The Ancient Mysteries and Modern Masonry Charles H. Vail, 2005-12-01 In the early ages occult knowledge was taught openly as the sciences are taught in our colleges to day But in the course of time many allowed their selfishness to rule and so abused their power that it became necessary to withhold such knowledge from the unworthy This was the condition of religious affairs when the Mysteries were necessarily established by the King Priests of the Divine Dynasties in the early days of Atlantis from The Origin of the Mysteries Though the author cannot alas lift the veil from the secrets of the Order 32nd degree Freemason Charles H Vail endeavors to lead the curious toward a more complete understanding of the ancient knowledge of the eternal truth of the universe of which the Masons are the keepers From the great antiquity of Masonic symbols and traditions to the formation of the organization with their perpetuation as its goal this 1909 book is an intriguing glimpse inside one of the most secretive fraternities in existence It is required reading for those fascinated by arcane wisdom and secret societies

Angel from the Whirlwind William A. Hinson, 2017-10-27 Freemasons claim that Masonry is open to any one of any faith and that it is a brotherhood to help other Masons This is used as a trap to entice new victims into their secret order All Freemasons take a deadly oath for each degree up to the 33rd degree They swear allegiance to Masonry above God and country and under pain of death and swear never to reveal the secrets of Freemasonry not even to their wives Therefore no matter what a Mason claims about their supposed good works or good intentions they cannot be believed Their real purpose is to undermine the teachings of Christianity They are the true masters of deceit Specifically anti Christian Masonry is working for a secular humanist new world order a Masonic Republic At Catholic University in Washington D C on June 30 1990 in a speech to the World Apostolate of Fatima Father Robert J Bradley S J stated Masonry is Secular Humanism incarnate Masonry is also Satanism incarnate The official position of American Freemasonry has been outlined in their publication The New Age The September 1950 issue describes God's Plan in America according to the distorted view of Masonry and asserts that Masonry is God's plan for America and that Christianity is in opposition to this plan of God Masons freely invoke the name of God but their god is not the God of the Bible Even some Catholics condemn this occult society in 1829 Pope Pius VIII warned Catholics concerning Masonry Their law is untruth their God is the devil and their cult is turpitude In other reports they describe some of the past Masonic successes in starting wars spawning revolutions causing assassinations and overthrowing organizations and even governments Their diabolical activities in America and their plans for a new world Masonic Order will be revealed and their promotion of the deadly heresy of indifferentism which maintains that all religions are of equal value will be discussed As a Mason works his way up through the 33 degrees of the Scottish Rite he is promised that he will attain the secret knowledge of the ancients secrets available only to the illuminated or Gnostic adepts Masonry is a pagan religion which adopts various religious symbols to deceive the unwary as in the case of the letter G which is often used within the two other Masonic symbols the square and the compass Many uninformed Christians assume that this G stands for the Trinitarian God when it actually represents the Masonic gnosis or generation The Ancient Plan of Secret Societies Huntington House 1990 asserts Though few Masons know it the god of Masonry is Lucifer What's the difference between worship of Lucifer and Satan Luciferians think they are doing good This is the ultimate secret of Masonry and of similar secret quasi Masonic societies the worship of Lucifer William T Still writes that Masons believe Lucifer never fell to earth that Lucifer is really God and has been since the dawn of creation Adonay is their blasphemous term for the one true God of Christendom whom Luciferians denounce as the god of evil Masonry's god is the devil Lower degree Freemasons are not told of this secret and higher degree Freemasons will never admit it for the oaths
