Alcoholics Alive:

Alcoholics Alive! Neal J, 2000-09-21 A delightful collection of over a hundred short essays on living an exciting sober life. Written by a 20 year veteran of the sobriety scene who sees AA success and sobriety as a launching pad for even greater peace and contentment. *Alcoholics Alive* is a definitive answer to the most common recurring questions about the twelve step fellowship called Alcoholics Anonymous. The questions answered here: Is this all there is? Thousands of alcoholics attend Alcoholics Anonymous meetings once or twice only to return to their drinking lives after asking the question. The author of *Alcoholics Alive* answers that question with a resounding NO and embarks on a journey to show the reader how to use the principles learned in the fellowship of Alcoholics Anonymous groups. He shows the reader through his own experience and through the lives of other alcoholics how to use the basic knowledge gained in AA groups: To conquer anger, To adapt to daily living, To relax in any situation any time, As a stepping stone into peace and harmony, As a basis for new understanding of all life, As a practical tool to use powers far beyond our human limits, To be alcoholic and be totally and completely alive. Witty, satirical, entertaining, and thought provoking. *Alcoholics Alive* is the ideal book to accompany the neophyte and the older sober alcoholics through their sometimes frightening journey into the magnificent fields of sobriety. **Alcoholic Relationship**

Survival Guide Doug Kelley, Tracy Kelley, 2006. The *Alcoholic Relationship Survival Guide* has been helping people resolve alcoholic relationships since 2001 and is no ordinary alcoholic relationship book. It is a powerful and comprehensive resource that explains the dynamics of an alcoholic relationship from the perspective of people who have been through it successfully. It explains the why's and how's of your situation in an easy to understand but no holds barred style that will encourage you, comfort you, anger you, and then help you to resolve your difficult situation in the most healthy and beneficial way possible. The *Alcoholic Relationship Survival Guide* will teach you healthy and effective ways to respond to alcoholic dysfunction and verbal abuse. It will show you pitfalls to avoid and solutions that work, including how to set healthy boundaries and reinvent yourself into a New You. After reading this book, you will not only understand your situation much more clearly, but you will also know what steps to take next. This book applies to any form of substance abuse that is causing relationship problems.
