*Selected Poems* Aleister Crowley, 1986      *Aleister Crowley Collected Works* Aleister Crowley, 2020-02-16 The Collected Works of Aleister Crowley 1905 1907 was originally a trilogy of books published by Aleister Crowley during his early career as student of magick The first volume was published in 1905 but contains his poems and plays between 1898 and 1902 and is what he admits to be his juvenilia It is noted at the beginning The great bulk of MSS from 1887 to 1897 have been sedulously sought out and destroyed They were very voluminous Most of these early works show little in the way of magic but are an introduction to Crowley s knowledge of religion and mythology It s interesting to see how after Crowley s first book *White Stains* was banned and pulped his consequent works of 1898 were quite mellow almost gothic and Christian with the first two hiding behind the pseudonym A Gentlemen of the University of Cambridge no doubt after Percy Shelley s *A Gentlemen of the University of Oxford* for similar reasons *Aceldama* named after the place where Judas hanged himself the field of blood is a philosophical lament that sees sin as the only abyss of life The Tale of Archais is a dramatic love poem telling the story of Charicles and Archais a girl condemned to turn into a snake Charicles prays to his mother Aphrodite to change him into a beautiful girl to lure Zeus love and make him vow to change into a mortal for him her this then so Archais can bite and finally kill Zeus to lift the curse The allusions to adultery and the Christian God are obvious in this comedy After Songs of the Spirit the poems pick up Crowley s love of adulterous sex in the name of sin with the likes of The Honourable Adulterers The Five Kisses both in *Mysteries* and *Jezebel* and other Tragic Poems in fact the word tragedy was added to these pieces along with their own pseudonyms A E C and Count Vladimir Svareff again to protect Crowley s early reputation He knew in himself they were actually comedies The Temple of the Holy Ghost is a fusing of the poems in The Mother s Tragedy and other Poems and The Soul of Osiris A History and now introduces Golden Dawn allusions Sanskrit yoga terms qabbalistic terms and Egyptian mythology It was this latter book that was reviewed by the British poet and writer G K Chesterton quite polemically that led to Crowley s early feud with him The last piece Tannh user A Story of all Time ends Crowley s amateur stage and tells the legend of the Christian knight Tannh user already expressed by Wagner Crowley s source for the tale was probably the occult scholar Arthur Edward Waite Tannh user in the play leaves his Christian community and his childhood darling Elizabeth for the mysteries of Egypt and the God beyond time Oddly Crowley once stated that this play contained the theory of special relativity only Einstein usurped the phenomenon in 1905 by being more blatant      **The Weiser Concise Guide to Aleister Crowley** Richard Kaczynski, 2009-04-01 Shrouded in mystery and misunderstanding Aleister Crowley is one of the 20th century s most revered occult figures With *The Weiser Concise Guide to Aleister Crowley* readers are given a careful comprehensive overview of Crowley s life from poet to practicing magician as well as his life s work including the basic principles and rituals of his magical practices Set aside your preconceptions and dismiss the rumors Crowley was certainly a complex controversial and colorful man but the truth is far more interesting than the legend      **Selected Poems**

Charles-Pierre Baudelaire,2004-03-25 The poems of Charles Baudelaire are filled with explicit and unsettling imagery depicting with intensity every day subjects ignored by French literary conventions of his time Tableaux parisiens portrays the brutal life of Paris s thieves drunkards and prostitutes amid the debris of factories and poorhouses In love poems such as Le Beau Navire flights of lyricism entwine with languorous eroticism while prose poems such as La Chambre Double deal with the agonies of artistic creation and mortality With their startling combination of harsh reality and sublime beauty formal ingenuity and revolutionary poetic language these poems including a generous selection from Les Fleurs du Mal show Baudelaire as one of the most influential poets of the nineteenth century *Selected Poems* David Gascoyne,1994 The Dictionary of Magic & Mystery Melusine Draco,2012-05-25 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic **Edward Thomas: Prose Writings: A Selected Edition** Edna Longley,2023-10-12 Edward Thomas can be seen as the most important poetry critic in the early twentieth century Thomas was a prose writer before he was a poet The Selected Edition of his prose and especially this volume shows that he was also a critic before he was a poet His unusual literary career opens up key questions about the relation between poetry and criticism as well as between poetry and prose Thomas wrote books about poetry but his criticism mainly took the form of reviews He reviewed collections editions and studies of poetry most regularly for the Daily Chronicle and the Morning Post These reviews amount to a unique commentary on the state of poetry and of poetry criticism after 1900 Since reviewing provided Thomas s main income he also reviewed other kinds of book Hence the sheer mass of his reviews the stress he suffered as a literary journalist Yet his criticism maintains an astonishingly high standard Thomas s response to contemporary poetry intersects with his readings of older poetry No critic or poet of the time was so deeply acquainted with the traditions of English language poetry or so alert to new poetic movements in Ireland and America Edward Thomas s writings on poetry have a double importance Besides suggesting the hidden evolution of his own aesthetic they constitute a lost history and critique of poetry before the Great War They change our assumptions about that period Thomas s perspectives on poets such as Yeats Hardy Frost Lawrence and Pound illuminate the making of modern poetry Collected Poems Djuna Barnes,2005 This collection of many unpublished works of American writer Djuna Barnes is accompanied by her autobiographical notes which describe the expatriate scene in Paris during the 1920s including her interactions with James Joyce and Gertrude Stein and her intimate recollections of T S Eliot **Memoirs of a High Priest** Alexander Cabot,2025-10-28 Featuring foreword by Laurie Cabot Official Witch of Salem Alexander Cabot s remarkable story begins in Communist Cuba and takes him to New York Salem Britain Brazil and beyond engaging with a miasma of spiritual and magical systems and a fascinating cast of influential practitioners along the way Through Cabot s firsthand accounts

**Aleister Crowley, Sylvester Viereck, Literature, Lust, and the Great War** Patrick J. Quinn, 2021-09-28 This book explores the lives of two writers one born in Germany Viereck and one born in England Crowley who were both influenced by decadent French writers such as Baudelaire and Mirbeau and English poets such as Swinburne and Wilde They both wrote decadent poetry early in their careers before becoming known in literary circles as two of the most wicked writers in America Viereck and the world Crowley By their twenties their reputations as rebels against the restrictive and stifled cultures they inhabited were firmly established Both men enjoyed breaking with the status quo by writing poetry short stories and plays with exotic scenes that celebrated the beauty of the female body Both writers were captivated by the femme fatale and her deleterious effect on her male victims robbing them of their opportunity for transcendence into a spiritual realm Their work especially their love poetry their science fiction works dealing with vampires and articles and essays concerning the onset of the Great War are still very readable today What is also intriguing is that in 1915 both men were working together in New York where Viereck was the editor of two pro German magazines The Fatherland and The International Searching for an editorial position at that time Crowley learned about an opening and was hired by Viereck There is speculation that Crowley's discovery of the job opening for these pro German magazines was a clever plan on the part of the British secret service to place one of their agents inside the German spy network in America of which Viereck was a key player Propaganda intrigue cover ups and the American declaration of war on Germany all make this alliance between the two very decadent poets and perhaps spies or even double agents worth knowing more about

Although the life of Federico García Lorca 1898-1936 was tragically brief the Spanish poet and dramatist created an enduring body of work of international importance This selection of 55 poems from a 1921 collection represents some of García Lorca's finest work Imbued with Andalusian folklore rich in metaphor and complex spirituality they attest to the poet's popularity as one of Spain's most widely read authors Love among the Poets Pearl Chaozon Bauer, Erik Gray, 2024-04-16

British literature of the Victorian period has always been celebrated for the quality innovativeness and sheer profusion of its love poetry Every major Victorian poet produced notable poems about love This includes not only canonical figures such as Alfred Lord Tennyson Robert and Elizabeth Barrett Browning and Christina Rossetti but also lesser known poets whose works have only recently become widely recognized and studied such as Augusta Webster and the many often anonymous working class poets whose verses filled the pages of popular periodicals Modern critics have claimed convincingly that love poetry is not just one strain of Victorian poetry among many it is arguably its representative even definitive mode This collection of essays reconsiders the Victorian poetry of love and just as importantly of intimacy a more inclusive term that comprehends not only romance but love for family for God for animals and for language itself Together the essays seek to define a poetics of intimacy that arose during the Victorian period and that continues today a set of poetic structures and

strategies by which poets can represent and encode feelings of love There exist many studies of intimate relations especially marriage in Victorian novels But although poetry rivals the novel in the depth and diversity of its treatment of love marriage and intimacy that aspect of Victorian verse has remained underexamined Love among the Poets offers an expansive critical overview With its slate of distinguished contributors including scholars from the US Canada Britain and Australia the volume is a wide ranging account of this vital era of poetry and of its importance for the way we continue to write love and live today
