Albert Schweitzer:

Albert Schweitzer James Brabazon, 1975 James Brabazon updates his critically acclaimed biography of humanitarian Albert Schweitzer to include a wealth of recently discovered documents including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage Brabazon's research has also included recently released documents from the State Department regarding Schweitzer's battle with the United States Atomic Energy Commission to halt H bomb tests Copyright Libri GmbH All rights reserved *Albert Schweitzer* Nils Ole Oermann, 2017 This new biography provides a rich and varied insight into the life work and thought of Albert Schweitzer an individual of mythical stature who was active as a theologian musician philosopher physician and missionary Schweitzer's life was not however a straight path from his provincial birthplace in Alsace to his university studies in Strasbourg then leading directly to his missionary work at a jungle hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are detours and setbacks and Schweitzer's life was no exception The actual course of Schweitzer's life however is barely discernible in his autobiography *Out of my Life and Thought* This idealized life story has been told and retold by biographers and journalists with relatively little critical scrutiny Drawing on published and unpublished material including newly released personal papers shedding light on Schweitzer's dealings with the East German authorities and his role in the anti nuclear movement as well as a number of interviews most notably with his daughter Rhena Oermann succeeds in creating not only a more realistic but also a more humane portrait of Albert Schweitzer A Treasury of Albert Schweitzer Albert Schweitzer, 2014-12-02 Collected here in a single volume are the most important philosophical writings of Albert Schweitzer one of the greatest thinkers and humanitarians of our time Carefully chosen from among his many written works the selections in this anthology illuminate and amplify Dr Schweitzer's cardinal principle of belief a reverence for life Among the important and revealing works included are *Pilgrimage to Humanity* which outlines his philosophy of culture the early influences in his life and his ideal of world peace *The Light Within Us* one of the twentieth century's most significant and beautiful statements of one man's faith in his fellow man and *Reverence for Life* which states with great clarity and conviction the essence of Schweitzer's wisdom Because of his legendary fame as a medical missionary other equally important and outstanding aspects of Schweitzer's life are not as well known Readers of this book will realize that Albert Schweitzer was a truly creative thinker whose concern with the problems of the human spirit and whose methods of expressing this concern have raised him to the stature of one of the world's foremost philosophers **Albert Schweitzer, Musician** Michael Murray, 1994 Although chiefly remembered as a humanitarian and Nobel Prize winner Albert Schweitzer was a renowned concert organist and musicologist His writings changed the course of Bach scholarship and of organ building early in the twentieth century in Europe and North America His musical activities however have been the subject of only one book in English published in the 1950s whose purpose was biographical rather than critical This has resulted in

mistaken assumptions about his role as a musician not the least of which is the view of Schweitzer as founder of Baroque reform movements whose ideals in fact he deplored Albert Schweitzer Musician offers an account of his training and of the masters who formed the tradition he belonged to his writings recitals recordings and friendships with other musicians It includes previously unpublished letters comments and advice on organ design techniques advocated to performers a biographical sketch and a comprehensive bibliography BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The African Sermons Albert Schweitzer, 2003-04-01 Every Sunday in Lambar n Gabon Albert Schweitzer delivered an outdoor sermon in French Although never intended for publication many of the sermons were transcribed by Schweitzer s listeners Translated into English and collected in one volume for the first time Steven E G Melamed Sr surviving sermons make a great contribution to the field characterizing Schweitzer s simplicity of language his emphasis on personal conduct and his adaptation of biblical stories to the everyday realities of African life Delivered between 1913 and 1935 these sermons evolved as Schweitzer matured and became more attuned to his surroundings Since it contains what is most likely the entire extant corpus of Schweitzer s sermons in Africa this book fills a significant gap in Schweitzer scholarship affording unique insight into his own beliefs and the prevailing European attitude toward Africans A
