Alcoholism and Spirituality Charles L. Whitfield,1985-01-01 Co-Dependency Bruce Carruth,Warner Mendenhall,2014-06-03 Co dependency has finally become recognized in the late 1980s as a legitimate and a key issue in the chemical dependency field Most of the literature available on the topic is addressed to the consumer the co dependent individual In Co dependency leading therapists share some remarkable insights into the characteristics of the alcoholic home co dependents patterns of responding to the alcoholic and the particular problems that family members experience as a result of the environment including fear shame and guilt anger denial and confusion Clinical case material is used to illustrate the value of helping co dependents through education peer support outpatient treatment and psychotherapy Creative solutions for working with lesbian and gay men and children of alcoholics are also featured Recovery Herbert L. Gravitz,Julie D. Bowden,2015-12-29 Rich with insight and awareness Recovery explores the secrets fears hopes and issues that confront adult children of alcoholics Authors and widely respected therapists and ACOA workshop leaders Herbert Gravitz and Julie Bowden detail in a clear question and answer format the challenges of control and inadequacy that ACOAs face as they struggle for recovery and understanding stage by stage Survival Emergent Awareness Core Issues Transformations Integration Genesis If you feel troubled by your post Recovery will start you on the path of self awareness as it explores the searching questions adult children of alcoholics seek to have answered How can I overcome my need for control Do all ACOAs play the some kind of roles in the family How do I overcome my fear of intimacy What is all or none functioning How can ACOAs maintain self confidence and awareness after recovery How do ACOAs handle the family after understanding its influence And many other important questions about your post family and feelings Written with warmth joy and real understanding Recovery will inspire you to meet the challenges of the post and overcome the obstacles to your happiness Alcohol Health and Research World ,1984 Wellness for Helping Professionals John W. Travis,Meryn G. Callander,1990 **Subject Guide to Books in Print** ,1997 **Books in Print** ,1994 **Alcohol Health and Research World** ,1986 The Experience Of Long-Term Sobriety for Men Ages 55 Through 65 Who Are Currently Members of Alcoholics Anonymous James M. Strawbridge,2007-11-20 *Reclaiming the Inner Child* Jeremiah Abrams,1990 The child is the father of the man Wordsworth The inner child that vital but submerged part of the self that connects us to both the joy and sadness of our childhood is a key to our achieving fullest expression as adults This child entity says our editor Jeremiah Abrams is the self we truly are and have always been living within us in the here and now This volume a collection of 37 wide ranging articles defines and gives concrete reality to the abstract image of the inner child revealing it to be the unifying symbol of the self a symbol that represents according to Carl Jung the part of the human personality which wants to develop and become whole The essays from depth psychology literature the 12 Step Program perspective and other disciplines are woven together with Abrams thoughtful commentary to address the compelling themes the inner child brings to our

awareness Many of the selections address very practical objectives Realizing the promise of the child within and living out its destiny Reclaiming the innocence playfulness and wonder of the child in adulthood Healing the abandoned or abused inner child and resolving old traumas Tapping the child as symbol for our creative energy Forgiving our parents Developing compassionate awareness to be a better parent Completing the deverse unfinished business of childhood Challenging Codependency Marguerite Babcock, M. Christine McKay, 1995 In the field of addiction research and counselling there has been an increasing investment in the theory of codependency a theory that holds women partly responsible for perpetuating the alcoholism and addiction of their male partners This is the first anthology of feminist essays that presents a cogent critique of this theory The unifying feature of the eighteen essays collected here is the revelation that solid evidence contradicts rather than supports the theory of codependency Its assumptions are found to be unsubstantiated in theory and practice The contributors to the volume explore the history of codependency theory and look at reasons for its growing popularity in medical model politics A central theme emerges that codependency theory is essentially misogynist in nature the result of a male backlash against feminism The collection leaves no doubt that this backlash is effective These essays reveal the many ways that codependency therapy promotes advice and counselling that is damaging and ultimately fails women seeking help for their distress This anthology aimed at professionals as well as readers at large reveals a remarkable body of literature questioning the validity of popular addictions philosophy about women and the quality of the scholarship that supports those theories *Integrative Medicine* David Rakel, 2012 Counterstrain Acupuncture for headache Acupuncture for nausea and vomiting Saline nasal irrigation Bioenergetics Integrating spiritual assessment and care Therapeutic homeopathy Human energetic therapies Other therapeutic considerations Creating a greener clinic the impact of global warming on health Creating ceremony and ritual in the medical encounter Appendix laboratory testing resources in integrative medicine Integrative Medicine E-Book David Rakel, 2012-04-12 Integrative Medicine by Dr David Rakel provides the practical evidence based guidance you need to safely and effectively integrate complementary and alternative medical treatments into your practice This medical reference book lays the framework for making the best use of these therapeutic modalities and understanding the mechanisms by which these interventions work keeping you at the forefront of the trend toward integrative health care Incorporate therapeutic integrative medicine modalities into clinical practice through the Tools for Your Practice section that offers how to application for recommending mediation prescribing probiotics and how to do an elimination diet Apply integrative treatments for a full range of diseases and conditions including autism stroke chronic fatigue syndrome and various forms of cancer see how to advise patients on health maintenance and wellness and get valuable advice on topics such as meditation diet and exercises for back pain Avoid potential complications with recommended dosages and precautions Enhance patient care with therapy based guidance and printable patient education guides Implement proven integrative treatments for various diseases thanks to an evidence based therapeutic approach
