As I Remember It:

As I Remember It Doris Johnson, Ray Imhof, 2005 *As I Remember It* is a fascinating account of daily activities of a family in the early 1900s. Esther grew up on the prairie of western Kansas. Having been born in 1914, she and her family suffered some of the growing pains of a new frontier. Hard work, perseverance, and humor saw them through. Her stories provide vivid insight into the pioneer activities of hog butchering, wheat threshing, and chicken and egg production. The humor shared with family and neighbors helped them endure the hard times. Esther tells of many incidents of helpful neighbors, a very necessary element for the survival of early settlers. *As I Remember It All* D. Statton, Charles D. Statton, 2010-03 **As I Remember**

it Viola Dufresne, 2016-10-18 Viola grew up strong-willed, challenging herself to succeed while enjoying a good sense of humor, a love of children, an eye for beauty, and nature. She received her education in Manitoba Schools University of Manitoba in Laval, Quebec, and after retirement, she proceeded to study Fine Arts in Texas and Arizona. Encouraged by her husband Joseph Dufresne and family, they were very proud of her achievements. Her finest moments of her career were the 34 years teaching children. *As I Remember It* is a five-year recount, 1934-39, through the eyes of a child as to how a family survived the Dirty Thirties. *As I Remember It* Rick Nelson, 2012-06-11 The story of a small town boy who went out into the world and where he ended up for Maren. *My Life as I Remember It* Billy D. Smith, 2009-10-30 In writing my book, I tried to do the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama. Even though times were hard then, I feel very fortunate to have grown up during that time and in that place. I believe that my life has been guided and protected by a Higher Being, and I thank God for looking after me and guiding my life. I also had some great teachers, which I am thankful for knowing. Most of our teachers loved us and tried to help when they could to prepare for our future. All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life, and that I alone am responsible for my actions. I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful, and I hope for many more good years. *My Life - As I Remember It* David R. Wilson, 2012-09 A mature, intelligent, everyday person Dianne Stewart has read *My Life As I Remember It* and *Time Tested Thinking As It Seems to Me*. Her succinct observation is I think both books are extremely valuable. One is the story of a man, his life, his ups and downs, and his abiding faith in an abiding God; the other, what this man has learned and experienced with that same God.

Elsie Paul is one of the last surviving mother-tongue speakers of the Sliammon language. In this remarkable book, she collaborates with a scholar, Paige Raibmon, and her granddaughter, Harmony Johnson, to tell her life story and the history of her people in her own words and storytelling style. Raised by her grandparents who took her on their seasonal travels, Paul spent most of her childhood learning Sliammon ways, stories, and legends. Her adult life
