Aiding People In Conflict A Manual For Law Enforcement:

Aiding People in Conflict National Mental Health Association (U.S.). Information center, 1988 A Manual for Law Enforcement National Mental Health Association, 1988 **Aiding People in Conflict** Nmha, 1992-11-01 The National Mental Health Association Robert E Hess, 2014-06-03 Here is a unique and important volume that pays tribute to the contributions of the National Mental Health Association to the field of prevention For more than 80 years the National Mental Health Association has been a major force in the advancement of the field of prevention It has pursued an impressive three pronged mission of promoting health preventing mental illness and improving the care and treatment of persons with mental illnesses through advocacy at all levels of state and national government and the development of prevention programs The National Mental Health Association Eighty Years of Involvement in the Field of Prevention traces the history of the association s involvement in prevention back to the first decade of the century Mental health professionals from Pennsylvania Michigan Texas South Carolina New York and Illinois describe some of the diverse activities relating to prevention in which local associations are involved such as public education direct intervention and legislative advocacy In addition a large part of the volume is devoted to in depth descriptions of seven programs of sufficient distinction and merit to have received the association s prestigious Lela Rowland Prevention Award which recognizes outstanding prevention programs in the area of mental health This volume should be read by the hundreds of thousands of Mental Health Association members as well as community psychologists social workers and professionals in mental health centers and state mental health departments

C.J. the Americas , 1991 **Criminal Justice Newsletter** , 1993 **Interviewing in Criminal Justice** Robert A. Shearer, 1993 National Military Manuals on the Law of Armed Conflict Nobuo Hayashi, 2010-07-23 **Bowker's Law Books and Serials in Print** , 1995 **Document Retrieval Index** , 1972 **Interviewing** Robert A. Shearer, 2005 Using a systematic training approach based on scientifically validated research the book combines how to guidelines and hands on practice to expose readers to key interviewing concepts and basic interrogation skills Focusing on basic interviewing concepts and skills for criminal justice professionals this book provides coverage of basic interviewing interrogation and counseling skills strategies For people that plan to work in the criminal justice system *The Companion to International Humanitarian Law* Dražan Djukić, Niccolò Pons, 2018-09-24 This important and unique volume begins with seven essays that discuss the contemporary challenges to implementing international humanitarian law Its second and largest section comprises 263 entries covering the vast majority of IHL concepts Written by a wide range of experts each entry explains the essential legal parameters of a particular element of IHL while offering practical examples and where relevant historical considerations and supplying a short bibliography for further research The starting point for the selection were notions arising from the Geneva Conventions the Additional Protocols and other IHL treaties However the reader will also encounter entries going beyond the typical scope of IHL such as those related to the protection of the natural environment and animals

and entries that in addition to an IHL perspective discuss relevant issues through the lens of human rights law refugee law international criminal law the law on State responsibility national law and so on The editors have also attempted to take into account certain concepts that have no direct foundation in IHL but that are commonly used in mass media and politics or generate wide interest in contemporary society such as drones economic warfare cyber warfare sniping targeted killings transitional justice terrorism and many other topics The Companion to International Humanitarian Law offers a much needed tool for both scholars and practitioners supplying information accessible enough to enable a variety of users to quickly familiarise themselves with it and sufficiently comprehensive to be a source for reflection and further research for more demanding users Its aim is to facilitate the practical application of IHL and be of use to a wide audience interested in or confronted with IHL ranging from professionals in humanitarian assistance and protection in the field legal officers and advisers at the national and international level trainers academics scholars and students
