As I Feel It:

Sometimes I Feel Thal Dixon,2006-03 Do you say one thing when you feel another Do you have conversations in your own mind Do you isolate from others and shut down your feelings for protection Many people struggle when it comes to expressing REAL and healthy feelings These poems of self reflection and courage will be a source of inspiration and encouragement to all who are working to make positive changes in their lives **I Feel Like Going On** Ray Lewis,Daniel Paisner,2016-10-18 The legendary Baltimore Ravens linebacker assesses the state of football while recounting his troubled youth his rise to athletic fame and the allegations that threatened his NFL career How Much I Feel Marie Force,2021-06-09 First impressions can be truly deceiving Might the cocky doctor be worth a second look Carmen Babysitting a handsome arrogant neurosurgeon isn t how I imagined my first day at Miami Dade General Hospital After the tragic loss of my husband I ve focused on starting my dream career Dr Jason Northup isn t going to mess up my plans even if he makes my lady parts stand up and say hello He checks every box on my cliché list However my heart and other parts don t seem to care about clichés Jason I have more important things to do than bail out an attractive new colleague but I need her Carmen is my only hope in convincing the Miami Dade board to overlook my tarnished reputation and she makes me feel optimistic again Romantic entanglements are the last thing I need but Carmen isn t an entanglement She s a beautiful breath of fresh South Florida air My feelings for her are quickly becoming the best kind of scandal **I Feel Great about My Hands** Shari Graydon,2011 Forty one notable women all over fifty provide essays and poems about the discoveries that come from aging *I Feel Okay* Deborah Slappey Pitts,2005-05 For five months my husband Clyde Slappey battled a formidable enemy primary amyloidosis a disease that initially we didn t know how to spell or pronounce Clyde and I traveled the country and visited many doctors and hospitals We desperately tried to find someone who would help Clyde found a cure Even though many doctors gave up on Clyde we kept searching for a cure and never gave up We didn t accept NO for an answer And on February 14 1995 through God s infinite wisdom and grace we made it to the Mayo Clinic Clyde s place of hope During our travels we discovered that primary amyloidosis is a very rare disease of the immune system that affects roughly eight out of a million people annually We also learned that the disease affects all people from all ethnic origins colors creeds and national origins But the disease had taken its toll on Clyde s body He had begun to grow weaker and weaker as he waited 57 days for a heart transplant The wait was too much for Clyde to bear and on April 12 1995 he blacked out for the final time I Feel Okay is filled with love despair perseverance and faith Clyde s attitude of never ever willing to give up has inspired many people to reach beyond their boundaries to find answers Even though many of Clyde s doctors had given up on him we kept going and continued to search for a cure for his amyloid disease It took me nine years to write down the accounts of Clyde s story in I Feel Okay I thought about it and wanted to tell his story so many times through the years but it was just too painful My prayer is that many others will be inspired by Clyde s story to educate themselves about the disease and to never give up

This is my hope and I know it would have been Clyde's hope as well **I Feel Precious to God** Beverly Hyles, 1988-02
