Arthurs Britain

Timothy Venning

Arthurs Britain:

Arthur's Britain: History and Archaeology, AD367-634 Leslie Alcock, 1971 The remarkable book assembles all that is known or can be deduced about the most shadowy period of British history since the Roman occupation and about its legendary hero The author of it is the archaeologist who directed the famous excavations at Cadbury Castle in Somerset originally identified with Camelot by Leland Drawing evidence from both written and archaeological sources Leslie Alcock sifts history from myth to create a convincing picture of life between the fourth and seventh centuries when Celtic Britain was abandoned by the legions to the Picts Scots and Anglo Saxons Publisher **The Quest For Arthur's Britain** Geoffrey Ashe, 2014-10-01 A useful compendium of information about the Arthurian problem the Arthurian legend and about what archaeology says of western Britain Glyn Daniel The Guardian The legend of Arthur and the Knights of the Round Table dominates the mythology of Britain but could this story prove more fact than fiction Recent archaeological findings have led Geoffrey Ashe to believe there is more truth to Arthurian legend than previously accepted The Quest for Arthur's Britain examines the historical foundation of the Arthurian tradition and presents the remarkable results of excavations to date at Cadbury reputed site of Camelot Tintagel Glastonbury and many places known almost exclusively to Arthurian scholars The best sort of historical detective story The Economist Ideal for romantic patriots and for those with a serious interest in our national origins Cyril Dunn The Observer **The Quest For Arthur's Britain** Geoffrey Ashe, 1987-01-01 The legend of Arthur and the Knights of the Round Table dominates the mythology of Britain but could this story prove more fact than fiction Recent archaeological findings have led Geoffrey Ashe to believe there is more truth to Arthurian legend than previously accepted The Quest for Arthur's Britain examines the historical foundation of the Arthurian tradition and presents the remarkable results of excavations to date at Cadbury reputed site of Camelot Tintagel Glastonbury and many places known almost exclusively to Arthurian scholars Arthur's Britain Leslie Alcock, 1972 **Arthur's Britain** Leslie Alcock, 1972 **The King Arthur Mysteries** Timothy Venning, 2021-06-09 An up to date and comprehensive guide to the history of the Arthurian phenomenon the imaginary and historical world of the great British warlord and one of the huge historical mysteries of early and medieval Britain The Arthurian story based on fact and fiction is central to Britain's creation myth and the concept of Britain's heroic past This is a deeply researched and scholarly but essentially accessible history and analysis for general readers and specialists and based on an impressive array of sources including Romano British Anglo Saxon rare medieval English French and German sources and archaeology essential for modern historical research in early history Modern and contemporary historiography is covered including debunking treatments The study surveys King Arthur in fact and fiction his family knights and the legends that have grown up around them and developed to the enduring interest from history literature to TV and film **King Arthur's Battle for Britain** Eric Walmsley, 2013-01-01 For the first time convincing locations have been found for all King Arthur's battles The inspiration for King Arthur's Battle for Britain came

from Eric's discovery of an ancient Latin text in the British Library that listed the twelve battles of King Arthur. This presented an immediate challenge because only a few of the battle sites mentioned had been previously identified. After a decade searching mountains and moors throughout Britain guided by references from early sources, Eric believes he has found convincing locations for all of Arthur's battles. By developing an imaginary scenario for each battle in the chronological order of the text, a believable storyline has emerged depicting Arthur's struggle to defend his country against nine different enemies, including dissident Britons as well as the invading Angles and Saxons. Eric has also discovered that it was Arthur's own kith and kin who plotted his demise at the battle of Camlann. By linking clues interwoven with early poetry and legendary texts, Eric has been able to suggest the name of the Romano-British city most likely to have been King Arthur's Camelot and has also identified the site of Arthur's military headquarters in the west. His search for new evidence confirms the location of Camlann and reveals the real Isle of Avalon where Arthur was finally laid to rest. King Arthur's Battle for Britain will appeal to anyone interested in the Arthurian period and the legend of King Arthur. Eric has been inspired by Geoffrey Ashe's *The Quest for Arthur's Britain* and John Morris's *The Age of Arthur*. *Arthur's Britain* Leslie Alcock, 1987 *Exploring King Arthur's Britain* Denise Stobie, 1999 A visual exploration of some of the most important Arthurian sites in Great Britain accompanied by an introduction to the legends about Arthur *The Quest for Arthur's Britain* Geoffrey Ashe, 1968 **Arthur's Britain** Leslie Alcock, 2002-02-26 We are all familiar with the heroic deeds and enchantments of the legendary tales surrounding King Arthur. But what evidence is there for a real figure beneath the myth and romance? *Arthur's Britain* assembles a wealth of information about the history of Arthur by delving into the shadowy period in which he lived. Drawing on evidence from written and archaeological sources, Leslie Alcock, who directed the famous excavation at Cadbury Castle in Somerset, England, sifts history from fiction to take us back to life between the fourth and seventh centuries. He also provides fascinating detail on how the Britons actually lived, worshipped, dressed, and fought to uncover the real world and people behind the Arthurian legends. *The Quest for Arthur's Britain* Beekman Books, Incorporated, 1971-01-01 **Historic Figures of the Arthurian Era** Frank D. Reno, 2000 Separating fiction from history in a matter that has long vexed historians, the author demonstrates in an earlier McFarland book that the true King Arthur was a Celtic king of post-Roman Britain who lived in the late fifth and early sixth centuries. In an effort to further authenticate the Celtic Arthur as the legendary king, the author examines here the roles of six major figures of the period: A.D. 383-518 Vortimer, Vitalinus, Cunedda, Cerdic, Octha, and Mordred. Through an extensive analysis of Arthur's 12 battles listed in the *Historia Brittonum*, this work explores both the influences of the High King's allies and the shifting allegiance of those Britons who joined with Arthur's enemies. A battle list provides possible geographic locations for each of the battles, including a new site for Arthur's fateful battle at Camlann. *The Quest for Arthur's Britain* Geoffrey Ashe, Leslie Alcock, Ralegh C. A. Radford, Philip Arthur Rahtz, Jill Racy, 1971 **King Arthur's Britain** John Matthews, Michael J. Stead, 1999-06-23 This wonderful atmospheric and fascinating journey

takes the reader on a journey through the many sites associated with the legend of King Arthur This beautiful collection of specially commissioned original photographs shows the many sites locations buildings ancient monuments and geographical features throughout Britain which are associated with the greatest of all British legends In a photographic exploration of the British Isles the book reveals the wide and varied spread of the Arthurian story Each photograph by leading UK landscape photographer Mike Stead is accompanied and introduced by an informative text and commentary written by Arthurian scholar John Matthews

The Historic King Arthur Frank D. Reno,1996-01-01 Who was King Arthur How did the story originate Through careful research of the many primary documents a picture of the true Arthur can in fact be set down He reached power shortly after the Romans evacuated Britain at the end of the fifth century and died at the Battle of Camlann He became king at 15 under the name of Ambrosius Aurelianus and fought against the Saxons on the mainland as Riothamus thus explaining the regeneration motif so closely tied to the mythical Arthur This study reveals that the integrity and ideals central to Arthurian myth were very much a part of the real Arthur

Arthur's Britain Leslie Alcock,1971 [Arthur's Britain](#) Leslie Alcock,1987

The King Arthur Mysteries Timothy Venning,2021-01-30 An up to date and comprehensive guide to the history of the Arthurian phenomenon the imaginary and historical world of the great British warlord and one of the huge historical mysteries of early and medieval Britain The Arthurian story based on fact and fiction is central to Britain s creation myth and the concept of Britain s heroic past This is a deeply researched and scholarly but essentially accessible history and analysis for general readers and specialists and based on an impressive array of sources including Romano British Anglo Saxon rare medieval English French and German sources and archaeology essential for modern historical research in early history Modern and contemporary historiography is covered including debunking treatments The study surveys King Arthur in fact and fiction his family knights and the legends that have grown up around them and developed to the enduring interest from history literature to TV and film

The Cambridge Companion to Modern British Culture Michael Higgins,Clarissa Smith,John Storey,2010-08-19 A lively and informative set of perspectives on the key themes that shape modern Britain
