Albert Camus The Thinker The Artist The Man:

Albert Camus Stephen Eric Bronner,1996 A biography of the Algerian born French existential novelist dramatist and essayist *Journal of The Albert Camus Society* Camus Society 2010,2011-02-05 The 2010 Journal of The Albert Camus Societies of the UK and US For more information visit Camus Society com UK **Rethinking the Politics of Absurdity** Matthew H. Bowker,2013-11-12 What does it mean to describe something or someone as absurd Why did absurd philosophy and literature become so popular amidst the violent conflicts and terrors of the mid to late twentieth century Is it possible to understand absurdity not as a feature of events but as a psychological posture or stance If so what are the objectives dynamics and repercussions of the absurd stance And in what ways has the absurd stance continued to shape postmodern thought and contemporary culture In *Rethinking the Politics of Absurdity* Matthew H Bowker offers a surprising account of absurdity as a widespread endeavor to make parts of our experience meaningless In the last century he argues fears about subjects destructive desires have combined with fears about rationality in a way that has made the absurd stance seem attractive Drawing upon diverse sources from philosophy literature politics psychoanalysis theology and contemporary culture Bowker identifies the absurd effort to make aspects of our histories our selves and our public projects meaningless with postmodern revolts against reason and subjectivity Weaving together analyses of the work of Albert Camus Georges Bataille Judith Butler Emmanuel Levinas and others with interview data and popular narratives of apocalypse and survival Bowker shows that the absurd stance and the postmodern revolt invite a kind of bargain in which meaning is sacrificed in exchange for the survival of innocence Bowker asks us to consider that the very premise of this bargain is false that ethical subjects and healthy communities cannot be created in absurdity Instead we must make meaningful even the most shocking losses terrors and destructive powers with which we live Bowker s book will be of interest to scholars and practitioners in the fields of political science philosophy literature psychoanalysis sociology and cultural studies *The Development of Albert Camus's Concern for Social and Political Justice* Mark Orme,2007 Chronological in character the book seeks to evaluate the evolution of Camus s lifelong preoccupation with sociopolitical justice as expressed in a range of nonfictional genres essays journalism articles speeches notebooks and personal correspondence where the writer s own concerns come directly to the fore *Casablanca's Conscience* Robert Weldon Whalen,2024-02-06 A new look at a beloved classic film that explores the philosophical dynamics of *Casablanca* Celebrating its eightieth anniversary this year *Casablanca* remains one of the world s most enduringly favorite movies It won three Academy Awards for Best Picture Best Director and Best Adapted Screenplay It is still commonly quoted We ll always have Paris and Here s looking at you kid And who can forget You must remember this a kiss is just a kiss Yet no one expected much to come of this little film certainly not its blockbuster stars or even the studio producing it So how did this hastily cranked out 1940s film despite its many limitations become one of the greatest films ever made How is it that year after year decade after decade it continues to appear in the lists of the greatest movies ever

produced And why do audiences still weep when Rick and Ilsa part The answer according to Casablanca's Conscience is to paraphrase Rick It's true Much has already been written about the film and the career defining performances of Bogart and Bergman Casablanca is an epic tale of love betrayal and sacrifice set against the backdrop of World War II Yet decades later it continues to capture the imagination of filmgoers In Casablanca's Conscience author Robert Weldon Whalen explains why it still resonates so deeply Applying a new lens to an old classic Whalen focuses on the film's timeless themes Exile Purgatory Irony Love Resistance and Memory He then engages the fictional characters Rick Ilsa and the others against the philosophical and theological discourse of their real contemporaries Hannah Arendt Dietrich Bonhoeffer and Albert Camus The relationships between fictional and historical persons illuminate both the film's era as well as perennial human concerns Both the film and the work of the philosophers explore dimensions of the human experience which while extreme are familiar to everyone It's the themes that resonate with the viewer that have sustained it as an evergreen classic all these years

Albert Camus as Political Thinker Samantha Novello, 2010-10-12 An intense genealogical reconstruction of Camus's political thinking challenging the philosophical import of his writings as providing an alternative aesthetic understanding of politics political action and freedom outside and against the nihilistic categories of modern political philosophy and the contemporary politics of contempt and terrorisms

Brill's Companion to Camus, 2020-01-13 This book is the first English language collection of essays by leading Camus scholars from around the world to focus on Albert Camus place and status as a philosopher amongst philosophers After a thematic introduction the dedicated chapters of Part 1 address Camus relations with leading philosophers from the ancient Greeks to Jean Paul Sartre Augustine Hume Kant Diderot Nietzsche Kierkegaard Husserl Hegel Marx Sartre Part 2 contains pieces considering philosophical themes in Camus works from the absurd in *The Myth of Sisyphus* to love in *The First Man* the absurd psychoanalysis justice Algeria solidarity and solitude revolution and revolt art asceticism love

CONTENTS The Novels *The Stranger* 1942 *The Plague* 1947 *The Fall* 1956 The Short Stories *Exile and the Kingdom* 1957 The Plays *Caligula* 1948 *The Misunderstanding* 1948 *The State of Siege* 1948 *The Just Assassins* 1948 *The Possessed* 1959 The Non Fiction *Between* 1937 *Nuptials* 1938 *The Myth of Sisyphus* 1942 *Summer in Algiers* 1942 *The Minotaur or the Stop in Oran* 1942 *Helen s Exile* 1942 *Return to Tipasa* 1942 *The Rebel* 1951 *Resistance Rebellion and Death* 1961

Sartre's French Contemporaries and Enduring Influences William L. McBride,2013-09-13 Sartre s French Contemporaries and Enduring Influences This final volume examines Sartre s best known philosophical contemporaries in France Albert Camus Maurice Merleau Ponty and Simone de Beauvoir in terms of both their own philosophical insights and their relationship to Sartre s thought The articles also offer some suggestive connections between Sartre s thought and subsequent developments in European philosophy notably structuralism poststructuralism and postmodernism The comparatively recent nature of much of this scholarship is solid testimony to the enduring influence of Sartrean existentialism

Camus' Answer Robert Trundle,2001-01-01 This work investigates whether Camus idea of living without conceptual absolutes is an attainable goal

Thomas Merton's Art of Denial David D. Cooper,2008-12-01 Trappist monk and best selling author Thomas Merton battled constantly within himself as he attempted to reconcile two seemingly incompatible roles in life As a devout Catholic he took vows of silence and stability longing for the security and closure of the monastic life But as a writer he felt compelled to seek friendships in literary circles and success in the secular world In *Thomas Merton s Art of Denial* David D Cooper traces Merton s attempts to reach an accommodation with himself to find a

way in which the silence of the monk could live compatibly with the racket of the writer From the roots of this painful division in the unsettled early years of Merton's life to the turmoil of his directionless early adult years in which he first attempted to write he was besieged with self doubts Turning to life in a monastery in Kentucky in 1941 Merton believed he would find the solitude and peace lacking in the quotidian world But as Merton once wrote An author in a Trappist monastery is like a duck in a chicken coop And he would give anything in the world to be a chicken instead of a duck Merton felt compelled to choose between life as either a less than perfect priest or a less prolific writer Discovering in his middle years that the ideal monastic life he had envisioned was an impossibility Merton turned his energies to abolishing war It was in this pursuit that he finally succeeded in fusing the two sides of his life converting his frustrated idealism into a radical humanism placed in the service of world peace Here is a portrait of a man torn between the influence of the twentieth century and the serenity of the religious ideal a man who used his own personal crises to guide his youthful ideals to a higher purpose **Heidegger**

on Being Self-concealing Katherine Withy, 2022 What is Heidegger talking about when he says that being conceals itself This is the first study to systematically address that question Withy sorts the phenomena of concealing and concealment that Heidegger discusses into a highly structured taxonomy thereby clarifying Heidegger's notoriously difficult discussions of being as self concealing *Life as Art* Zachary Simpson, 2012-01-01 Life as Art synthesizes a number of aesthetic theories in philosophy after 1850 and shows the ways in which they contribute to a unified field of analysis and potential implementation The book is framed both as a secondary text analyzing 19th and 20th Century aesthetics and a primary argument for the viability of life as art as a unified philosophical position *Reference Guide to Short Fiction* Thomas Riggs, 1999 Reference

Guide to Short Fiction provides study and commentary on the most instrumental writers of short fiction through the 20th century International in scope this single scholarly volume includes 779 entries on 377 authors and 402 short stories The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals Albert Camus Ramin Jahanbegloo, 2019-12-05 This book interprets the ideas thoughts and concepts that characterize the writings and philosophy of Albert Camus for our contemporary times It investigates Camus revolted

compassion as an outsider and a philosopher writer who in his own words believed in creating dangerously The author examines Camus interventions on political philosophical and moral questions such as Algerian independence capital

punishment ideological violence nihilism in the context of his ideals of the absurd and revolt and justice and liberty Further it goes on to provide an exhaustive analysis of Camus critique of violence and his intellectual resistance to totalitarianism Bringing together latest scholarship with an acute analysis of Albert Camus philosophy this sourcebook throws a powerful light on the intellectual foundations of the twentieth century and its relevance for the twenty first The book will be of interest to scholars of literature philosophy and African Studies Speaking the Unspeakable Peter Michelson,1993-01-01 This book studies the literary and cinematic functions of the pornographic as a development from a poetics of obscenity It focuses on the developments of French British and American artistic pornography since the eighteenth century Discussing female literary figures including Hall Wharton Nin Reage Jong and Shulman such men as Cleland Sade Beardsley Lawrence Joyce and Miller and film makers such as Brakhage Jack Smith Bruce Conner Bertolucci Oshima and Wertmuller Michelson analyzes both the use of aesthetic pornography and the philosophical cultural and legal implications of its use He proposes that realizing the obscene in the sense of speaking the unspeakable is the principle aesthetic function of pornography

Performance Art in China Thomas J. Berghuis,2006 Performance Art in China takes as its subject one of the most dynamic and controversial areas of experimental art practice in China In his comprehensive study Sydney based theorist and art historian Thomas J Berghuis introduces and investigates the idea of the role of the mediated subject of the acting body in art a notion grounded in the realization that the body is always present in art practice as well as its subsequent secondary representations Through a series of in depth case studies Berghuis reveals how during the past 25 years Chinese performance artists have acted out their art often in opposition to the principles governing correct behavior in the public domain In addition to a 25 year chronology of events a systematic index of places names and key terms as well as a bibliography and a glossary in English and Chinese this study also offers the reader numerous previously unpublished photos and documents
