Resistance, Reconstruction in Post-1994 South African Writing Jaspal Kaur Singh,Rajendra Chetty,2010 The re
conceptualization of South Africa as a democracy in 1994 has influenced the production and reception of texts in this nation
and around the globe The literature emerging after 1994 provides a vision for reconciling the fragmented past produced by
the brutality of apartheid policies and consequently shifting social relations from a traumatized past to a reconstructed future
The purpose of the essays in this anthology is to explore within the literary imagination and cultural production of a post
apartheid nation and its people how the trauma and violence of the past are reconciled through textual strategies What role

does memory play for the remembering subject working through the trauma of a violent past *Rainbow Jews* Jonathan C. Friedman, 2007-01-01 *Rainbow Jews* looks at the intersection of gay and Jewish identity in American and Israeli film and theater from the 1960s to the present Through a close reading of the texts of numerous American and Israeli plays and films Friedman evaluates some of the key conventions that have been employed to construct critique and reflect the connection between Jewishness and gay identity in the United States and Israel Friedman also explores ways in which gay Jewish playwrights and filmmakers have progressed the reevaluation of sexual norms within Judaism over the past three decades inspiring and integrating Jewish members of the GLBT community into the overall Jewish historical narrative *Crisis*, 1987 A journal of lay Catholic opinion *Lifting the Taboo* Sally Cline, 1997-03 Illuminated by a profound yet humorous vision *Lifting the Taboo* explores the specific relationship women of many colors cultures ages and sexual orientations have to their own deaths their attitudes towards loss and their disposition to their role as primary care givers to the dying Specifically the book weighs the implications of breast cancer and examines in detail Alzheimer s Disease which contrary to popular myth can in several significant ways be perceived as a women s disease Investigating mothers responses to children s deaths Sally Cline establishes that women s relationships to death are intricately connected to the experience of giving birth They are she argues therefore psychologically and emotionally different from those of men Cline goes on to examine women s roles and responses to AIDS and suicide women s sexual relationships while dying how society views widows as leftover lives and women s radical work in hospices and death therapy as well as their roles as female funeral directors
