The Wings of Love Volume 1 Kwabena Osei,2013-03-07 It is insignificant to blame an imaginary devil for your woes and miseries in your love and sex relationship The power of love is so real natural and creates no misery Rather it is the mind that we use to enter into love and sex relationships which constitutes our agonies and miseries The mind promises much but delivers nothing We use the mind in our daily business activities To love someone with the mind has its cornerstones It reflects on why you are in love When the cornerstone that dragged you to that love and sex relationships fades away you will be totally empty There will be no remains of love in you The rest will be agony and misery When you find no logic and reason and simply do not know why you are in love that is a pure love from your heart Love and sex is a divine gift It serves as finishing touches to crown the unification of two souls of oneness in existence It s by product is the multiplication of human race that makes the world to go round Generations go and generations come through the mystery of the power of love and sex And the world abides forever and ever A perfect natural love from both lovers in unification can trash down any deadly mountain that stands in their way They can easily exploit or discover the hidden mystery planet of love and its pleasure that most people with the mind games in love and sex relationship fail to discover Just let an unconditional sweet melody of love songs reign supreme in your love and sex relationship and you will always find pleasure in love This book The wings of love reveals the major facts stories and occurrences in various love and sex relationships To enlighten and bring awareness to those lucky ones who may by the grace of the supreme power of love get access to these inspirational facts of love and sex stories Peace and love **Power of Midnight Prayer** Gabriel Agbo, This book Power of Midnight Prayer will certainly be one of the most comprehensive and most powerful books written on spiritual warfare The choice of the title came from a wealth of experience chilling testimonies and confessions and a careful study of the word of God It is indeed a very rich and
