Agnes de Lilien. A Novel. From the German of C. Von Wolzogen ... By the Author of Statira, and The Restless Matron I.e. Mrs. Showes** Caroline von Wolzogen,1801 **Agnes Von Lilien** Kari Marie Stolzenburg,2012 The novel Agnes von Lilien by Caroline von Wolzogen although celebrated during the period of Weimar Classicism was not generally well known to English speaking readers and researchers until recently This project aims to address this situation by creating an easily accessible English translation of the novel complete with critical annotations for the benefit of researchers and lay readers alike **Agnes von Lilien** Caroline von Wolzogen,2016-10-10 Der Roman Agnes von Lilien ist die Geschichte eines empfindsamen und allem Schönen gegenüber aufgeschlossenen schwärmerischen Mädchens das sich in der realen Welt jedoch fremd und unverstanden fühlt und sich zu einem Idealmann der alle Tugenden in sich vereint hingezogen fühlt **Agnes von Lilien** Karoline von Wolzogen,1881 Agnes von Lilien Karoline von Wolzogen,1800 The Women Writers in Schiller's Horen Janet Besserer Holmgren,2007 This work examines the integral role that six female authors played in Schiller's ambitious literary journal Die Horen 1795-97 Louise Brachmann Friederike Brun Amalie von Imhoff Sophie Mereau Elisa von der Recke and Caroline von Wolzogen helped put the journal back on track when it floundered fiscally and programmatically and their literary contributions were among the most successful the journal ever received Beyond a critical discussion of the women's publications in Schiller's journal this work addresses the range of problems associated with women's writing and publishing during the late eighteenth century the aesthetics of Weimar Classicism Schiller and to a lesser degree Goethe as patrons and the interpretation of literary history *Great Books by German Women in the Age of Emotion, 1770-1820* Margaretmary Daley,2022 Literature written by women in German during the period long known patriarchally as the Age of Goethe was largely lumped in with other unserious or artistically unworthy works under the category Trivialliteratur literally trivial literature Using insights from Gender Studies yet acknowledging the need for a literary canon *Great Books by German Women* offers a critical interpretation of six canon worthy German novels written by women in the period for which it coins the term Age of Emotion The novels are chosen because they depict women's ordinary yet interesting lives and equally because each displays formal strengths that yield prose particularly able to express emotion The first Sophie von La Roche's *Die Geschichte des Fräuleins von Sternheim* The History of Lady von Sternheim draws on the tradition of the epistolary novel while also finding new ways to depict empathetic emotions The second Friederike Unger's *Julchen Grunthal* brings to the Frauenroman or women's novel the use of irony to portray a heroine's emotions during her coming of age The next novels add lyricism to their prose to capture sensual emotions Sophie Mereau's *Blütenalter der Empfindung* The Blossoming of Feeling imagines women's affinity for the philosophical sublime while Caroline Wolzogen depicts female desire in her Agnes

von Lilien The fifth novel Die Honigmonathe The Honeymoon by Karoline Fischer explores the agony that extreme emotions cause not only for women but also for men The last novel Caroline Pichler s Frauenw urde The Dignity of Women expands the focus from a young heroine to multiple mature characters while maintaining the centrality of women s talents and emotions Finally this study accords honorable mention to some other women s novels before concluding that the influence of these six works was in no way trivial either in portraying women s lives and emotions or in the history of German literature Auf der Suche nach dem eigenen Raum Michaela Krug,2004 *The Literature of Weimar Classicism* Simon Richter,2005 New essays providing an account of the shaping beliefs preoccupations motifs and values of Weimar Classicism In Germany Weimar Classicism roughly the period from Goethe s return to Germany from Italy in 1788 to the death of his friend and collaborator Schiller in 1805 is widely regarded as an apogee of literary art But outside of Germany Goethe is considered a Romantic and the notion of Weimar Classicism as a distinct period is viewed with skepticism This volume of new essays regards the question of literary period as a red herring Weimar Classicism is best understood as a project that involved the ambitious attempt not only to imagine but also to achieve a new quality of wholeness in human life and culture at a time when fragmentation division and alienation appeared to be thenorm By not succumbing to the myth of Weimar and its literary giants but being willing to explore the phenomenon as a complex cultural system with a unique signature this book provides an account of its shaping beliefs preoccupations motifs and values Contributions from leading German British and North American scholars open up multiple interdisciplinary perspectives on the period Essays on the novel poetry drama and theater are joined by accounts of politics philosophy visual culture women writers and science The reader is introduced to the full panoply of cultural life in Weimar its accomplishments as well as its excesses and follies Emancipatory and doctrinaire by turns the project of Weimar Classicism is best approached as a complex whole Contributors Dieter Borchmeyer Charles Grair Gail Hart Thomas Saine Jane Brown Cyrus Hamlin Roger Stephenson Elisabeth Krimmer Helmut Pfotenhauer Benjamin Bennett Astrida Orle Tantilillo W Daniel Wilson Simon J Richter is Associate Professor of German at the University of Pennsylvania **Agnes von Lilien** Karoline von Wolzogen,1883 Agnes von Lilien Caroline v Wollzogen,1820 Agnes von Lilien Karoline von Wolzogen,1820 **Agnes von Lilien** Caroline von Wolzogen,1798 *Writing the Self, Creating Community* Elisabeth Krimmer,Lauren Nossett,2020 This volume examines the world of German women writers who emerged in the burgeoning literary marketplace of eighteenth century Europe **Borderwork** Margaret R.
