When the World Turned Upside Down Bonnie Werner, 2024-08-26 In this gripping dystopian tale based on the Book of Revelation the world is on the brink of collapse as ancient prophecies unfold with terrifying accuracy As cataclysmic events foretold in scripture come to pass disparate souls grapple with their beliefs fears and destinies in the face of impending judgment Amidst chaos and devastation a diverse cast of characters navigates the harrowing landscape of society on the edge of collapse and oblivion Some who have faith experience miracles as God protects and takes care of them Others embrace desperation seeking relief through any means necessary And still there are those who defy the Powers determined to forge their own path to rule and control a world unraveling at the seams As alliances shift and loyalties are tested each individual must confront their inner demons and reconcile their place in a world shaped by prophecy From the ashes of civilization a tapestry of hope despair and redemption emerges weaving a narrative that explores the depths of human nature and the enduring power of belief Prepare to embark on a journey of epic proportions When the World Turned Upside Down is a thought provoking possible map of unfolding happenings and the eternal struggle between darkness and light on this Earth and in this Universe May it help you to expect and prepare for what God has said is coming soon Bonnie Werner was and is a truth seeker This is what led her to God and it continues to motivate what she does When God showed up one day over 50 years ago and showed her that Jesus took her place in death on the cross that's when everything changed for her God had given her new eyes to see and a new ability to make better choices to take the new options open to her that she'd never seen before And He's never left her but guided her every day through the years ever since She was married to the love of her life for 30 years and raised their three children She is now Grandma to 5 grandchildren She travelled across the state to attend Bible college so she would be able to understand what God was saying in His word and she has been studying it intensely for over 20 years She has journaled and blogged through the years and her blog has grown into almost ten years of daily Bible study devotionals at BonniesBibleMusings.blogspot.com Now she is writing books Why Christianity Isn't Working For You Going from Religion to a REAL Relationship with God is a 40 day walk through I Corinthians which is almost like a
