*My Life Death Book* James P. Esquibel,2010-07-30 My name is James Patrick Esquibel I am a 40 year old man who has resided in the United States my entire life I have had the opportunity to live in various states such as Idaho Florida California Texas and different areas of New Mexico where I have spent most of my life As the saying goes There is no place like home and now I find myself currently living in Albuquerque New Mexico New Mexico has a spiritual connection within me because of it s geological beauty The mountains rivers lakes animals and weather has fed my inner peace Since the early age of 18 I have loved to write and release my emotions in poetic lyrical form This form of therapy helped me to relate to past childhood memories some of which included abuse neglect the loss of loved ones and times of happiness I never expected to publish this material as a book My real intentions were putting together my own band and learning how to play the drums Instead of choosing a life style of sex drugs and Rock n roll which is known to be a part of a musicians life I had felt a career on the road would have been too much for a simple soul like me After

experiencing my first child's birth I then realized how precious life is so I decided to be a family man There is more contentment and satisfaction in raising children and being a good husband Unfortunately life is so short and we must do all we can to make something good happen for ourselves and the ones we love Never give up on dreaming and know if you put your mind heart and soul towards anything oneself can make the impossible happen Peace longhair JPE Of Bones and Ashes Nicole Zoltack, Enjoy this twisted fairy tale retelling by USA Today bestselling author Nicole Zoltack where Snow White is the villain The kingdom knows their princess as Snow White but the Queen Francesia her stepmother sees her for what she truly is a monster None other than the queen can see beyond the illusion of beauty None see that she appears to be bone and ashes No one else realizes that the child drinks blood and even kills As the child grows so does her thirst Francesia knows she must stop Bone Ash lest the princess devastate the entire realm One will be the harbinger of the other's death but who will survive Of Bones and Ashes also includes the short stories The Cost of Treachery and The Cost of Enchantment as well as an alternative ending KEYWORDS Snow White fairytale fantasy fantasy romance romantic fantasy slow burn romance supernatural powers magic come into powers dark fantasy romance clean fantasy king prince royal historical fantasy Free Royal Raven Kennedy Kelly St Clare Caroline Peckham Susanne Valenti C N Crawford Elise Kova Robin D Mahle Elle Madison D K Holmberg Cordelia Castel Kay L Moody Alisha Klaphe *Death and Everlasting Life* Michael Bame Bame, 1994
