Alamos Talados:

The Ironic Apocalypse in the Novels of Leopoldo Marechal Norman Cheadle, 2000 A fresh look at the Argentine novelist Marechal emphasises his subversive approach in his novels to the Peronist politics of his time Leopoldo Marechal has become a chosen precursor of many contemporary Argentine writers cineastes and intellectuals and so his novels universally recognized but rarely studied demand treatment from a contemporary critical sensibility This study departs from the line of criticism that reads Marechal as a Christian apologist arguing instead that Marechal's metaphysical novels are really metafictional ludic exercises informed by ironic scepticism Ad n Buenosayres 1948 inverts the Christian Platonist narrative of redemption through the Logos in El Banquete de Severo Arc ngelo 1965 Marechal tongue firmly in cheek leads his readers on a metaphysical wild goose chase and in Megaf n o la guerra 1970 he finally lays apocalypticism to rest The close readings of his novels presented in this book help to lay the theoretical groundwork underpinning Marechal's reinscription

incontemporary Argentine culture **The Argentine Novel** Myron I. Lichtblau, 1997-03-27 The Argentine Novel is a comprehensive bibliography of the Argentine novel from its beginnings in 1788 the year Miguel Learte wrote Las aventuras de Learte until 1990 when such authors as Osvaldo Soriano and Luisa Valenzuela published their popular novels In addition to novels the bibliography includes works which may be considered under the rubric of short novel such as novela corta which in spite of its short length partakes more of the novel than the short story in its basic literary conception plot development and narrative scope Where possible all editions of each novel or work are cited as well as translations into foreign languages and citations may be followed by one or more critical commentaries or select bibliographies of additional studies on the work or its author This exhaustive work serves as the definitive guide to this genre in Argentine literature A must for all collections that support comparative literature studies Hispanic studies or as a guide to popular reading The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams, 2007 In this expertly crafted richly detailed guide Raymond Leslie Williams explores the cultural political and historical events that have shaped the Latin American and Caribbean novel since the end of World War II In addition to works originally composed in English Williams covers novels written in Spanish Portuguese French Dutch and Haitian Creole and traces the profound influence of modernization revolution and democratization on the writing of this era Beginning in 1945 Williams introduces major trends by region including the Caribbean and U S Latino novel the Mexican and Central American novel the Andean novel the Southern Cone novel and the novel of Brazil He discusses the rise of the modernist novel in the 1940s led by Jorge Luis Borges's reaffirmation of the right of invention and covers the advent of the postmodern generation of the 1990s in Brazil the Generation of the Crack in Mexico and the McOndo generation in other parts of Latin America An alphabetical guide offers biographies of authors coverage of major topics and brief introductions to individual novels It also addresses such areas as women's writing Afro Latin American writing and magic realism The guide's final section includes an annotated bibliography

of introductory studies on the Latin American and Caribbean novel national literary traditions and the work of individual authors From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization The Columbia Guide to the Latin American Novel Since 1945 presents a comprehensive accessible portrait of a thoroughly diverse and complex branch of world literature **Buenos Aires** Stanley R. Ross, Thomas F. McGann, 2014-09-10 Buenos Aires has been called the Paris of Latin America and the comparison is just for in style of life and city design Buenos Aires resembles not only the City of Light but also the other great world capitals London Rome New York Buenos Aires 400 Years attests to the long diverse and fascinating life of this urban mass of some six hundred square miles and eleven million inhabitants which began as a tiny palisaded outpost on the remote fringe of the Spanish Empire That colonial past is skillfully described here but so too is the future of Buenos Aires Each essay reveals much about the sociological and economic life of the city and the dynamic history of its people This informative volume derives from a conference held at the Library of Congress in September 1980 which was dedicated to the 400th anniversary of the founding of Buenos Aires The conference was jointly sponsored by the University of Texas at Austin and the Municipality of Buenos Aires **The Spanish American Novel** John S. Brushwood, 2014-07-03 In The Spanish American Novel John S Brushwood analyzes the twentieth century Spanish American novel as an artistic expression of social reality In relating the generic history of the novel to extraliterary events in Spanish America he shows how twentieth century fiction sets forth the essence of such phenomena as the first Per n regime the Mexican Revolution the Che Guevara legend indigenismo and the strongman political type In essence he views the novel as art rather than as document but not as art alienated from society The discussion is organized chronologically opening with the turn of the century and focusing on novels from 1900 to 1915 that exemplify various aspects of the nineteenth century literary inheritance Brushwood then highlights the avant garde fiction influenced by Proust and Joyce of the 1920s as a precursory movement to the new Latin American novel a phenomenon that came into its own during the 1940s He then examines the boom in Spanish American fiction the period of extensive international recognition of certain works which he dates from 1962 or 1963 In each era considered the development of the novel is placed in dual perspective One view that of particularly significant novels in light of others published during the same year is a cross section of the genre at one particular moment The second view that of a panorama of novels published in intervals between significant moments in the history of the novel is more general and selective in the number of books discussed Combining the historical with the analytical approach the author proposes that the experience of a novel in which reality has been transformed into art is essential to our understanding of that reality **South American Cinema** Luis Trelles Plazaola, 1989 **Las Provincias y su literatura** Hilda Gladys Fretes, 1991 Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 Latin American Writers on Gay and Lesbian Themes David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature

have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author s writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

Boletín de artes visuales, 1967. **El silbido del arquero** Irene Vallejo, 2022-10-11. Una novela breve que dialoga entre pocas entre exiliados y vidas que recomienzan entre dioses y hombres. En términos del cine contemporáneo *El silbido del arquero* es el remake polifónico de un clásico escrito con prosa expresiva y muy cuidada que nos brinda pasajes profundos. Jaime Panqueva. Luego del asedio de Troya obligado a huir para salvar a su familia el derrotado héroe Eneas recibe una visión sobre el futuro de su casta. Acompañado de un puñado de sobrevivientes se embarca hacia lo desconocido y naufraga en Cartago donde es bien recibido por la reina Elisa y puede al fin atisbar la redención de su estirpe. Unos siglos más tarde el poeta Virgilio recibe del emperador Augusto la encomienda de narrar la gloriosa historia de Roma enraizada en aquella primera aventura de Eneas. Indeciso por la forma de llevar a cabo esta tarea el poeta se pasea por la ciudad en busca de la inspiración incapaz de ignorar la miseria que se oculta detrás del capáz y mermol pulido de sus calles. El mito la historia la aventura el romance y la guerra se entrecruzan en esta novela coral para recordarnos que el pasado está imbricado en las fibras del presente. Irene Vallejo da muestras de su erudición y su talento narrativo con cada capítulo y ejerce un hipnótico llamado a sus lectores para mirar con ojos siempre nuevos las lecciones que el pasado tiene para ofrecer. *Una vida de ley* Mario Pretel, 2021-06-01. Tempranamente él supo que su vida sería en pos de un objetivo. Para ello transitó los más diversos caminos plagados de anécdotas sobre aventuras logros y fracasos. En este relato de su vida y más allá de su diversificación el autor se propone mostrar cómo desde un principio intenta arribar a la meta que se fijó. En el escrito se alía las penurias fracasos enfermedades y escollos que debió pasar. También con la lectura de su relato se puede apreciar que no escatimó esfuerzos para lograrlo. Se valió de sus armas insuperables como la fuerza de voluntad la perseverancia. Al llegar a la ambicionada cumbre y lograr la tan ansiada felicidad familiar se enfrentó con nuevos cuestionamientos. Estaba allí lo que tan afanosamente buscaba. La dedicación permanente el trabajo constante sacrificado y desmedido se vieron compensados con lo que pensaba encontrar. **El teatro y su mundo** Osvaldo Pellettieri, Grupo de Estudios de Teatro Argentino, 1997. **Vituperio (y algún elogio) de la errata** José Esteban, 2002.
