell, 1989 Presents a collection of essays manifestos and illustrations that provide an overview of the Dada movement in art describing its convictions antics and spirit through the words and art of its principal practitioners **How it was Done in Paris** Leonid Livak, 2003 Here reintroduced into literary circulation is an ignored yet rich and original page in Russian literary history the unnoticed generation of Russian writers who took up residence in France after the Bolshevik coup of 1917 Leonid Livak analyzes the position of these writers in the context of French modernist literature examining the ways in which French literary life influenced migr artistic identities and oeuvre The book challenges commonly accepted notions of migr isolation from French literature and culture and is instrumental in reaching a fuller understanding of the cultural mechanisms involved in the effort by an expatriate community to carry on a creative existence *Cravan Mystery Man of the Twentieth Century* Mike Richardson, 2015-03-11 This is a true story about the most interesting person you ve never heard of Arthur Cravan major figure in pre WWI cutting edge art circles was among the greatest mysterious figures of the Twentieth Century A self confessed thief forger and con artist he used a roster of assumed names and false identities He was known at various times as a novelist poet painter art critic lecturer publisher and the lightweight boxing champion of France Always a rebellious restless spirit this dedicated rule breaker was a political radical whose friendship with Leon Trotsky earned him the surveillance of the U S government even through his immigration to Mexico with his wife the poet Mina Loy In 1918 at the age of thirty one the fascinating physical giant vanished without a trace and despite several supposed sightings over the years was never seen again Is it possible that he became the mysterious reclusive novelist B Traven who wrote *The Treasure of the Sierra Madre* *Dada and After* Alan Young, 1983 **Arthur Cravan** Jack Manini, 2018-04-18 **Leaving The Twentieth Century** McKenzie Wark, 2024-08-20 The acclaimed history of the groundbreaking Situationist movement The Situationist International which leaped to the fore during the Paris tumult of 1968 has extended its revolutionary influence right up to the present day In *Leaving the Twentieth Century* the movement is captured for the first time in its full range and

diversity McKenzie Wark traces the group's development from the bohemian Paris of the 50s to the explosive days of May 68. She introduces the group as an ensemble revealing the work and activities of thinkers previously obscured by the reputation of founding member Guy Debord. Roaming through Europe and exploring the vital lives of its members including Constant Asger Jorn, Michel Bernstein, Alexander Trocchi, and Jacqueline de Jong, Wark uncovers a group riven with conflicting passions. She follows the narrative beyond 1968 to the Situationists International's disintegration and beyond the ideas of T. J. Clark, the Fourierist utopia of Raoul Vaneigem, Ren Vignet's earthy situationist cinema, Gianfranco Sanguinetti's pranking of the Italian ruling class, Alice Becker-Ho's account of the anonymous language of the Romanians, and Debord's late films and his surprising work as a game designer. *Arthur Cravan*, 1992-01-01 *Bizarrism* Chris Mikul, 1999 A funny and entertaining look at outlandish ideas, wacky religious cults, and the extremes of human beliefs both in Australia and overseas. It is a celebration of strange and eccentric lives with an emphasis on unsung Australian eccentrics bringing together the best ten years of

Bizarrism magazine **Contemporary Queer Modernism** Melanie Micir, 2025-04-16 *Contemporary Queer Modernism* offers a fresh interdisciplinary approach to the study of the intersections of queer studies and modernist studies. The theoretical expansiveness and mutual overlapping of these still-growing fields is both introduced and complicated in the pages of this volume. Presenting a wide range of critical perspectives, the collection brings together original scholarship from both emerging and established scholars that when read together demonstrates the continued vitality of queer modernist studies. The book is divided into five parts: Temporality, Form, Embodiment, Networks, Affect, and Atmosphere. *Contemporary Queer Modernism* is a foundational collection that will be invaluable to scholars and students studying modernism and queer theory across a range of disciplines including gender and sexuality studies, literary studies, cultural studies, and performance.

Poetry on & Off the Page Marjorie Perloff, 1998 The fourteen essays that make up this collection have as their common theme a reconsideration of the role historical and cultural change has played in the evolution of twentieth-century poetry and poetics. Committed to the notion that in John Ashbery's words "You can't say it that way anymore," *Poetry On/Off the Page* describes the formations and transformations of literary and artistic discourses and traces these discourses as they have evolved in their dialogue with history, culture, and society. The volume is testimony to the important role that contemporary artistic practice will continue to play as we move into the twenty-first century. *The Plays of Alma de Groen* Elizabeth Perkins, 2025-02-03 Alma De Groen is a New Zealand-born playwright who came to Australia in 1964, married the artist Geoffrey De Groen, and began writing plays in 1968. Twenty-four years after the performance of her first play, she has made a formidable contribution to contemporary drama with stage plays and with television, film, and radio scripts, each of which is distinguished by her unique dramatic vision and her unusual insight to human life and society. Each play is distinct from the others, beginning with her first performed stage play *The Joss Adams Show* (1970) through to the controversial and highly acclaimed *The Rivers of China* (1987) and the compassionate *The Girl Who Saw Everything* (1991). The importance of her work

has been recognised by awards which include two AWGIEs and the New South Wales State Award and the Victorian Premier's Award for Drama in 1988

Between Worlds Yasna Bozhkova, 2022-07-07 This book provides a new critical reappraisal of the work of modernist writer and artist Mina Loy. Primarily known for her daring and difficult poems, Loy was also the author of a dazzling variety of other literary and visual artworks in different genres and media. My reading demonstrates the richness and complexity of her work beyond the more often explored path from Futurism to Dada to Surrealism, emphasizing the importance of her perpetual travel between disparate aesthetics. Engaging in a close analysis of her poetry, essays, manifestoes and novel *Insel*, I unearth a multiplicity of hidden literary and pictorial intertexts in her works. Tracing the origins of Loy's often puzzling imagery, I examine the complex strategies of collage, condensation, distortion and displacement through which she conflates multiple allusions in enigmatic constellations. I challenge T. S. Eliot's claim that Loy lacks an oeuvre, claiming that there is an aesthetic project or at least a paradoxical unity in her famously fragmented work. I show how her writings critically engage with the turbulence of avant-garde innovation of her time, pinpointing the essential ephemerality of the avant-gardes and their tendency to become dogmatic ideologies. Through a perpetual shift of the aesthetic paradigm, Loy's work creates dialogic exchanges between different experimental aesthetic programs. Thus, the book positions Loy not only as an important artist but also as a major theorist of modernist and avant-garde aesthetics.

Guy Debord, the Situationist International, and the Revolutionary Spirit James Trier, 2019-07-15 Winner of the 2020 Choice Outstanding Academic Title Award. Guy Debord, the Situationist International and the Revolutionary Spirit presents a history of the two avant-garde groups that French filmmaker and subversive strategist Guy Debord founded and led: the Lettrist International (1952-1957) and the Situationist International (1957-1972). Debord is popularly known for his classic book *The Society of the Spectacle* (1967), but his masterwork is the Situationist International (SI), which he fashioned into an international revolutionary avant-garde group that orchestrated student protests at the University of Strasbourg in 1966, contributed to student unrest at the University of Nanterre in 1967-1968, and played an important role in the occupations movement that brought French society to a standstill in May of 1968. The book begins with a brief history of the Lettrist International that explores the group's conceptualization and practice of the critical anti-art practice of *détournement*, as well as the subversive spatial practices of the *dérive*, psychogeography, and unitary urbanism. These practices, which became central to the Situationist International, anticipated many contemporary cultural practices, including culture jamming, critical media literacy, and critical public pedagogy. This book follows up the edited book *Détournement as Pedagogical Praxis* (Sense Publishers, 2014) and together they offer readers, particularly those in the field of Education, an introduction to the history, concepts, and critical practices of a group whose revolutionary spirit permeates contemporary culture, as can be seen in the political actions of the Pussy Riot in Russia, the yellow vest protesters in France, the Black Lives Matter movement, and the striking teachers and student protesters on campuses throughout the U.S. See inside the book.

Beautiful Untrue Things Gregory Mackie, 2019-07-11 Borrowing its title from Oscar Wilde's essay *The Decay of Lying* this study engages questions of fraudulent authorship in the literary afterlife of Oscar Wilde The unique cultural moment of Wilde's early twentieth century afterlife Gregory Mackie argues

afforded a space for marginal and transgressive forms of literary production that ironically enough Wilde himself would have endorsed *Beautiful Untrue Things* recovers the careers of several forgers who successfully inhabited the persona of the Victorian era's most infamous homosexual and arguably its most successful dramatist More broadly this study tells a larger story about Oscar Wilde's continued cultural impact at a moment when he had fallen out of favour with the literary establishment It probes the activities of a series of eccentric and often outrageous figures who inhabited Oscar Wilde's much mythologized authorial persona in forging him they effectively wrote as Wilde in order to argue that literary forgery can be reimagined as a form of performance But to forge Wilde and generate beautiful untrue things in his name is not only an exercise in role playing it is also crucially a form of imaginative world making resembling what we describe today as fan fiction
