Artifact A Peter Grant Mystery:

Artifact D. Grant Geddes, 2002 In Venice stylish New York art sleuth Peter Grant is accused of murdering a voluptuous model a Benedictine monk and stealing Christendom's holiest artifact Narrowly evading arrest Peter unravels a tangled web of Venetian intrigue and unmasks an unlikely villain **American Travellers in Italy** Adriano Comollo, 2005 Lake Monster Mysteries Benjamin Radford, Joe Nickell, 2006-05-05 Winner of the 2007 Gray's Lake FCBC Book Award For centuries eyewitnesses around the world from America to Africa Argentina to Scotland have reported sightings of dark mysterious creatures in area lakes that surface briefly only to quickly disappear While the most famous lake monsters of Loch Ness and Lake Champlain have gained international notoriety hundreds of lakes around the world are said to shelter these shadowy creatures Lake Monster Mysteries is the first book to examine these widespread mysteries from a scientific perspective By using exhaustive research and results from firsthand investigations to help separate truth from myth the authors foster our understanding of what really lurks in the cold murky depths Benjamin Radford and Joe Nickell are considered to be among the top lake monster authorities in the world Here they share unique insights into many of the world's best known lake monsters They interview witnesses and local experts and discuss the different types of lake monster sightings delve into possible explanations for those sightings and examine hoaxes evidence claims and legends surrounding the monsters The authors have also conducted groundbreaking fieldwork and experiments at the lakes and have examined recent photographic and sonar evidence Incorporating newly revealed information and up to date developments in the cases they present professional monster hunters Radford and Nickell plunge into both the cultural histories of these creatures and the scientific inquiries that may hold the key to these mysteries **The Educator's Handbook for Teaching With Primary Sources** Scott M. Waring, 2023 Educators across subject areas are striving to integrate primary sources into their pedagogy and teaching Yet despite their importance to authentic disciplined inquiry the implementation of primary source activities in the pre K 12 classroom has been limited This lack of utilization can largely be attributed to the perception that these activities are too complex to design implement and grade Many teachers also feel that primary source analysis and the construction of evidence based narratives is too difficult for students to complete in the traditional classroom Waring argues that this is not the case and with this handbook provides teacher candidates and inservice teachers with detailed and specific perspectives activities approaches and resources to help them effectively and authentically use primary sources in their classrooms Book Features Introduces teaching with primary sources including detailed examples of authentic and tested instructional ideas and approaches Designed to meet the needs of classroom teachers and teacher candidates in social studies English and language arts mathematics science and other fields Offers dozens of primary sources and links to resources throughout the book Aligns to national standards frameworks and the C3 framework for social studies Can be used to meet the needs of emerging English learners and students with special needs Focuses on ways in which educators are

utilizing a variety of emerging technologies to engage students in deeper and more authentic ways of learning Contributors include Peter DeCraene Lisa Fink Eric J Pyle Stefanie R Wager Sarah Westbrook and Trena L Wilkerson *American Artifacts of Personal Adornment, 1680-1820* Carolyn L. White, 2005 Bracelets buckles buttons and beads Clasps combs and chains Items of personal adornment fill museum collections and are regularly uncovered in historical period archaeological excavations But until the publication of this comprehensive volume there has been no basic guide to help curators registrars historians archaeologists or collectors identify this class of objects from colonial and early republican America Carolyn L White helps the reader understand and interpret these artifacts discussing their source manufacture materials function and value in early American life She uses them as a window on personal identity showing how gender age ethnicity and class were often displayed through the objects worn White draws not only on the items themselves but uses their portrayal in art contemporary writings advertisements and business records to assess their meaning to their owners A reference volume for the shelf of anyone interested in early American material culture Over 100 illustrations and tables Enchanted by Daphne Peter R. Grant, 2023-05-23 The extraordinary life story of the celebrated naturalist who transformed our understanding of evolution Enchanted by Daphne is legendary ecologist Peter Grant's personal account of his remarkable life and career In this revelatory book Grant takes readers from his childhood in World War II era Britain to his ongoing research today in the Galapagos archipelago vividly describing what it's like to do fieldwork in one of the most magnificent yet inhospitable places on Earth This is also the story of two brilliant and courageous biologists raising a family together while balancing the demands of professional lives that would take them to the far corners of the globe In 1973 Grant and his wife Rosemary embarked on a journey that would fundamentally change how we think about evolution Over the next four decades they visited the Galapagos every year to observe Darwin's famous finches on the remote uninhabited island of Daphne Major Documenting how eighteen species have diversified from a single ancestral species they demonstrated that we could actually see and measure evolution in a natural setting Grant recounts the blind alleys and breathtaking triumphs of this historic research as he and Rosemary followed in Darwin's footsteps and ushered in a new era in ecology A wonderfully absorbing portrait of a life in science Enchanted by Daphne is an unforgettable chronicle of the travels and discoveries of one of the world's most influential naturalists *Testimonies and Secrets* Robert M. Mennel, 2013-01-01 This compelling history is drawn from the papers of the Crouse Eikle family discovered in their ancestral home in Crousetown on Nova Scotia's South Shore Millwright John Will Crouse 1844-1914 kept a meticulous diary spanning five decades Reflective by nature he recorded the challenges of work pondered the intricacies of communal life and wrote movingly of his personal and spiritual struggles His daughter Elvira Crouse Eikle reported on village events for local newspapers and her son Harold Eikle 1912-1977 a gifted teacher and musician wrote letters and family history Harold's correspondence celebrated the social liberations of the 1930s and beyond but also showed their limits in the suffering he experienced as a gay man in a heterosexual world Using

the family papers other unpublished documents and oral history Robert M Mennel connects the experiences of the Crouse Eikle family and their community to larger themes of social and cultural change in North America A story of vivid personalities and episodes by turns sad conflicted joyful bitter funny and reflective Testimonies and Secrets will be read with pleasure by scholars and general readers alike

The Death of Magick Benjamin Towe,2006-10-24 Envision a naive young man beguiled robbed and ridiculed by a beautiful sorceress Imagine the young man became the greatest assassin that ever lived See in your mind s eye an assassin consumed by hatred of all things Magick and committed to their destruction Visualize the creation through the power of a Wish of an artifact of great power to assist his quest Picture the assassin s second Wish a Wish for more time and a labyrinth to keep his treasure forever secure from any that might seek the artifact Realize the consequences of the imperfect Wish albeit difficult a path to the assassin s treasure the Death of Magick Envision the struggle across space and time between a just and powerful sorceress with rainbow tresses and a demon of timeless evil The sorceress must seek the weapon created to bring about her destruction The strongest and wisest of two very different worlds attempt to unravel the mysteries of ancient parchments and devise a plan to defeat the demon threatening both worlds A new generation of Donothor and Parallan empowered by Light Dark and Illusory Magick accepts the challenge and assists their king and mentors What roles have a beautiful mysterious red haired elf the bloodline of an enemy and an artifact of evil Will the sacrifices of generations be for naught If they find the Death of Magick will the weapon destroy them before they face the demon

Art and Artifacts 2e James Putnam,2009-10-27 The increasing trend towards collaborations between practising artists and museum curators has in some cases involved the rehanging of existing collections or redesigning of gallery spaces In this way the probing instinct of the creative mind counterbalances the sense of permanence and order associated with the museum in a constructive dialogue involving elements of the past present and future

BOOK JACKET *Peter Strickland* Stephen H. Grant,2006-12-15 The first biography of this nineteenth century sea captain adventurer and State Department official A vivid

picture of a unique career *The Day New London CT* This is the first biography of Capt Peter Strickland a little known Connecticut Yankee who crossed the Atlantic one hundred times in command of a sailing vessel traded with French and Portuguese colonies during the period 1864 1905 and served as the first American consul to French West Africa for over twenty years We know about Peter Strickland s long life because he wrote a daily journal from the age of nineteen until the year he died He broke away from a long line of farmers to adopt a seafaring life at age fifteen and his merchant marine career led him from the east coast of the United States to the west coast of Africa He introduced American tobacco and wood products into French and Portuguese colonies and on the return trips carried animal hides and peanuts in his 100 ton schooners Eventually the U S State Department asked him to become the first consul in French West Africa with residence in Senegal The captain accepted the terms He would receive no salary but he could keep the port fees he collected and continue to practice his import export business This book tells his life story from his accomplishments and adventures to coping with the epidemics of the day and a tragic personal loss in the process capturing a unique era in American diplomatic history Grant s careful blending of historical hindsight with Strickland s own words brings enormous value to our understanding of U S diplomacy *Foreign Service Journal*

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

Crete in Transition Brice L. Erickson, 2010-12-31 This work presents a classification system and absolute chronology for black gloss wares from Crete establishing the first local and regional ceramic sequences during the period from 600 to 400 B C This new chronological foundation of datable pottery from excavated sites fills in the so called 6th 5th century gap and dispels the prevailing view that this was a period of decline in population and one of artistic and cultural impoverishment The 6th century heralded important changes in Cretan society

reflected in the reorganization of burial grounds new patterns of sanctuary dedication and the circulation of exotica among the elite The study reveals unsuspected connections with mainland Greece especially Sparta and Athens Historians and archaeologists will find the author s conclusions and their implications to be of considerable interest **A Wyatt Earp Anthology** Roy B. Young, Gary L. Roberts, Casey Tefertiller, 2019-08-15

Wyatt Earp is one of the most legendary figures of the nineteenth century American West notable for his role in the gunfight at the O K Corral in Tombstone Arizona Some see him as a hero lawman of the Wild West whereas others see him as yet another outlaw a pimp and failed lawman Roy B Young Gary L Roberts and Casey Tefertiller all notable experts on Earp and the Wild West present in A Wyatt Earp Anthology an authoritative account of his life successes and failures The editors have curated an anthology of the very best work on Earp more than sixty articles and excerpts from books from a wide array of authors selecting only the best written and factually documented pieces and omitting those full of suppositions or false material Earp s life is presented in chronological fashion from his early years to Dodge City Kansas triumph and tragedy in Tombstone and his later years throughout the West Important figures in Earp s life such as Bat Masterson the Clantons the McLaurys Doc Holliday and John Ringo are also covered Wyatt Earp s image in film and the myths surrounding his life as well as controversies over interpretations and presentations of his life by various writers also receive their due Finally an extensive epilogue by Gary L Roberts explores Earp and frontier violence

Pathways to Complexity M. Kathryn Brown, George J. Bey III, 2021-04-27 Pathways to Complexity synthesizes a wealth of new archaeological data to illuminate the origins of Maya civilization and the rise of Classic Maya culture In this volume prominent Maya scholars argue that the development of social religious and economic complexity began during the Middle Preclassic period 1000 300 B C hundreds of years earlier than previously thought Contributors reveal that villages were present in parts of the lowlands by 1000 B C challenging the prevailing models estimating when civilization took root in the area Combining recent discoveries from the northern lowlands an area often neglected in other volumes and the southern lowlands the collection then traces the emergence of sociopolitical inequality and complexity in all parts of the Yucatan peninsula over the course of the Middle Preclassic period They show that communities evolved in different ways due to influences such as geographical location ceramic exchange shell ornament production agricultural strategy religious ritual ideology and social rankings These varied pathways to complexity developed over half a millennium and culminated in the institution of kingship by the Late Preclassic period Presenting exciting work on a dynamic and poorly understood time period Pathways to Complexity demonstrates the importance of a broad comparative approach to understanding Preclassic Maya civilization and will serve as a foundation for future research and interpretation Contributors M Kathryn Brown Dr George Bey III Tara Bond Freeman Fernando Robles Castellanos Tomas Gallareta Negron E Wyllys Andrews V Anthony Andrews David S Anderson Lauren Sullivan Jaime J Awe James F Garber Mary Jane Acu a William Saturno Bobbi Hohmann Terry Powis Paul Healy Richard Hansen Donald W Forsyth David Freidel Barbara Arroyo
