Forty Days Plus Three John J. McIlhlon, 1989 In these reflections on the readings for Lent and the Triduum Monsignor McIlhlon invites us to ponder the consistency between what we believe about human dignity and how we live that dignity If Lent becomes a daily journey whereby we consent to become one with the visible features of Christ s risen life waiting to be raised from the dyings of our life then the paschal mystery becomes a marvelous experience Although he writes with great sensitivity and theological depth Monsignor McIlhlon does not become pedantic nor does he go beyond the depth of the average reader For priests religious and serious lay people looking for something more than pious writing about the most important season of the Church year this book will make excellent Lenten reading
