Journal of the Society of Arts, 1883 **journal of the society of arts** George Bell, 1881 **Cultural Theory in the Films of Alfred Hitchcock** Gary McCarron, 2023-07-11 This book is neither biography nor a conventional film critique Rather the text explores aspects of Hitchcock's work in relation to theories drawn from the social sciences and philosophy The various chapters focus not on specific films but on broader ideas central to Hitchcock's work There is for instance a chapter on his idea of the MacGuffin in which I use Ernesto Laclau's theories of equivalent substitution to explain how the MacGuffin functions in Hitchcock's works There is also a chapter on his notion of pure cinema which moves from the idea of purity as an anthropological concept to consider purity in relation to current debates regarding so called hybrid media and Hitchcock's relevance to these issues in respect of his dissatisfaction with the advent of sound to the cinema world Broadly speaking the book uses Hitchcock's films to illustrate ideas in the social sciences and philosophy and uses those same ideas to illustrate aspects of Hitchcock's films **The Construction of Roads and Streets.
