## **Aladdins Problem The Eridanos Library:**

*Aladdin's Problem* Ernst Jünger, 1992 Elegant allegorical tale of Frederick Baroh descended from a once aristocratic family who joins his uncle's funeral business and develops a vast lucrative necropolis Kabbalah and Modernity Bo'az Hus, Marco Pasi, Kocku Von Stuckrad, 2010 This volume brings together leading representatives of the recent debate about the persistence of kabbalah in the modern world It breaks new ground for a better understanding of the role of kabbalah in modern religious intellectual and political discourse **Eumeswil** Ernst Jünger, 1993 A political novel set in a futuristic state run by a tyrant and narrated by the tyrant's historian The novel's originality lies in its willingness to question such generally accepted ideas as democracy and mass education By a well known German writer **The Details of Time** Julien Hervier, 1995 From a series of informal interviews at the time of the author's ninetieth birthday The Details of Time Conversations with Ernst Junger is the intense account of a life spanning the whole of the twentieth century Both witness and active player in some of our century's most dramatic and often tragic moments Junger talks here with remarkable candor of the events and ideas that shaped him as a writer Scarred by terrible ironies and contradictions Junger's extraordinary career holds as much fascination as his writing escape to Africa as a teenager to join the French foreign legion wounded fourteen times in the trenches and awarded Germany's highest distinction during World War I service as an officer in Occupied France during World War II while writing *On the Marble Cliffs* a thinly veiled attack on the Nazi regime that slipped past the censors to gain notoriety as an international best seller his association with the July 20 assassination attempt against Hitler and finally the difficult years of a notorious man of letters who would also become a noted entomologist and a onetime dabbler in hallucinogenics These conversations are an intense reflection on the major events of the author's life from a childhood marked by the Dreyfuss Affair and the sinking of the Titanic to his meetings with such major figures as Heidegger Borges Picasso and Braque Junger treats ambiguous sometimes alarming beliefs with rare honesty affording an absorbing often haunting look into the mind of one of Europe's most renowned writers Full of wit and wisdom The Details of Time is a perfect introduction to Junger's work as well as a personal testament to a life in which joie de vivre and intellect are inevitably intertwined Bowker's Guide to Characters in Fiction, 2003 *The New York Times Book Review*, 1992-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback Children's Books in Print, 2007, 2006 *A Dangerous Encounter* Ernst Jünger, 1993 Toward the end of the nineteenth century on a crisp autumn Sunday in Paris a dreamy young man named Gerhard takes a solitary stroll Handsome and well bred with a comfortable embassy job he seems perfectly poised to continue his predictable ascent in society Yet a fateful naivete and a mysterious timidity lie twined at the root of his soul choking off his engagement with life and making him as vulnerable to its dangers as a sleepwalker A chance encounter with Leon Duchase a jaded and dyspeptic aesthete draws Gerhard into a new orbit the gamy underside of Paris a vortex of

eroticism twisted passions and crime Duchase quickly maneuvers him into a liaison with an unstable married woman As the would be lovers sit hand in hand in a seedy hotel Gerhard witnesses the stabbing murder of a young ballerina Junger s trap is sprung after luring us like Gerhard himself into the languorous world of decadent pleasure he plunges the reader into a crackling detective novel complete with an engagingly metaphysical investigator The surprising twists of the plot are haunted at every turn by the presence of Jack the Ripper whose crimes on the other side of the Channel have spread fear throughout the city Nothing Junger writes is without allegorical overtones and in A Dangerous Encounter he gives us along with a novel of great narrative zest and acute psychological penetration a portrait of a culture s loss of innocence as it stands at the brink of the twentieth century That Junger can succeed so simply yet so forcefully and on so many levels at once is a testament to a major modern artist working at the peak of his powers      René's Flesh Virgilio Piñera,1992 Finally available in paperback one of the neglected masterpieces of Latin American literature an obsessive yet lucid exploration of the human body as a nexus of power and pleasure Twenty year old Rene is sent to be groomed at a boarding schoolwhose motto is Suffer in silence It is there that his education inthe service of pain begins      **An Offering for the Dead** Hans Erich Nossack,1992 Hans Erich Nossack s work is a link between the titans of early 20th century German fiction Mann Musil and Broch and the later generation of Boll and Grass An Offering for the Dead is a small hard gem set in the crown of that tradition It was raining again the narrator of this haunting novel begins He has survived some unmentionable perhaps worldwide cataclysm a biblical flood nuclear war that has stripped him of his memory and most everything else A woman s room a notebook a mirror her comb these artifacts in a void are all that remain his first clues to the past his own and the world s His errant musings reminiscent of the guilt driven wanderings of Orestes gradually piece together a history he must both remember and create in order to regain his identity and like Noah repopulate a world in which he may be the only survivor In a delicately allusive prose that resonates with overtones of man s ancient past and darkly apocalyptic warnings Nossack like Joyce and Proust before him exposes the mythical undercurrents of contemporary life Past present and future blend into an eternal return of archetypal figures whose stories transform human history into a timeless parable of creative memory and immemorial destruction      *Lieutenant Kijé ; Young Vitushishnikov* Илья́ Николаевич Тини́ца, Yury Tynyanov,1992      *Books in Print* ,1994      *Publishers Directory* ,1994      **Forthcoming Books** Rose Arny,2003
