## **Aldous Huxley Novelist:**

Essential Novelists - Aldous Huxley Aldous Huxley, August Nemo, 2021-07-23 Welcome to the Essential Novelists book series where we present to you the best works of remarkable authors. For this book the literary critic August Nemo has chosen the two most important and meaningful novels of Aldous Huxley which are *Crome Yellow* and *Antic Hay*. Aldous Huxley was an English writer and philosopher widely acknowledged as one of the foremost intellectuals of his time. He was nominated for the Nobel Prize in Literature nine times and was elected Companion of Literature by the Royal Society of Literature in 1962. Novels selected for this book: *Crome Yellow*, *Antic Hay*. This is one of many books in the series *Essential Novelists*. If you liked this book, look for the other titles in the series; we are sure you will like some of the authors. *Crome Yellow* Aldous Huxley, 2020-02-07 *Crome Yellow* is an Aldous Huxley novel which is a witty recounting of a house party wherein Huxley satirises the fads and fashions of the time. We hear the history of the house Crome from Henry Wimbush, its owner and self-appointed historian. An apocalypse is prophesied, virginity is lost, and inspirational aphorisms are gained in a trance. The protagonist Denis Stone tries to capture it all in poetry and is disappointed in love. The book contains a brief prefiguring of Huxley's later novel *Brave New World*. Mr Scogan, one of the characters, describes an impersonal generation of the future that will take the place of Nature's hideous system. In vast state incubators, rows upon rows of gravid bottles will supply the world with the population it requires. The family system will disappear; society sapped at its very base will have to find new foundations. Eros beautifully and irresponsibly free will flit like a gay butterfly from flower to flower through a sunlit world. *Crome Yellow* is in the tradition of the English country house novel as practised by Thomas Love Peacock in which a diverse group of characters descend upon an estate to leech off the host. They spend most of their time eating, drinking, and holding forth on their personal intellectual conceits. There is little plot development. The book satirically describes a number of types of the period. The house party is viewed largely through the eyes of the naive young poet Denis Stone. *Antic Hay* Aldous Huxley, 2004 *Futilitarian* best describes the type of desultory pleasure seeking intellectual Huxley pinned so mercilessly to the literary map in *Antic Hay*. Wickedly funny and deliciously barbed, the novel epitomizes the glittering neuroticism of post-First World War London. **ALDOUS HUXLEY: NOVELIST** Christopher S. Ferns, 1980 *Those Barren Leaves* Aldous Huxley, 2023-06-15 We rely on your support to help us keep producing beautiful free and unrestricted editions of literature for the digital age. Will you support our efforts with a donation? Mrs Aldwinkle, an English aristocrat of a certain age, has purchased a mansion in the Italian countryside. She wishes to bring a salon of intellectual luminaries into her orbit, and to that end she invites a strange cast of characters to spend time with her in her palazzo: Irene, her young niece; Ms Thriplow, a governess turned novelist; Mr Calamy, a handsome young man of great privilege and even greater ennui; Mr Cardan, a worldly gentleman whose main talent seems to be the enjoyment of life; Hovenden, a young motorcar obsessed lord with a speech impediment; and Mr Falx, a socialist leader. To this unlikely cast is soon added Mr Chelifer, an author with an

especially florid overwrought style that is wasted on his day job as editor of The Rabbit Fancier's Gazette and the Elvers a scheming brother who is the guardian of his mentally challenged sister As this unlikely group mingles they discuss a great many grand topics love art language life culture Yet very early on the reader comes to realize that behind the pompousness of their elaborate discussions lies nothing but vacuity these characters are a satire of the self important intellectuals of Huxley's era His skewering of their intellectual barrenness continues as the group moves on to a trip around the surrounding country in a satire of the Grand Tour tradition The party brings their English snobbery out in full force as they traipse around Rome sure of nothing else except in their belief that Italy is culturally superior simply because it's Italy As the vacation winds down we're left with a biting lampoon of the elites who suppose themselves to be at the height of art and culture the kinds of personalities that arise in every generation sure of their own greatness but unable to actually contribute anything to the world of art and culture that they feel is so important *Aldous Huxley, Novelist* Christopher S. Ferns, 1980 **Island**

Aldous Huxley, 2009-07-15 In his prescient vision of the 21st century Huxley explores Buddhist ideology nuclear threat and big oil corporate greed For over a hundred years the Pacific island of Pala has been the scene of a unique experiment in civilisation Its inhabitants live in a society where western science has been brought together with Eastern philosophy to create a paradise on Earth When cynical journalist Will Farnaby arrives to research potential oil reserves on Pala he quickly falls in love with the way of life on the island Soon the need to complete his mission becomes an intolerable burden and he must make a difficult choice In counterpoint to Brave New World and Ape and Essence Island gives us Huxley's vision of utopia WITH AN INTRODUCTION BY DAVID BRADSHAW **Point Counterpoint** Aldous Huxley, Acino

Acinonyx, 2014-10-02 Point Counter Point the most complex and longest of Aldous Huxley's novels was first published in 1928 Modern Library ranked Point Counter Point 44th on its list of the 100 best English language novels of the 20th century in 1998 The novel's title is a reference to the musical technique of counterpoint and the story is on the fashion of a work of music with a number of interlinked storylines and recurring themes Many of the characters are based on real people most of whom Huxley knew personally and spares none of these characters Rampion and Burlap obsessed with Life Marjorie Elinor and Walter Bidlake romanticising in love Bidlake Senior and Lord Edward detached from real life the cynicism of Spandrelth the politics of Webley and the stupidity of Sidney Quarles None of the discussions on art life and science goes well and seems to be shrouded by excellent mocking Walter Bidlake a young journalist lives with Marjorie Carling a married woman whose husband refuses to grant her a divorce Marjorie becomes pregnant with a weak and ineffectual Walter's child but their relationship is disintegrating because Walter has fallen desperately in love with the sexually aggressive and independent Lucy Tantamount based on Nancy Cunard with whom Huxley had a similarly unsatisfactory affair Aldous Leonard Huxley 26 July 1894 22 November 1963 was an English writer and a prominent member of the Huxley family He was the third son of the writer and schoolmaster Leonard Huxley and his first wife Julia Arnold who founded Prior's Field School In 1911 he

suffered an illness which left him practically blind for two to three years and weak sighted for his whole life His teacher was his mother who supervised him for several years until she became terminally ill In 1921 Huxley married the Belgian refugee Maria Nys They lived with their young son in Italy part of the time in the 1920s where Huxley would visit his friend D H Lawrence Following Lawrence s death in 1930 Huxley edited Lawrence s letters in 1933 and moved to USA in 1937 From 1939 and continuing until his death in 1963 Huxley had an extensive association with the Vedanta Society of Southern California In 1944 Huxley wrote the introduction to the Bhagavad Gita The Song of God translated by Swami Prabhavanada and Christopher Isherwood From 1941 until 1960 Huxley contributed 48 articles to Vedanta and the West published by the Society He also served on the editorial board with Isherwood Heard and playwright John van Druten from 1951 through 1962 Huxley is best known for his novels including Brave New World set in a dystopian London and The Doors of Perception which recalls experiences when taking a psychedelic drug Huxley also wrote a essays on a wide ranging topics edited the magazine Oxford Poetry and published short stories poetry travel writing film stories and scripts He spent the later part of his life in the United States living in Los Angeles from 1937 until his death Huxley was a humanist pacifist and satirist He became deeply concerned that humans might become subjugated through the sophisticated use of the mass media or mood altering drugs or tragically impacted by misunderstanding or the misapplication of increasingly sophisticated technology Later he became interested in spiritual subjects such as parapsychology and philosophical mysticism in particular Universalism He is also well known for his use of psychedelic drugs By the end of his life Huxley was widely acknowledged as one of the pre eminent intellectuals of his time Following the death of his first wife Maria Nys in 1955 Huxley married Laura Archer 1911-2007 In 1956 In 1960 Huxley was diagnosed with laryngeal cancer and suffered health deterioration Huxley who was denied the US citizenship by the government of USA died as a UK citizen at 5 20 pm on 22 November 1963

**Aldous Huxley** Sybille Bedford,1974 Interpretation of the life and works of the 20th century English novelis by an intimate friend and fellow novelist

**Aldous Huxley** Peter Bowering,2014-01-13 Essays analysing the decline of Aldous Huxley as a novelist have become a commonplace of literary criticism over the past two decades yet he continues to be read and few writers equal his ability to make moral concepts exciting to animate ideas and clothe them with life and vitality In this study of the nine major novels from Crome Yellow 1921 to Island 1962 Mr Bowering offers a positive evaluation Huxley s achievements as a novelist of ideas as the moralist of a scientific age and as an ironist worthy to be compared with Swift He shows how the conflicting claims of morality and art must be judged in relation to Huxley s work as a whole and to this search for a way of life which would fit all the facts of experience All the principle novels require some knowledge of Huxley s source materials to be adequately understood and Mr Bowering is particularly informative on this score His discussion indeed attempts to set the novels in the widest possible area of reference

**Critical Essays on Aldous Huxley** Jerome Meckier,1996 Each volume in this series provides an introduction tracing the subject author s critical reputation trends in interpretation developments in

textual and biographical scholarship and reprints of selected essays and reviews beginning with the author's contemporaries and continuing through to current scholarship. Many volumes also feature new essays by leading scholars and critics specially commissioned for the series.

**Brave New World Aldous Huxley - Large Print Edition** Aldous Huxley, 2018-02-25 When *Brave New World* was first published in 1932 it was regarded as another screwball Science Fiction novel. However, as time has gone on, more and more of the events predicted by this novel have become true, and it is now required reading at major universities. In *Brave New World*, the classes of people are divided into Alphas, Betas, Gammas, Deltas, and Epsilons. Each class is trained to believe that they are better off than either the people below them or above them. The people at the bottom of the scale are the laborers who do the actual work. To maintain this intelligence disparity, children of lower classes are made less smart through oxygen treatments and chemicals. Parenting and family are nonexistent, and such concepts are considered archaic and disdained. All children are born as test tube babies. One fertilized egg will normally produce 96 identical twin children. However, experiments have been done in which as many as 16,000 identical children have been produced. Sex is no longer needed or wanted to produce children. As a result, a man can usually have sexual intercourse with any woman he wants. Just as almost everybody will shake your hand if you stick your hand out in *Brave New World*, almost every woman will have sexual intercourse with you if you ask her.

**Brave New World** Aldous Huxley, 2007 Welcome to New London. Everybody is happy here. INTRODUCED BY MARGARET ATWOOD. Our perfect society achieves peace and stability by dispensing with monogamy, privacy, money, family, and history itself. Now everyone belongs. You can be happy too. All you need to do is take your Soma pills. This is the brave new world of Aldous Huxley's deeply sinister and prophetic novel, a society based on maximum pleasure and complete surveillance, no matter the cost. A masterpiece of speculation, as vibrant, fresh, and somehow shocking as it was when I first read it. Margaret Atwood, bestselling author of *The Handmaid's Tale*. A grave warning. Provoking, stimulating, shocking, and dazzling. Observer. Huxley's great dystopian novel. Guardian. One of the BBC's 100 Novels That Shaped Our World.

**Aldous Huxley** Donald Watt, 1997 Writings include *Brave New World*, *Crome Yellow*, *Eyeless in Gaza*. Volume covers the period 1920-1965. Extras: Appendices list translations and collected works sales.

*After the Fireworks* Aldous Huxley, Gary Giddins, 2016-10-04 *After the Fireworks* is a major work and a turning point for Huxley, leading directly to *Brave New World*. Gary Giddins. In *After the Fireworks*, three lost classic pieces of short fiction by Aldous Huxley, author of *Brave New World*, are collected for the first time with an original foreword by National Book Critics Circle Award winner Gary Giddins. In the title novella, Rome is the stunning backdrop for a renowned novelist's dangerous affair. Uncle Spencer is the exquisite New Statesman tale of an aging World War I veteran's quest for the lost love he met in a prison during the war. And *Two or Three Graces*, probably the thing nearest perfection of all that Huxley has done, *New Statesman* recounts a destructive writer's abusive relationship with an impressionable housewife. Now brought back in print for the first time in seventy-five years, the novellas newly collected in *After the Fireworks* reveal Aldous Huxley at the height of his

powers      **Aldous Huxley and the Search for Meaning** Ronald T. Sion, 2014-01-10 Aldous Huxley author of eleven novels remains one of the towering figures of the twentieth century his work resistant to passing fads in literature This critical biography explores Huxley's lifelong quest for self-actualization by intertwining the events of his life and details of the creative period that produced each book Considering Huxley's letters essays and interviews in its examination of the thematic content of each novel the text finds a man striving for the intellectual growth that would yield a sound philosophical and spiritual view of life one he infused into his work      **Aldous Huxley** Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2010 A collection of critical essays on Huxley his satires and fiction works with a chronology of events in the author's life      **The Genius of Aldous Huxley** Samiran Kumar Paul, 2020-12-08 The Genius of Aldous Huxley is an attempt to make a critical analysis of Aldous Huxley's novels essays and plays The significant results of his stance in terms of his critical heritage were threefold the explicit message of the later fiction struck most readers as being detrimental to its artistry criticism of Huxley's craft often became indistinguishable from criticism of his ideas the popular response to Huxley's work continued to grow but the critical reception declined While they were looking to him for guidance practically none of Huxley's readers were prepared for the directions he took in the coming books His critics had so consistently overlooked the deeper import of the earlier work that the new outspoken idealism seemed an abrupt reversal if not a contradiction of attitudes The shift of emphasis in Huxley's work introduced during the war years a period of new ferment and trial for his critical reputation The volume of response never slackened if anything it increased He has revealed himself as one of the few capable makers of cultural synthesis in our time His concern for mankind is so obvious that one can only think readers who see nothing in his later fiction but obsessions and bitterness are incapable of appreciating his intentions or his powers

Eyeless in Gaza Aldous Huxley, 2004 Eyeless in Gaza offers a counterpoint to the biting cynicism of Huxley's earlier satirical novels and is considered by many to be his definitive work of fiction      **Point Counter Point** Aldous Huxley, 2023-12-26 Point Counter Point by Aldous Huxley is a compelling exploration of human relationships intellectual pursuits and societal complexities in the interwar period Published in 1928 Huxley's novel delves into the lives of a diverse group of characters intertwining their stories to create a rich tapestry of ideas and perspectives Set against the backdrop of a rapidly changing world the narrative weaves through the lives of artists intellectuals and individuals grappling with the shifting moral landscape of the time Huxley employs a mosaic-like structure presenting a series of interconnected stories that touch upon themes of love politics science and the clash of ideologies The novel's title Point Counter Point reflects its intellectual nature mirroring the contrapuntal structure of a musical composition Through a cast of complex characters including writers scientists and socialites Huxley engages in a profound exploration of the conflicts inherent in personal relationships and the broader societal challenges of the era With keen wit and satirical insight Huxley dissects the foibles of his characters offering a critical commentary on the moral and philosophical dilemmas of the time The novel provides a

panoramic view of a society in flux offering reflections on the clash between tradition and modernity *Point Counter Point* stands as a testament to Huxley's literary prowess displaying his ability to blend philosophical inquiry with a keen understanding of human nature The novel remains a thought provoking and relevant exploration of the complexities of human existence making it a timeless work that continues to captivate readers with its intellectual depth and narrative complexity

**Aldous Huxley Novelist Introduction**

In today's digital age, the availability of Aldous Huxley Novelist books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Aldous Huxley Novelist books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Aldous Huxley Novelist books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Aldous Huxley Novelist versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Aldous Huxley Novelist books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Aldous Huxley Novelist books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Aldous Huxley Novelist books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Aldous Huxley Novelist books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Aldous Huxley Novelist books and manuals for download and embark on your journey of knowledge?

### **FAQs About Aldous Huxley Novelist Books**

1. Where can I buy Aldous Huxley Novelist books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Aldous Huxley Novelist book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Aldous Huxley Novelist books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Aldous Huxley Novelist audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Aldous Huxley Novelist books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
