Articles Of War The Spectator Of World War II:

Articles of War Marsden-Smedley,1990 *Britain's War Into Battle,1937-1941* Daniel Todman,2016 The first volume of a sweeping new history of Britain and its involvement in World War II **The Good Fight** G. Campion,2016-01-08 Propaganda during the Battle of Britain contributed to high national morale and optimism with The Few's prowess and valour projected through Air Ministry communiques and daily claims scores The media was a willing partner in portraying their heroism also later consolidated in wartime publications films and historiography **The Hidden History of Bletchley Park** C. Smith,2015-08-26 This book is a hidden history of Bletchley Park during the Second World War which explores the agency from a social and gendered perspective It examines themes such as the experience of wartime staff members the town in which the agency was situated and the cultural influences on the wartime evolution of the agency **The First Day of the Blitz** Peter Stansky,Professor Peter Stansky,2007-01-01 On September 7 1940 the Blitz began The bombing of London by over one thousand planes on that night alone was recognised at the time as being a direct measure to break the country's resistance This book tells of the impact that this terror from the skies had on British people and the course of war **Army**,1989 **The Duel** John Lukacs,2001-03-11 This is a day by day account of the eighty day struggle in 1940 between Hitler poised on the edge of absolute victory and Churchill threatened by imminent invasion and defeat on the eve of the second World War A masterful book masterful in its portrayal of its protagonists masterful in its overall understanding of the death struggle in which they engaged masterful above all in its vivid suspenseful chronicling of the most momentous eighty days in the history of this century Geoffrey Ward This is a marvelous book John Lukacs has lucid unsentimental insight into the mind and character of both Churchill and Hitler Conor Cruise O'Brien A wonderful story wonderfully told George F Will It is salutary to be reminded in this powerful study how close Hitler came to winning in 1940 An impressive study written with elegance and panache Peter Stansky New York Times A master of narrative history on a par with Barbara Tuchman and Garrett Mattingly Kirkus Reviews British Writers and the Approach of World War II Steve Ellis,2014-10-27 This book considers the literary construction of what E M Forster calls the 1939 State namely the anticipation of the Second World War between the Munich crisis of 1938 and the end of the Phoney War in the spring of 1940 Steve Ellis investigates not only myriad responses to the imminent war but also various peace aims and plans for post war reconstruction outlined by such writers as T S Eliot H G Wells J B Priestley George Orwell E M Forster and Leonard and Virginia Woolf He argues that the work of these writers is illuminated by the anxious tenor of this period The result is a novel study of the long 1939 which transforms readers understanding of the literary history of the eve of war era Troublesome Young Men Lynne Olson,2008-04-29 A riveting history of the daring politicians who challenged the disastrous policies of the British government on the eve of World War II On May 7 1940 the House of Commons began perhaps the most crucial debate in British parliamentary history On its outcome hung the future of Prime Minister Neville Chamberlain's government and also of

Britain indeed perhaps the world Troublesome Young Men is Lynne Olson s fascinating account of how a small group of rebellious Tory MPs defied the Chamberlain government s defeatist policies that aimed to appease Europe s tyrants and eventually forced the prime minister s resignation Some historians dismiss the phony war that preceded this turning point from September 1939 when Britain and France declared war on Germany to May 1940 when Winston Churchill became prime minister as a time of waiting and inaction but Olson makes no such mistake and describes in dramatic detail the public unrest that spread through Britain then as people realized how poorly prepared the nation was to confront Hitler how their basic civil liberties were being jeopardized and also that there were intrepid politicians willing to risk political suicide to spearhead the opposition to Chamberlain Harold Macmillan Robert Boothby Leo Amery Ronald Cartland and Lord Robert Cranborne among them The political and personal dramas that played out in Parliament and in the nation as Britain faced the threat of fascism virtually on its own are extraordinary and in Olson s hands downright inspiring **British Women**

Writers of World War II P. Lassner,1998-03-01 In *British Women Writers of World War II* Phyllis Lassner offers a challenging analysis of politicized literature in which such British women writers as Virginia Woolf Elizabeth Bowen Stevie Smith and Storm Jameson debated the justness of World War II Lassner questions prevailing approaches to women s war writing by exploring the complex range of pacifist and activist literary forms of women who redefined such pieties as patriotism and duty and heroism and victimization *The Road Movie Book* Steven Cohan,Ina Rae Hark,2002-01-04 The *Road Movie Book* is the first comprehensive study of an enduring but ever changing Hollywood genre its place in American culture and its legacy to world cinema The road and the cinema both flourished in the twentieth century as technological advances brought motion pictures to a mass audience and the mass produced automobile opened up the road to the ordinary American When Jean Baudrillard equated modern American culture with space speed cinema technology he could just as easily have added that the road movie is its supreme emblem The contributors explore how the road movie has confronted and represented issues of nationhood sexuality gender class and race They map the generic terrain of the road movie trace its evolution on American television as well as on the big screen from the 1930s through the 1980s and finally consider road movies that go off the road departing from the US landscape or travelling on the margins of contemporary American culture Movies discussed include Road classics such as *It Happened One Night* *The Grapes of Wrath* *The Wizard of Oz* and the Bob Hope Bing Crosby *Road to films* 1960 s reworkings of the road movie in *Easy Rider* and *Bonnie and Clyde* Russ Meyer s road movies from *Motorpsycho* to *Faster Pussycat Kill Kill* Contemporary hits such as *Paris Texas* *Rain Man* *Natural Born Killers* and *Thelma and Louise* The road movie Australian style from *Mad Max* to the *Adventures of Priscilla Queen of the Desert*

Fei Xiaotong and Sociology in Revolutionary China R. David Arkush, 2020-03-17 This biographical study of one of China's leading social scientists follows his life history and includes a bibliography of his books and articles Trained in London under Malinowski Fei Xiaotong achieved eminence in the 1930s and 1940s for his pioneering studies of Chinese peasant life and for his popular articles which stirred a wide audience in China to an awareness of social and political problems A non Marxist who came to sympathize with the Communists Fei was gradually constrained in his activities after the Revolution until in the 1950s a massive propaganda campaign vilified him as a bourgeois rightist intellectual Almost twenty years of silence and disgrace followed Following the death of Mao Fei suddenly reemerged as a leader in the effort to revitalize the social sciences in China The story of Fei's life told here is in a sense the story of Westernized intellectuals in China at a time of peasant revolution His writings enunciate the views of a sensitive observer of Chinese and Western society during that period of dramatic change
