Managerial Economics, 4th Edition Ivan Png, 2013-09-11 Now in its fourth edition Ivan Png's *Managerial Economics* has been extensively revised with a completely new introductory chapter emphasizing decision making and behavioral biases. Intensive application to current issues including the subprime financial crisis and global competition as well as Streamlined presentation focusing on the economics that managers need to know. As always the text presents the key concepts of micro economics intuitively without requiring any sophisticated mathematics. Throughout it emphasizes actual management application and links to other functions including marketing and finance. The new fourth edition is updated with fresh up to date discussion questions from all over the world and enhanced with detailed instructor supplements. It is an ideal text for any course focusing on the practical application of micro economic principles to management.

Hurricane Squadron Ace Nick Thomas, 2014-11-30 The story of one of the most heroic fighter aces of the Second World War has been brought to life in this gripping new book. Lancashire Living Magazine Air Commodore Peter Malam Pete Brothers CBE DSO DFC and Bar 1917 2008 was one of the most highly praised pilots of the Second World War. Decorated extensively he secured a total of 16 kills over the course of the conflict with 10 of these occurring during the Battle of Britain. Pivotal moments in his career include the time in August 1940 when his flight encountered around a hundred enemy aircraft including Messerschmitt 110s he led the flight in attack against them and soon found himself in a stalled position out of which he spun only to be confronted by a Dornier 215 which he shot down before later destroying a Messerschmitt 109. Scores of these kind of risky maneuvers and winning victories punctuated a career defined by great courage leadership and initiative in the face of fierce opposition. This new and engaging biography profiles a pilot who until now hasn't been the subject of such a thorough book length study. The story of his career is incredibly entertaining featuring a number of hair raising episodes and is sure to appeal to fans of aviation history as well as the more general reader seeking out an action packed biography offering fresh insights into one of the most pivotal conflicts of the twentieth century. An engaging story of one of The Few. This is a book that entertains inspires moves amuses surprises what more could any reader ask for. FIRE Project

Flying The Big Jets (4th Edition) Stanley Stewart, 2014-09-30 *Flying the Big Jets* presents the facts that people want to know about the world of the big jets. How does a large aircraft fly? How long is the take off run at maximum weight? How much fuel is carried on a transatlantic flight? How do the radios work? What aircraft maintenance is required? How often are the tyres changed? What is the life style of a pilot? The answers to these and a thousand other questions are given in sufficient detail to satisfy the most inquisitive of readers. Chapter by chapter the reader is taken

gently from the basics of the big jets to the sophistication of the glass cockpit in preparation for the pilot's seat on a Boeing 777 flight from London to Boston Flying the Big Jets is a comprehensive book that reveals as never before the every day working environment of the modern long haul airline pilot Written by a pilot with over 15 000 flying hours on heavy jets during a 30 year career in commercial aviation this title is a comprehensive text book taking the reader into the glass cockpit of a Boeing 777 It is also a guide to the principles of flight the art of navigation and meteorology and an appreciation of the role played by Air Traffic Control in modern airline operations An absorbing read for that next long haul flight WINGSPAN
