The Renegade PM Johnson,2019-10-17 THE ALLIANCE IS FRACTURING Following a stunning Sahiradin victory at the Battle of Halduan Lycian commitment to carrying on the struggle is waning Chancellor Penawah is besieged by threats of defection and her appeal to a once stalwart ally fails to soften stubborn hearts On Earth an irresolute United Earth Council debates whether to prepare for war or chart a course of non belligerence even as Sahiradin warships prowl the Terran System As vulnerable as Earth and the Lycians are the Sahiradin cannot press their advantage for they too have suffered a grievous defeat though not at the hands of their enemies Queen Pashira has perished without giving birth to a fertile female Now Khadiem Pashira s daughter spawned by artificial means demands to be recognized as the new Queen of the Sahiradin but the council of warriors refuses to perform the Ascension Ceremony and install her as their ruler While each side in the ancient conflict contends with internal strife the Apollo Stone comes under the power of someone new someone whose unbounded ambition for conquest and domination could alter the balance of power more profoundly than any Lycian or Sahiradin victory ever could But who is the master and who is the servant *The Warrior* PM Johnson,2017-09-30 THEY THOUGHT THE LAST NAVIGATOR WAS DEAD They thought the Apollo Stone was lost to the vastness of space But they were wrong A Navigator has arisen in the unlikelyst of places And the Apollo Stone has reemerged if only to vanish once again during the chaos of battle fought both on Earth s surface and high in her orbit Time has passed and the boiling cauldron of war has cooled but this false peace cannot endure For although dark forces both on Earth and among the stars have been thrown back to their strongholds defeat has only hardened their resolve On Earth the Grand Guardian and his dedicated masses still look with envious eyes upon the untainted fertile lands of the Free Cities west of the Mississippi River On the planet Sahir the Queen of the Sahiradin and her legions of warriors still seek to impose their rule over the shattered remains of an empire that once spanned the galaxy And at the heart of these struggles binding them together like the threads of a spider s web lies the Apollo Stone the last of thirteen All sides search for it whether out of fear or desire knowing that its strange powers can shift the fortunes of war and determine the fate of us all **The Apollo Stone Series** P.M.

How New Languages Emerge David Lightfoot, 2006-01-05 New languages are constantly emerging as existing languages diverge into different forms To explain this fascinating process we need to understand how languages change and how they emerge in children In this pioneering study David Lightfoot explains how languages come into being arguing that children are the driving force He explores how new systems arise how they are acquired by children and how adults and children play different complementary roles in language change Lightfoot makes an important distinction between external language language as it exists in the world and internal language language as represented in an individual's brain By examining the interplay between the two he shows how children are cue based learners who scan their external linguistic environment for new structures making sense of the world outside in order to build their internal language Engaging and original this book offers an interesting account of language
