The War Within Alexis Peri, 2017-01-02 Winner of the Pushkin House Russian Book Prize Winner of the University of Southern California Book Prize Honorable Mention Reginald Zelnik Book Prize Fascinating and perceptive Antony Beevor New York Review of Books Stand aside Homer I doubt whether even the author of the Iliad could have matched Alexis Peri s account of the 872 day siege which Leningrad endured Jonathan Mirsky The Spectator Powerful and illuminating A fascinating insightful and nuanced work Anna Reid Times Literary Supplement Much has been written about Leningrad s heroic resistance But the remarkable aspect of Peri s book is that she tells a very different story recounting the internal struggles of ordinary people desperately trying to survive and make sense of their fate John Thornhill Financial Times A sensitive at times almost poetic examination of their emotions and disordered mental states It both contrasts with and complements the equally accurate official Soviet portrait of a stalwart population standing firm in the face of evil and in defense of Soviet ideals Robert Legvold Foreign Affairs In September 1941 two and a half months after the Nazis invaded the Soviet Union the German Wehrmacht encircled Leningrad Cut off from the rest of Russia the city remained blockaded for 872 days at a cost of almost a million lives It was one of the longest and deadliest sieges in modern history The War Within chronicles the Leningrad blockade from the perspective of those who endured it Drawing on unpublished diaries Alexis Peri tells the tragic story of how young and old struggled to make sense of a world collapsing around them When the blockade was lifted in 1944 Kremlin officials censored publications describing the ordeal and arrested many of Leningrad s wartime leaders Some were executed Diaries now dangerous to their authors were concealed shelved in archives and forgotten The War Within recovers these lost accounts shedding light on one of World War II s darkest episodes while paying tribute the resilience of the human spirit

The Rise of the Therapeutic Society Katie Wright,2015-02-25
An examination of the Western world s contemporary fascination with psychological life and the historical developments that fostered it In this book sociologist Katie Wright traces the ascendancy of therapeutic culture from nineteenth century concerns about nervousness to the growth of psychology the diffusion of an analytic attitude and the spread of therapy and counseling using Australia as a focal point Wright s analysis which draws on social theory cultural history and interviews with therapists and people in therapy calls into question the pessimism that pervades many accounts of the therapeutic turn and provides an alternative assessment of its ramifications for social political and personal life in the globalized West Special Commendation TASA Raewyn Connell Prize **The Sino-Japanese War and Youth Literature** Minjie Chen,2016-01-22
The Sino Japanese War 1937 1945 was fought in the Asia Pacific theatre between Imperial Japan and China with the United States as the latter s major military ally An important line of investigation remains questioning how the history of this war has been passed on to post war generations consciousness and how information sources particularly those exposed to young people in their formative years shape their knowledge and bias of the conflict as well as World War II more generally This book is the first to focus on how the Sino Japanese War has been represented in non English and English sources for children and young adults As a cross cultural study and an interdisciplinary endeavour it not only examines youth orientated publications in China and the United States but also draws upon popular culture novelists memoirs and family oral narratives

to make comparisons between fiction and history Chinese and American sources and published materials and private memories of the war Through quantitative narrative analysis literary and visual analysis and socio political critique it shows the dominant pattern of war stories traces chronological changes over the seven decades from 1937 to 2007 and teases out the ways in which the history of the Sino Japanese War has been constructed censored and utilized to serve shifting agendas Providing a much needed examination of public memory literary representation and popular imagination of the Sino Japanese War this book will have huge interdisciplinary appeal particularly for students and scholars of Asian history literature society and education **Pharsalia (aka "The Civil War")** Marcus Annaeus Lucanus,2022-09-16 Reproduction of the original

Rise Above Your Emotions Shenica Coleman, 2010-06 Dear Beloved I have become enormously impressed by our potential therefore I am compelled to connect our spirits for future advancement My genuine concern for all women stems from the years of malicious abuses that I as well as many others had the misfortune of suffering And that will ultimately continue on for many years to come unless we begin to reform ourselves With all of our unfailing beauty and strengths in our attempts to connect to one another the mass of our pretentious cries have gone unheard So I am candidly coming to you with an olive branch peace holding myself partially responsible for not living up to my moral obligations as your sister I am hoping that this material will empower our souls minds spirits and hearts enough to begin destroying walls of ignorance walls that are enslaving our minds and causing a debauched separation As babies in this mission I say let's advance ladies Let's grow into a force to be appreciated respected and reckoned with I challenge you to work with me to empower uplift and reform Be very mindful In order to do the aforementioned we must first work feverishly in leading by example as we're Rising Above Our Emotions To whom much is given much is expected and required From your sister and friend Shenica N Coleman *The*

Price of Freedom Sergeant Don Reeves (Retired), 2011-10-14 Most of us take for granted the freedoms this country has been blessed with but freedom is not free This is my story a simple southern boy from Arkansas who at the age of eleven wanted to be a marine I found myself in the Vietnam War at the age of eighteen that pushed me to the limit physically and psychologically The images I carry in my mind are still horrifying at times and for many years I blamed myself for my fallen comrades Feelings of anger hate guilt and bitterness were trapped within my soul and ate at me a little each day until there was no more of me left Miraculously I was redeemed when I re-found my faith in God and the soul mate who helped me through it all I truly hope you enjoy reading it as much as I enjoyed writing it Semper Fi
