Copyright Office,1974 **The First Vietnam War** Mark Atwood Lawrence,Fredrik Logevall,2007-02-28 How did the conflict between Vietnamese nationalists and French colonial rulers erupt into a major Cold War struggle between communism and Western liberalism To understand the course of the Vietnam wars it is essential to explore the connections between events within Vietnam and global geopolitical currents in the decade after the Second World War In this illuminating work leading scholars examine various dimensions of the struggle between France and Vietnamese revolutionaries that began in 1945 and reached its climax at Dien Bien Phu Several essays break new ground in the study of the Vietnamese revolution and the establishment of the political and military apparatus that successfully challenged both France and the United States Other essays explore the roles of China France Great Britain and the United States all of which contributed to the transformation of the conflict from a colonial skirmish to a Cold War crisis Taken together the essays enable us to understand the origins of the later American war in Indochina by positioning Vietnam at the center of the grand clash between East and West and North and South in the middle years of the twentieth century Ike the Soldier Merle Miller,2018-04-24 From the bestselling author of Plain Speaking and Lyndon comes this vivid and consistently absorbing record of Dwight D Eisenhower s military career Kirkus Reviews Bringing together thousands of hours of interviews with the men and women who were closest to him Merle Miller has constructed a revealing and personal biography of the man who would become the supreme commander From his childhood in Kansas to West Point World War I and Europe where he led the Allied Forces to a hard won victory in World War II Ike the Soldier goes behind the historic battles and into the heart and mind of Ike Eisenhower Miller has crafted the defining biography on the life of the thirty fourth president bringing more depth to the man many thought they knew His strained relationships with his father brothers and son are brought into focus as well as his love affair with his wife Mamie and his relationship with Kay Summersby his driver turned companion and confidante during WWII An informed and balanced tribute to a world class leader whose remarkable character gains greater luster with the passage of time Kirkus Reviews This is a highly enjoyable look at Ike s personal and official relationships with the people most important to him during the first 55 years of his life including family Army and Allied colleagues and heads of state Publishers Weekly *Commonweal* ,1976 **Encyclopedia of Twentieth Century Journalists** William H. Taft,2015-07-16 Originally published in 1986 This book is a unique compilation of biographical sketches which covers editors publishers photographers bureau chiefs columnists commentators cartoonists and artists Alphabetical entries provide overviews of the lives and personalities of a good cross section of important people There is also a short essay on awards and prize winners Everything is efficiently indexed This is a supremely useful reference tool for those in mass media and popular culture fields *Saturday Review of the Sciences* ,1973 **World War II in Europe, Africa, and the Americas, with General Sources** Loyd Lee,1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major

theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war Bibliographic Index ,1974 *The Guide Post* ,1971 **Politics,**
