The Albigensian Crusade Jacques Madaule,1967 Review Robert Ignatius Burns,1969 *The Albigensian Crusade. An Historical Essay ... Translated by Barbara Wall* ,1967 Historical Essays Edward Augustus Freeman,Freeman,1892

A Cumulative Bibliography of Medieval Military History and Technology, Update 2003-2006 Kelly DeVries,2008-01-31 This is the second update of A Cumulative Bibliography of Medieval Military History and Technology which appeared in 2002 It is meant to do two things to present references to works on medieval military history and technology not included in the first two volumes and to present references to all books and articles published on medieval military history and technology from 2003 to 2006 These references are divided into the same categories as in the first two volumes and cover a chronological period of the same length from late antiquity to 1648 again in order to present a more complete picture of influences on and from the Middle Ages It also continues to cover the same geographical area as the first and second volume in essence Europe and the Middle East or again influences on and from this area The languages of these bibliographical references reflect this geography **The Albigensian Crusade** Jacques Madaule,1967 *The Encyclopedia of War, 5 Volume Set* Gordon Martel,2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe Arranged in A Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell s comprehensive online reference collection Learn more at www.encyclopediaofwar.com Selected by Choice as a 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention **Eric Voegelin and the Problem of Christian Political Order** Jeffrey C. Herndon,2007 Although some critics of Eric Voegelin s later work have faulted his failure to deal with the historical Jesus and to address the implications of Christianity for social and political life the recent publication of Voegelin s History of Political Ideas has allowed a more complete assessment of his position regarding the Christian political order This book addresses that criticism through an analysis of Voegelin s early work In Eric Voegelin and the Problem of Christian Political Order Jeffrey C Herndon analyzes the development of Voegelin s thought regarding the origins of Christianity in the person of Jesus the development of the church in the works of Paul and the relationship between an immanent institutional order symbolizing the divine

presence and the struggle for social and political order Focusing on the tension between a spiritual phenomenon based on Pauline faith and the institutionalization of that experience in the church Herndon offers one of the first examinations of the relationship of the History of Political Ideas to Voegelin's larger body of work In his wide ranging study Herndon explores Voegelin's examination of the problem of Christian political order from the inception of Christianity through the Great Reformation He also presents a clarification of Voegelin's theory of civilizational foundation and of Voegelin's philosophy of history with regard to Christianity and Western political order Herndon addresses not only the nagging problem in Voegelin scholarship regarding his relationship with the historical Jesus but also the Pauline compromises with the world that enabled Christianity to become the instrument by which the West was civilized He also shows that Voegelin's interpretation of the historical pressures released by the Great Reformation is important to an understanding of his later work regarding the negative effect of Christian symbols in the creation of ideological disorder Eric Voegelin and the Problem of Christian Political Order clarifies issues in Voegelin studies regarding the intersection between political theory and Christian concerns addressing the relation of religious experience to the public sphere of political life in the West and helping to explain Voegelin's contention that the death of the spirit is the price of progress It offers scholars a perspective heretofore lacking in Voegelin scholarship and a clearer view of Voegelin's understanding of the Christian dispensation and its influence on the course of Western development history and philosophy

Understanding New Religious Movements John A

Saliba, 2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible

Iberia and the Mediterranean World of the Middle Ages, Volume II Kagay, Padilla, Paul Chevedden, 2021-09-20 Brill's series The Medieval Mediterranean has established itself as the main forum for studies exploring all aspects of the Mediterranean world during a period of 1000 years In the medieval period the Mediterranean experienced a multiplicity of developments in social political and economic structures and in populations religions and cultures The centuries between the Late Roman world of the fourth and fifth century and the early modern Braudelian Mediterranean of the sixteenth century were characterised by sweeping changes including the establishment of post Roman kingdoms in the west the emergence of Slav societies in the Balkans the struggle between

Christians and Muslims in Spain and the movement of crusaders Founded in 1993 The Medieval Mediterranean series reflects the complexity of this period with a wide variety of high quality scholarly works from broad surveys to diachronic studies of particular areas or cities investigations of individual themes or issues conference proceedings text editions and fully annotated translations Top specialists in a range of fields have contributed to the series and the volumes which have appeared so far have been warmly welcomed by reviewers This series is indispensable for readers with interests in the history of later antiquity the Middle Ages Byzantium Islam the Balkans and the Black Sea area Publication schedule At present 3 volumes of around 350 pages each are published in the series each year The vast majority of the books in the series are in the English language although works of outstanding quality in French or German may also be included Volumes contain illustrations and maps where appropriate Literature of Medieval History, 1930-1975 Gray Cowan Boyce, 1981

Babylon and the Brethren James Harding, 2015-10-22 This book is a history of the Whore of Babylon image found in the book of Revelation with an emphasis upon the use and influence of the text on the Brethren of the nineteenth century The Brethren developed a multi layered exegesis of the text using Babylon as a form of vituperative rhetoric through which to vilify all other Christians in order to define their own religious identity Those with divergent doctrinal beliefs belonged to an epistemological Babylon those polluted by the world belonged to secular Babylon Babylon was contagious It is from the pens of these writers that the Secret Rapture of the Church doctrine developed as a biological fight or flight response and a psychological fear and fantasy response Whilst the Brethren of the nineteenth century are the central focus the book will have a wider appeal to those interested in the history of exegesis hermeneutics and Apocalypse studies for it also offers an overview of hermeneutical approaches to the reading of Revelation a survey of Babylon's afterlife throughout the history of the church and new insights into the ways in which readers texts and contexts interact in the broader context of sectarian biblical exegesis *Studies in the Ecclesiastical and Social History of Toulouse in the Age of the Cathars* John Hine Mundy, 2017-05-15 *Studies in the Ecclesiastical and Social History of Toulouse in the Age of the Cathars* is John H Mundy's last major book concerning social and religious life in the city of Toulouse during the period 1150-1250 AD a time when the alternate religion of Catharism together with other divergent beliefs rose to its height and soon under intense repression began to die out The various studies entirely reworked for this publication and prefaced with an account of Mundy's early research in the Toulouse archives in 1946-47 document his understanding that religious divergence flourished when the town's well to do were building a semi popular oligarchy at the expense of local princely power The book reveals how the religious orders managed an extensive insurance network providing pensions old age care and burial for lay society His chapters on hospitals and leproseries charities entertainers judges heretics and usurers bring the daily life of this period to life The studies of Toulouse are enhanced by Mundy's expert cartography drawing on the Plan Sanguet of 1750 This volume compiled in the year prior to his death represents the culmination of his long career as archivist scholar and teacher It completes the

work he began in 1946 and published in earlier books *The Medieval Town* Princeton 1958 *Europe in the High Middle Ages 1150-1309* Longman 1975 *The Repression of Catharism at Toulouse* the Royal Diploma of 1279 Toronto 1985 *Men and Women at Toulouse in the Age of the Cathars* Toronto 1990 and *Society and Government at Toulouse in the Age of the Cathars* PIMS 1997

Reincarnation Elizabeth Clare Prophet, Erin L. Prophet, 1997 A long time ago Christians believed in reincarnation This groundbreaking work makes the case that Jesus taught reincarnation Elizabeth Clare Prophet traces the history of reincarnation in Christianity from Jesus and early Christians through Church councils and the persecution of so called heretics Using the latest scholarship and evidence from the Dead Sea Scrolls and Gnostic texts she also argues persuasively that Jesus was a mystic who taught that our destiny is to unite with the God within Your view of Jesus and of Christianity will never be the same

The World of the Early Sienese Painter, This second volume of a trilogy provides the first comprehensive account of the economic social religious and intellectual world 13th and 14th century Sienese painters

The Night's Dark Shade: A Novel of the Cathars Elena Maria Vidal, 2010-05-02 Set amid the turmoil of the Albigensian Crusade in thirteenth century France THE NIGHT'S DARK SHADE tells of heresy versus orthodoxy and of forbidden love versus fidelity Heiress of her father's estates in Auvergne the orphaned Lady Raphaëlle leaves her home to marry a nobleman in a remote castle in the Pyrenees There she encounters the mysterious Cathar sect who challenge all of her most deeply held beliefs As she seeks the path of her true calling she discovers hatred and betrayal as well as abiding friendship and unexpected love From the first page Vidal draws the reader into a vibrant world of action and emotion Raphaëlle de Miramande is an engaging young heroine bravely facing physical and moral dangers and dilemmas in search of truth and love Vidal's novel captures the spirit of the Middle Ages

Shakespeare's Cross-Cultural Encounters Geraldo U. De Sousa, 2016-01-13 In this highly entertaining study De Sousa argues that Shakespeare reinterprets refashions and reinscribes his alien characters Jews Moors Amazons and gypsies In this way the dramatist questions the narrowness of a European perspective which caricatures other societies and views them with suspicion De Sousa examines how Shakespeare defines other cultures in terms of the interplay of gender text and habitat Written in a provocative style this readable book provides a wealth of fascinating information both on contemporary stage productions and on race and gender relations in early modern Europe

Magna Carta J. C. Holt, George Garnett, John Hudson, 2015-05-28 A new edition of J C Holt's classic study of Magna Carta offering the most authoritative analysis of England's most famous constitutional text Suitable for scholars history students and the general reader this outstanding study of the events of 1215 integrates analysis of personality ideas and political development

The Council of Bourges, 1225 Richard Kay, 2019-04-16 Never before had France had a church council so large almost 1000 churchmen assembled at Bourges on 29 November 1225 to authorize a tax on their incomes in support of the Second

Albigensian Crusade About one third of the participants were representatives sent by corporate bodies in accordance with a new provision of canon law that insisted for the first time ever that there should be no taxation without representation Basing himself on the rich surviving records Professor Kay paints a skilful portrait of this council the political manoeuvring by the papal legate to ensure the tax went through and his use of this highly public occasion to humiliate members of the University of Paris and on the other hand his failure to win a permanent endowment to support the papal bureaucracy the bishops effective protests against the pope's threat to diminish their jurisdiction over monasteries and a subsequent taxpayers revolt that challenged the validity of the tax The book also draws out the importance and implications of what took place highlighting the council's place at the fountainhead of European representative democracy the impact of the decisions made on the course of the Albigensian Crusade the reform of monasticism and the funding of the papal government which was left to rely on stop gap expedients such as the sale of indulgences In addition the author suggests that the corpus of texts newly edited from the original manuscripts and with English translation could be seen as a model for the revision of the conciliar corpus most of which still remains based on 18th century scholarship
