Aging In Culture And Society:

Aging in Culture and Society Christine L. Fry, American Anthropological Association, 1980 Describes the life and accomplishments of the former slave who became a scientist and devoted his career to helping the South improve its agriculture
Aging, Culture and Society Jason L. Powell, 2013 This book examines aging and old age from a range of social and cultural approaches The book begins by examining the emergence of mainstream sociological theories of aging that attempt to go beyond the tradition of bio medical fatalism It moves its attention to a cultural analysis of aging through an examination of embodiment It concludes by arguing for a narrative gerontology that incorporates some of the methodological considerations required to understand and investigate an aging identity in contemporary culture

Growing Old in Different Societies Jay Sokolovsky, 1983

Aging: Culture, Health, and Social Change David N. Weisstub, David C. Thomasma, S. Gauthier, G.F. Tomossy, 2013-06-29 Culture Health and Social Change is the first of three volumes on Aging conceived for the International Library of Ethics Law and the New Medicine Leading scholars from a range of disciplines contest some of the predominant paradigms on aging and critically assess modern trends in social health policy How we approach and understand aging will have indelible effects on existing and future elder citizens Acknowledging the cultural variances that exist in the human experience of aging is therefore of vital importance in order to respond to individual needs in a manner that is not paternalistic discriminatory or exclusionary
Cultures of Ageing Chris Gilleard, Paul Higgs, 2014-08-21 For undergraduate courses in sociology and psychology which examine ageing adulthood This book focuses on the dramatic changes to the nature of post retirement life experienced by people at the end of the twentieth century It examines age and ageing in terms of the key preoccupations of contemporary sociology citizenship the body and the self The book provides a platform for a new social gerontology that sees ageing as central to our understanding of social change It examines social cultural and political changes in Europe and North America to address the need for a text that moves the study of ageing from social policy towards the mainstream of social science
Will You Still Need Me, Will You Still Feed Me, When I'm 84? Doris Francis, 1984-04-22 Many ethnographic

monographs are praise worthy on conceptual and methodological grounds some combine solid contributions to knowledge with trenchant social policy recommendations a few are eminently readable This work is excellent on all three counts For academic libraries at all levels and public libraries Choice A compelling and touching portrait of the problems of growing old This pioneering study compares the ways two groups have adapted to and coped with being aged in contemporary urban society

Local Societies in Bronze Age Northern Europe Nils Anfinset, Melanie Wrigglesworth, 2014-10-14 This book aims to understand the process of the Bronze Age societies of Northern Europe which are often regarded as the periphery and a bleak contrast to the Central European Bronze Age The Bronze Age is the first globalised period with new types of societies and new modes of exchange and trade In this context there is considerable local variation and diversity within the Bronze Age societies of Northern Europe which is poorly understood although there have been advances and changes in this research Therefore this book challenges some of the mainstream opinions on the Bronze Age of Northern Europe and focus on local and regional aspects This is done by a series of articles from significant contributors that deal with these issues on theoretical and empirical levels with regards to differences cultural dualism boundaries regions and regionality in a period of increased globalisation The result is a movement away from local and regional aspects toward communications travels and contacts between northern Europe and the greater world not only towards Central Europe and the Near East but also towards the east Northern Arctic Europe is often left out in these discussions and this book will contribute to this greater picture of the Bronze Age world

Routledge Handbook of Cultural Gerontology Julia Twigg, Wendy Martin, 2015-06-12 Later years are changing under the impact of demographic social and cultural shifts No longer confined to the sphere of social welfare they are now studied within a wider cultural framework that encompasses new experiences and new modes of being Drawing on influences from the arts and humanities and deploying diverse methodologies visual literary spatial and theoretical perspectives Cultural Gerontology has brought new aspects of later life into view This major new publication draws together these currents including Theory and Methods Embodiment Identities and Social Relationships Consumption and Leisure and Time and Space Based on specially commissioned chapters by leading international authors the Routledge Handbook of Cultural Gerontology will provide concise authoritative reviews of the key debates and themes shaping this exciting new field

Many Mirrors Nicole Landry Sault, 1994 We've needed a book like *Many Mirrors* for a long time In the veritable explosion of new scholarship on the human body this book stands out in its focus on empirical research *Many Mirrors* will move the Anthropology of the Body a giant step forward C H Browner University of California at Los Angeles In every society people define and change their physical appearance in response to their relationships to others we add clothes and masks remove them build up our muscles perforate our flesh cut parts away comb our hair and modify our diets In rural Jamaica fat women are considered desirable in American suburbia teenage girls are obsessed with thinness Bedouin women use tattoos to express their secret longings Asian American women undergo cosmetic surgery to conform to internalized

western standards of beauty Even with mirrors to see ourselves we rely on the reactions of others to learn how we look and who we are Where contemporary Western culture sees the body as a concrete thing with an objective observable reality separate from the self many other societies regard the person as an integrated whole that includes the mind the body and the spirit Through the contributors studies of individual cultures and through the editor s unifying body image system this volume gives us a new conceptual framework for understanding how women and men in any society perceive describe and alter their bodies

Handbook of Theories of Aging Merrill Silverstein,Vern L. Bengtson,Vern L. Bengtson, PhD,Norella Putney,Daphna Gans,2008-10-27 The field of gerontology has often been criticized for being data rich but theory poor The editors of this book address this issue by stressing the importance of theory in gerontology While the previous edition focused on multidisciplinary approaches to aging theory this new edition provides cross disciplinary integrative explanations of aging theory The contributors of this text have reached beyond traditional disciplinary boundaries to partner with researchers in adjacent fields in studying aging and age related phenomena This edition of the Handbook consists of 39 chapters written by 67 internationally recognized experts in the field of aging It is organized in seven sections reflecting the major theoretical developments in gerontology over the past 10 years Special Features Comprehensive coverage of aging theory focusing on the biological psychological and social aspects of aging A section dedicated to discussing how aging theory informs public policy A concluding chapter summarizing the major themes of aging and offering predictions about the future of theory development Required reading for graduate students and post doctoral fellows this textbook represents the current status of theoretical development in the study of aging

Augustan Age Culture Lucas Powell,AI,2025-05-05 Augustan Age Culture explores the pivotal role of literature in shaping the Roman Empire under Augustus This book examines how writers like Virgil Horace and Ovid were instrumental in crafting a new golden age promoting Augustan ideology and solidifying a distinct Roman identity Augustus strategically used literature as political propaganda to legitimize his rule and instill unity demonstrating the profound connection between cultural production and imperial power The book illuminates how the Aeneid became a foundational text for Roman identity while Horace s odes celebrated the era s peace and prosperity The book progresses systematically first establishing the historical and social context of Augustan Rome then delving into specific literary works and genres to analyze their role in propagating Augustan ideology By providing detailed textual analysis and drawing on recent scholarship Augustan Age Culture offers readers a comprehensive understanding of this complex era This approach highlights the agency of writers in shaping their culture presenting a nuanced view beyond simple propaganda

Twenty Years of China's Ageing Society: Achievements, Challenges, and Prospects Peng Du, Constructing identities. Structure and practice in the Early Bronze Age - Southwest Norway Knut Ivar Austvoll, 2019-01-01 This book explores the construction of regional identities in the Early Bronze Age through the temporal variation in burial practice in Southwest Norway Earthen barrows from the regions Etne Karm y J ren and Lista are used as the archaeological source for this study How historically constituted structures together with external practice form part of an open ended process of identity construction is investigated Previous research has often used a set rigid definition of identity and earthen barrows along the coast of Southwest Norway have therefore frequently been portrayed as part of a southern Scandinavian culture These perceptions are not necessarily wrong but neglect the complicated processes that give rise to groups In this study it is argued that patterns found in the material remains both unintentional and intentional express regional variation Through a quantitative methodology based on a selection of focus points and spatial analysis in ArcGIS the multifaceted process behind identity construction is showcased As a result the southwest coast of Norway during the Early Bronze Age can be seen as a more complex and dynamic region Although many similarities between regions are shared they are also clearly divided and competitive

Other Cultures, Elder Years Ellen Rhoads Holmes, Lowell D. Holmes, 1995-05-24 Holmes and Holmes have revised their 1983 book and it remains a good supplement for an undergraduate gerontology course or anthropology course It is written at a readable level each chapter has a clear summary It provides an excellent summary of secondary sources avoiding extensive review of primary research complicated theory and methodological issues Clinical Gerontologist Hailed as extremely well organized balanced and impartial in its first edition by The Gerontologist Other Cultures Elder Years is once again available in a fully revamped second edition This new edition provides a comprehensive comparative viewpoint on our knowledge about worldwide patterns of aging It addresses everything from demographic patterns to family relations from perceptions of the life cycle to the impact of modernization on the aged Replete with summaries of crucial studies from various parts of the world Other Cultures Elder Years also offers three extended case descriptions of Inuit Samoan and white American aged as well as an examination of aging patterns among major American ethnic groups Among the other subjects the text addresses are cultural perspectives in health care the future of aging in America and creativity and the life cycle Other Cultures Elder Years is the key text available for use by anyone teaching courses on aging and culture I found the current book a significant improvement over the first edition It remains to be the only usable text in the anthropology of aging available I see the audiences for the book as instructors for the following courses Anthropology of Aging Sociology of Aging and general social

gerontology courses I have used this book in past Anthropology of Aging courses and would do so again Jay Sokolovsky University of Maryland Baltimore County This book does a truly artful job of organizing and presenting the complex diversity of human experience related to aging and cultural influence This book offers an implicit biocultural laboratory to the reader the biologic universal of human aging is shaped by the prism of cultural influence The reader is guided through the evolutionary history of aging among anthropoid primates to hominids to Homo sapiens sapiens who are then examined from cultural perspectives found around the globe The effect is one of inquiry search synthesis and ultimately a confrontation with our inner selves as we negotiate the inexorable march toward our ultimate destiny J Neil Henderson Suncoast Gerontology Center University of South Florida
