**Pouring Water on Time** Mansour Ajami,2016-12-31 This bilingual anthology presents the best of Arabic classical poetry s musings over the many faceted states of the human condition among them love generosity life time youth beauty ecstasy longing wine death and plenty more Mansour Ajami s selection of topical verses and poems is guided by what was deemed best in its genre by the consensus of the great classical Arab literary critics and theoreticians The Moon in Your Life Donna Cunningham,1996 Painted Alchemists Elisabeth Berry Drago,2025-10-01 Thomas Wijck s painted alchemical laboratories were celebrated in his day as artful and ingenious They fell into obscurity along with their subject as alchemy came to be viewed as an occult art or a fool s errand But these unusual pictures challenge our understanding of early modern alchemy and of the deeper relationship between chemical workshops and the artists who represented them The work of artists like the work of alchemists contained intellectual creative and manual material aspects Both alchemists and artists claimed a special status owing to their creative powers Wijck s formation of an artistic and professional identity around alchemical themes reveals his desire to explore this curious territory and ultimately to demonstrate art s superior claims to knowledge and mastery over nature This book explores one artist s transformation of alchemy and its materials into a reputation for virtuosity and what his work can teach us about the experimental early modern world **Pearls of Wisdom, 1970** Mark L. Prophet,Elizabeth Clare Prophet,1970 **The Good Wine** Bruno Barnhart,2008-12-02 The Good Wine is an exciting and challenging overview of the gospel of John Bruno Barnhart has created a mystical roadmap of the biblical book which is often considered the most difficult and theological of the four gospels Following the lead of Peter Ellis Barnhart has organized the whole of John s gospel around a single truth that God poured divine reality into humankind through the person of Jesus Christ This belief stands at the center of the gospel and every episode in the narrative refracts the light of that core affirmation The gospel when interpreted this way assumes a mandalic pattern in which all parts are related to the center and through it to each other The mandalic pattern is also a gate of entry for believers who seek to relate their own destinies to the Source of Life This book differs from other treatments of John s gospel in that its method is sapiential following the wisdom tradition of the church fathers It explores the symbolic significance of the gospel and pays attention to chiasmic textures which establish patterned repetitive relationships between narrative episodes The result is a deeply spiritual work that explodes with flashes of illumination for persons who come to the gospel jaded with traditional scholarship

Reformation, Revolution, Renovation Lyke de Vries, 2021-12-13 At the centre of the Rosicrucian manifestos was a call for general reformation In Reformation Revolution Renovation the first book length study of this topic Lyke de Vries demonstrates the unique position of the Rosicrucian call for reform in the transformative context of the early seventeenth century The manifestos commonly interpreted as either Lutheran or esoteric are here portrayed as revolutionary mission statements which broke dramatically with Luther s reform ideals Their call for reform instead resembles a variety of late medieval and early modern dissenting traditions as well as the heterodox movement of Paracelsianism Emphasising the universal character of the Rosicrucian proposal for change this new genealogy of the core idea sheds fresh light on the vexed question of the manifestos authorship and helps explain their tumultuous reception by both those who welcomed and those who deplored them

*The Gospel of John in Cultural and Rhetorical Perspective* Jerome H. Neyrey, 2009-11-10 John's Gospel has been studied and evaluated and interpreted constantly by theologians throughout the ages Can anything more possibly be said Jerome Neyrey says it can indeed by interpreting it in two fresh ways by means of ancient rhetoric and by viewing it in its cultural context In order to find patterns and concepts that have a bearing on how to read John Neyrey examines the rhetoric of praise and blame described in the ancient encomium the Greek commonplace on noble death rules for rhetorical conclusions and Jewish background materials He then uses materials from cultural anthropology such as the effects of limited good and envy secrecy and brokerage Even innocent topics such as time and space have much to say about interpreting the figure of Jesus In viewing John through these two lenses *The Gospel of John* in

Cultural and Rhetorical Perspective brings the book into clear focus as a truly maverick gospel
