Excerpt from *The Admiral's Daughter*: Spring had come to the West Country, a joyous spring laden with soft airs and odours of distant flowering lands, and filling the hearts of men with a restless delight. It seemed impossible not to be happy with a blue sky flecked by little clouds running down to meet a blue sea, the hedgerows gleaming with blackthorn and the pink tips of the beeches shining in the sun.

The Dublin University Magazine, 1874      *Airs and Graces* Erica James, 1999

Ellen has been living on her own in a picturesque cottage in Cheshire since her husband abandoned her for life in Provence. Struggling to make ends meet and having married once for love, she's now determined that second time round it'll be for money.

Proverbial language figures prominently in the works of Eugene O'Neill. 1883-1953, the recipient of four Pulitzer prizes and a Nobel laureateship for literature. This book is a directory to the proverbs, proverbial expressions, and proverbial comparisons in O'Neill's 50 dramas and numerous letters, articles, diaries, and notebooks. Very little attention has been given to any aspect of O'Neill's language to say nothing of the virtual disregard of him as a wielder of proverbial diction. This collection of 2,059 examples of O'Neill's proverbial usage is a first step towards remedying that situation and provides a foundation for future scholarship. The introduction shows how O'Neill used proverbs as a structural element of his dramas.

and places his proverbial usage in the context of international proverb scholarship offers examples and generalizations about his manipulation of proverbs and suggests fruitful areas of further investigation The heart of the book is a key word index to the proverbial texts that identifies the locations of the proverbial examples in the canon of O'Neill's works and facilitates comparisons of similar locutions Each proverbial construction is dated so that the reader can immediately see the chronological range of the texts For those interested in the history of particular proverbs citations of standard proverb dictionaries are appended to most of the texts Two appendices show the frequency with which proverbs appear and their distribution among the various dramas     **Littell's Living Age** ,1880     *Riding* ,1959     **Cash on Delivery** Haydn Wood,Sir Seymour Hicks,1917     **New Monthly Magazine and Humorist** ,1826
