Alcoholics Anonymous Charles Bufe,1997-12-01 This well researched painstakingly documented book provides detailed information on the right wing evangelical organization Oxford Group Movement that gave birth to AA the relation of AA and its program to the Oxford Group Movement AA s similarities to and differences from religious cults AA s remarkable ineffectiveness and the alternatives to AA The greatly expanded second edition includes a new chapter on AA s relationship to the treatment industry and AA s remarkable influence in the media **The "God Thing" In A.A.** Stan S.,2010-05-20 The real goal of most alcoholics is to be happy joyous and free Many have tried to find it through sobriety but were unable to do so it s rarely achieved through sobriety alone The good news is that it can be found through wakening to our spiritual reality as promised in the twelfth step of Alcoholics Anonymous Sobriety is just the ante The author takes on the role of an uber sponsor challenging both himself and the reader to open his or her mind to what is actually happening in their life and the subtle things we do that impede our own progress It wrestles with the difficulties of coming to A A starting with sobriety approaching the steps and checking personal progress He then walks the reader through his struggles and experience with each one of the steps as he wakened to his own spiritual reality For more information about the book go to [www](http://www.TheGodThingInAA.net)

TheGodThingInAA net Why Early A.A. Succeeded Dick B.,2001 Early AAs founded their pioneer program on basic ideas from the Bible What did they study What did they learn How did they approach the possible biblical subjects There are historical answers and this book provides them More important how can someone in A A or a 12 Step program study the Bible in the way the pioneers did and achieve the same 75% to 93% documented success rates among seemingly hopeless medically incurable alcoholics who went to any lengths to establish their relationship and fellowship with God This book shows you how to do it today **Christianity and Alcoholics Anonymous** David L. Simmons,2012-09 Defense of the Gospel None could deny that A A has taught hundreds of thousands of alcoholics to live in continuous sobriety But a bigger question is By what means and with what consequences does A A accomplish this minor miracle Could we for example lay A A literature side by side with Scripture and conclude the two are in steady harmony Or could it actually be possible that they contradict one another And if that were the case would we be wise to point to our continued sobriety as proof we have also been reconciled with God By contrasting what Scripture has to say on the subject of addiction this book will uncover A A s teachings at great depth Simultaneously it will help you to precisely diagnose the deception of Alcoholics Anonymous Followers of Christ A A members and their families can ill afford to miss dozens of eye opening revelations as David Simmons delivers his compassionate message of hope See to it that no one takes you captive through philosophy Colossians 2 8 In this is love not that we loved God but that He loved us and sent His Son to be the propitiation for our sins 1 John 4 10 *Tree of Renewed Life* Mary Theresa Webb,Terry Webb,1992 Although many churches act as sponsors of 12 Step meetings there is usually little direct connection to the life and spiritual development of the church This hope filled book chronicles the history

and development of the recovery movement and encourages those involved to move 12 Step meetings from the basement of the church to the sanctuary Staying Sober in Mexico City Stanley Brandes,2002 Publisher Fact Sheet Brandes examines Alcoholics Anonymous A A in the urban environment of Mexico City where staying sober is a daily struggle for many men and recovering alcoholics often redefine gender roles in order to preserve masculine identity *What is Alcoholics Anonymous?* Marc Galanter,2016 Alcoholics Anonymous has two million members worldwide yet this fellowship remains a mystery to most people and is even viewed by some as a cult or a religion Written by an award winning psychiatrist and educator in the treatment of alcohol and drug abuse What Is Alcoholics Anonymous provides the most in depth overview to date of this popular and established yet poorly understood recovery movement The result is a thorough objective and accessible investigation into what AA is how it works and how the organization might be considered and used by both healthcare professionals and anyone affected by pursuit of recovery Alcoholics Anonymous Comes of Age Alcoholics Anonymous World Services, Inc.,2014-10-09 A A co founder Bill W tells the story of the growth of Alcoholics Anonymous from its make or break beginnings in New York and Akron in the early 1930s to its spread across the country and overseas in the years that followed A wealth of personal accounts and anecdotes portray the dramatic power of the A A Twelve Step program of recovery unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence Bill recounts the evolution of the Twelve Steps the Twelve Traditions and the Twelve Concepts for World Service those principles and practices that protect A A s Three Legacies of Recovery Unity and Service and how in 1955 the responsibility for these were passed on by the founding members to the Fellowship A A s membership at large In closing chapters of Alcoholics Anonymous Comes of Age early friends of A A including the influential Dr Silkworth and Father Ed Dowling share their perspectives Includes 16 pages of archival photographs For those interested in the history of A A and how it has withstood the test of time Alcoholics Anonymous Comes of Age offers on the growth of this ground breaking movement Alcoholics Anonymous Comes of Age has been approved by the General Service Conference Deep Soul Cleansing-12 Step Workbook Jamie M,2008-04-01 If you have been looking for the perfect inventory workbook here it is This is the companion to Deep Soul Cleansing contains room for some 300 resentments Several sex problems money and work issues and harm done to others This workbook has suggested readings and writing for all 12 Steps It is also used with our sponsees to move quickly and efficiently though what is the cycle of the Steps *Research on Alcoholics Anonymous and Spirituality in Addiction Recovery* Marc Galanter, Lee Anne Kaskutas,2008-12-05 It was once taken for granted that peer assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction More recently evidence based medicine is recognizing a spiritual component in healing especially when it comes to addiction The newest edition of Recent Developments in Alcoholism reflects this change by focusing on the 12 step model of recovery as well as mindfulness meditation and other spiritually oriented activity More than thirty contributors bring together historical background research findings and clinical

wisdom to analyze the compatibility of professional treatment and nonprofessional support day to day concepts of relapse prevention the value of community building in recovery and much more Among the topics covered 1 How and why 12 step groups work 2 The impact of the spiritual on mainstream treatment 3 The impact of AA on other nonprofessional recovery programs 4 AA outcomes for special populations 5 Facilitating involvement in 12 step programs 6 Methods for measuring religiousness and spirituality in alcohol research Whether one is referring clients to 12 step programs or seeking to better understand the process this is a unique resource for clinicians and social workers Developmental psychologists too will find Volume 18 Research on Alcoholics Anonymous and Spirituality in Addiction Recovery a worthy successor to the series
