**Among the Alaskans** Julia McNair Wright, 1883      **Young Alaskans in the Far North** Emerson Hough, 2020-07-18  
Reproduction of the original *Young Alaskans in the Far North* by Emerson Hough      THE ALASKAN James Oliver Curwood, 2024-01-16  
In *The Alaskan* James Oliver Curwood crafts a vivid narrative set against the breathtaking backdrop of Alaska's wilderness. This novel intertwines adventure and romance centering on the life of an intrepid protagonist whose struggles reflect both the beauty and brutality of nature. Curwood employs a lyrical prose style rich in descriptive imagery while addressing themes of survival, human endeavor, and the profound connection between man and the environment. The book captures the zeitgeist of the early 20th century, a period marked by exploration and a burgeoning interest in the untamed frontiers of North America. Curwood, an American author and conservationist, was deeply influenced by his extensive travels and experiences in the northern wilderness. His firsthand encounters with the harsh realities of nature and its untold beauty informed his writing, imbuing it with authenticity and passion. Curwood's commitment to environmental preservation is evident throughout his work, inspiring readers to recognize the grandeur and fragility of the natural world. This novel is highly recommended for readers who appreciate adventure and the intricacies of human relationships set against an exotic landscape. *The Alaskan* invites the reader to embark on a journey not only through the landscapes of Alaska but also through the human spirit's resilience in the face of nature's challenges.      Alaskan Fisheries United States. Merchant Marine and Fisheries, 1940      **Clouddancer's Alaskan Chronicles** CloudDancer, 2012-02-28  
At LAST The long awaited Volume IV of CloudDancers *Alaskan Chronicles* is in your hands. As you'll see inside the wait was well worth it. After the gut wrenching and soul baring trip down the dark side of Memory Lane that was Volume III *The Tragedies*, he needed some down time to recharge the creative batteries. Time to adjust to a new better life and future as a recovering alcoholic. Time to assess what had gone before with an eye toward retaining what is best and discarding those things in his past that hampered his ability to grow as a person and excel as an individual. The results speak for themselves. CloudDancer is back in the humor mode. Once again this charming aerial miscreant falls in love with every airplane he flies and almost every girl he runs into. You'll be beside yourself with laughter sharing CloudDancers adventures in the air, on the ground, and under the covers. You'll meet CloudDancer the FELON. Hell, introduce you to some of his favorite FEDs and you'll get the inside story of how he and his fellow pilots played cat and mouse with the boys from Fairbanks Flight Standards District Office 61, trying to stay one move ahead in their three dimensional chess game. Finally, ride along as CloudDancer shows one of America's biggest 1970s pop folk music stars how the bush pilots do it. Our only worry is CloudDancer won't promise us there will be a Volume V. But on the upside, our favorite wing nut has revealed there are exploratory talks in Hollywood to bring the *Chronicles* to a screen in your living room. With fellow author and pilot Stan Jones of Anchorage, CloudDancer has developed scripts for television and movie.

**The Alaskan: A Novel of the North** James Oliver Curwood,2020-09-28 Captain Rifle gray and old in the Alaskan Steamship service had not lost the spirit of his youth along with his years Romance was not dead in him and the fire which is built up of clean adventure and the association of strong men and a mighty country had not died out of his veins He could still see the picturesque feel the thrill of the unusual and at times warm memories crowded upon him so closely that yesterday seemed today and Alaska was young again thrilling the world with her wild call to those who had courage to come and fight for her treasures and live or die Tonight with the softly musical throb of his ship under his feet and the yellow moon climbing up from behind the ramparts of the Alaskan mountains something of loneliness seized upon him and he said simply That is Alaska The girl standing beside him at the rail did not turn nor for a moment did she answer He could see her profile clear cut as a cameo in the almost vivid light and in that light her eyes were wide and filled with a dusky fire and her lips were parted a little and her slim body was tense as she looked at the wonder of the moon silhouetting the cragged castles of the peaks up where the soft gray clouds lay like shimmering draperies Then she turned her face a little and nodded Yes Alaska she said and the old captain fancied there was the slightest ripple of a tremor in her voice Your Alaska Captain Rifle Out of the clearness of the night came to them a distant sound like the low moan of thunder Twice before Mary Standish had heard it and now she asked What was that Surely it can not be a storm with the moon like that and the stars so clear above
